NOTICE OF A NEW ESKOM ENVIRONMENTAL IMPACT ASSESSMENT PROCESS AND ENVIRONMENTAL MANAGEMENT PLAN FOR ESKOM ISUNDU- MBEWU 2x400KV POWER LINE
DEA Ref No: 12/12/20/2170

Notice is given in terms of Regulation 54 of the Environmental Impact Regulations published in Government Notice R543 in Government Gazette No. 33000 of 18 June 2010, under Section 24(5) of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended, Eskom proposes the following:

Construction of 2x400kV transmission lines and associated infrastructure for approximately 150 km from the proposed Mbewu substation near Pietermaritzburg to the proposed Isundu substation near Empangeni.

In terms of sections 24 and section 24D of the National Environmental Management Act (No. 107 of 1998), as read with Government Notices R543 (Regulations 26 to 35) and R545 as amended an Environmental Impact Assessment (EIA) is required in terms of the following listed activity:

- *The construction of facilities or infrastructure for the transmission and distribution of electricity with a capacity of 275 kilovolts or more, outside an urban area or industrial complex.*

This project stretches over the following Municipalities:

uMgungundlovu	Ethekwini
uThungulu	Nkandla
uMshwathi	uMhlathuze
Ntambanana	uMfolozi
Mandeni	KwaDukuza
Ndwedwe	Maphumulo

Aurecon South Africa (Pty) Ltd has been appointed by Eskom Holdings Limited as the Independent Environmental Consultants to undertake the Environmental Impact Assessment (EIA) study required by the competent authority. The process will investigate if there are any potential significant positive and negative impacts, and make recommendations to mitigate negative impacts associated with the construction of 2x400kV transmission lines. The study will include the investigation of three potential corridors for the transmission line.

If you would like to raise any issues or concerns, or to register as an Interested and Affected Party, please submit your name, contact information and comments to Dinso Kwiti at Aurecon PO Box 905 Pretoria 0001 South Africa. Tel +27-12-427 5972; Fax +27-86-665-3273 or email dinso.kwiti@aurecongroup.com on or before 30 March 2011. The Background Information Document can be downloaded from the Aurecon website: http://www.aurecon-southafrica.com/. And on Eskom's website: www.eskom.co.za/ia
