Dear Ms Ball

ACCEPTANCE OF A PLAN OF STUDY FOR SCOPING: PERSEUS-HYDRA 765KV, PERSEUS-BETA 765KV AND ASSOCIATED SUBSTATION INFRASTRUCTURE

I refer to the plan of study for scoping you have submitted to this department in fulfilment of the requirements of the Environment Conservation Act, 1989 (Act No. 73 of 1989).

This department in consultation with the Free State Department of Tourism, Environmental and economic Affairs and the Northern Cape Department of Tourism, Environment and Conservation have evaluated the above-mentioned plan of study and is satisfied that the plan complies with the requirements of GN No. R.1183 of 5 September 1997. The plan is hereby, accepted. Your organisation is advised to submit a scoping report to the authorities for review and acceptance.

However, informed by the nature of the environmental setting to be traversed, and after consulting the above-mentioned provincial authorities, the scoping report should among others include the following:

1. Map clearly indicating the status quo of land use activities on the proposed route,
2. The public participation process that satisfies the requirements of Government Notice No. R.1183.

Yours sincerely

Ms Pam Yako
Director - General
Department of Environmental Affairs and Tourism
