Sir

OPEN CYCLE GAS TURBINE MOSSEL BAY :

Your request during your visit to our office regarding water delivery to your plant refers.

Mossel Bay Municipality will supply water for the processes towards electricity supply as stated in your request, to your plants next to PetroSA, namely 90 and 60 kl potable water respectively per month, towards the old and the new gas turbine plant.

We trust that this letter will be sufficient proof of our commitment towards this development.

Yours faithfully

DIRECTOR : TECHNICAL SERVICES
