

Heritage Assessment Study: Terms of Reference

The terms of reference applicable to the heritage specialist report includes the following:

1. Provide a baseline assessment of the study area.
2. Provide information to inform the selection of the preferred site options for the EIA Report.
3. Identify the heritage sites found in the study areas.
4. Identify and provide mitigation measures for each impact.
5. Identify and address any other aspects related to heritage in the study area that should be incorporated into the Heritage Basic Assessment report.
6. Produce a draft Heritage Basic Assessment report for review by SiVEST and a final report incorporating SiVEST's comments thereafter.
7. Detailed heritage mitigation measures for inclusion into the EMP to guide the construction and operation activities.
