- Eskom, Environmental Management, Megawatt Park, EIA COE Manager, For attention: Mr Tobele Bokwe
- Eskom Western Cape Operating Unit: Land Development, Senior Clerk Land & Rights, for attention: Ms Rochelle Mc Pherson

- Eskom Holdings Ltd: The Chief Advisor - Land and Rights: For attention Ms Bronwyn Stolp and/or Ms Tinkie Holl

RE: ESKOM DAGBREEK BYPASS PROJECT: NOTIFICATION OF PROJECT and SUBMISSION OF DRAFT BASIC ASSESSMENT REPORT FOR PUBLIC COMMENT

The Eskom Dagbreek Bypass Project entails the connection of two power lines which is on either side of a railway line by means of an approximate 380 meter 66kV bypass power line. A 140m wide route corridor is being investigated (70m on both sides of the proposed bypass power line) to be approved by the Department of Environmental Affairs. The study area is north of Wellington and close to the small town of Hermon, directly east of the R44 road in the Western Cape.

You are thus notified of the application for environmental authorisation and are also invited to participate in the Public Participation Programme that is being undertaken as part of this impact assessment process.

The Draft Basic Assessment Report (BAR) was compiled and is now available for public input. Attached herewith please find the Draft BAR as well as the Draft Environmental Management Plan for your perusal. The entire document inclusive of all the addendums can also be accessed via the following link:

<https://www.dropbox.com/sh/l8daxj3br0tv385/AACxW-5bLAqxhgWtLgMbDplea?dl=0>

Please do not hesitate to contact us should there be any difficulty in accessing information via this link.

Should you have any comments, please provide us with a written version thereof on or before 30 days (excluding public holidays) from the date of this email.

We trust that you find this in order, but please do not hesitate to contact this office should you have any further enquiries in connection with this project.

Dear Nonyameko

I have just tried to upload the HIA report but, once again, the website 'froze' so the upload was not completed. The website is exceptionally slow and very frustrating to work with. The BAR and EMP is on SAHRIS and the HIA Report is attached to this email.

We trust that this is now in order and that you are in a position to provide us with the required comment.

Dear Nokukhanya

Please note that a new case for your comment was uploaded on SAHRIS; the Eskom Chemie Project.

The SAHRIS website however did not allow us to 'Create Heritage Reports' and when we tried to upload the BAR under 'Additional Documents', the website didn't allow us to upload that document as well, even after waiting for 15 minutes.

We therefore attached the HIA, Draft BAR and EMP in two separate emails for your perusal and comment.

Should you have any comments, please provide us with a written version thereof on or before 30 days (excluding public holidays) from the date of this email.

Note

According to Chapter 2, Section 3(4) of the NEMA 2014 EIA Regulations the following applies:

- *When a State department is requested to comment in terms of these Regulations, such State department must submit its comments in writing within 30 days from the date on which it was requested to submit comments and if such State department fails to submit comments within such 30 days, it will be regarded that such State department has no comments.*

RE: ESKOM DAGBREEK BYPASS PROJECT: NOTIFICATION OF PROJECT and SUBMISSION OF DRAFT BASIC ASSESSMENT REPORT FOR PUBLIC COMMENT

The Eskom Dagbreek Bypass Project entails the connection of two power lines which is on either side of a railway line by means of an approximate 380 meter 66kV bypass power line. A 140m wide route corridor is being investigated (70m on both sides of the proposed bypass power line) to be approved by the Department of Environmental Affairs. The study area is north of Wellington and close to the small town of Hermon, directly east of the R44 road in the Western Cape.

You are thus notified of the application for environmental authorisation and are also invited to participate in the Public Participation Programme that is being undertaken as part of this impact assessment process.

The Draft Basic Assessment Report (BAR) was compiled and is now available for public input. Attached herewith please find the Draft BAR as well as the Draft Environmental Management Plan for your perusal. The entire document inclusive of all the addendums can also be accessed via the following link:

<https://www.dropbox.com/sh/l8daxj3br0tv385/AACxW-5bLAqxhqWtLgMbDplea?dl=0>

Please do not hesitate to contact us should there be any difficulty in accessing information via this link.

Dear Sir

RE: ESKOM DAGBREEK BYPASS PROJECT: NOTIFICATION OF PROJECT and SUBMISSION OF DRAFT BASIC ASSESSMENT REPORT FOR PUBLIC COMMENT

FOR ATTENTION: INTERESTED AND AFFECTED PARTIES (*GENERAL STAKEHOLDER*)

- Hermon Landbouvereeniging, for attention: Mr Nelius van Santen

The Eskom Dagbreek Bypass Project entails the connection of two power lines which is on either side of a railway line by means of an approximate 380 meter 66kV bypass power line. A 140m wide route corridor is being investigated (70m on both sides of the proposed bypass power line) to be approved by the Department of Environmental Affairs. The study area is north of Wellington and close to the small town of Hermon, directly east of the R44 road in the Western Cape.

You are thus notified of the application for environmental authorisation and are also invited to participate in the Public Participation Programme that is being undertaken as part of this impact assessment process.

The Draft Basic Assessment Report (BAR) was compiled and is now available for public input. Attached herewith please find the Draft BAR as well as the Draft Environmental Management Plan for your perusal. The entire document inclusive of all the addendums can also be accessed via the following link:

<https://www.dropbox.com/sh/l8daxj3br0tv385/AACxW-5bLAqxhgWtLgMbDplea?dl=0>

Please do not hesitate to contact us should there be any difficulty in accessing information via this link.

Should you have any comments, please provide us with a written version thereof on or before 30 days (excluding public holidays) from the date of this email.

We trust that you find this in order, but please do not hesitate to contact this office should you have any further enquiries in connection with this project.
