In terms of GNR 982 (EIA process regulations) I disclose below any direct business, financial, personal or other interest that I may have in the approval or refusal of the application: YES OR NO			
COMMENTS (please use separate sheets if you wish)			
I suggest that the following issues of concern be investigated in the EIA:	How the corridors will affect Proposed renewable energy facilities in the area.		
I suggest the following for the EIA process and / or the public participation process: Any other comments:	Engage with the developers of renewable energy facilities in the area as the corridors may transverse their proposed facilities		
Please ask the following of my colleagues/friends to register as I&APs for this EIA
