

ENVIRONMENTAL IMPACT ASSESSMENTS

Availability of Environmental Impact Reports for the proposed Matimba B Transmission Integration Projects: 1 x 400 kV transmission power line from Matimba B (Medupi) power station to Marang substation and 2 x 400 kV transmission power lines from Medupi power station to Dinaledi substation via Spitskop substation
DEAT Ref no: 12/12/20/794, 12/12/20/793

Eskom Holdings Limited (Transmission Services) is proposing to construct 1 x 400 kV transmission power line from Matimba B (Medupi) power station to Marang substation (near Rustenburg) and 2 x 400 kV transmission power lines from Medupi power station to Dinaledi substation (near Brits) via Spitskop substation (near Northam).

Responses to issues of concern and comments received both during the Scoping Phase and the Environmental Impact Phase, together with the findings of the specialist studies have now been collated into Environmental Impact Reports (EIR). These documents are now available for public review. Interested and affected parties are now requested to review these documents from **Thursday 21 June 2007 to Friday 24 August 2007** at the following locations:

Eskom Holdings Limited (Transmissie Afdeling) beplan om 1 x 400 kV transmissie kraglyn te bou vanaf Matimba B (Medupi) kragstasie tot by Marang substasie (naby Rustenburg) en 2 x 400 kV transmissie kraglyne te bou vanaf Medupi kragstasie tot by Dinaledi substasie (naby Brits) via Spitskop substasie (naby Northam).

Antwoorde op kwessies en kommentaar ontvang gedurende die Bestekopname Fase en die Omgewingsimpak Fase, tesame met die bevindinge van die spesialiste is nou vervat in Omgewingsimpak Verslae. Hierdie verslae is nou beskikbaar vir publieke kommentaar. Geaffekteerde en belanghebbende partye kan hierdie dokumente nou nagaan vanaf **Donderdag 21 Junie 2007 to Vrydag 24 Augustus 2007** by die volgende lokale:

Eskom Holdings Limited (Transmissions) e tshisinyo go thloma 1 x 400 kV terangsemishene ya mela ya matla go tswa mo seteisheneng sa matla sa Matimba B (Medupi) go ya ko seteisheneng sa Marang (gaufi le Rustenburg) le 2 x 400 kV terangsimishene ya mela ya matla go tswa ko seteisheneng sa matla sa Medupi go ya ko seteisheneng sa Dinaledi (gaufi le Brits) go getela ko seteisheneng sa Spitskop (gaufi le Northam).
