**ENVIRONMENTAL IMPACT ASSESSMENT:  
PROPOSED COAL-FIRED POWER STATION AND  
ASSOCIATED INFRASTRUCTURE IN THE WITBANK AREA**

You are invited to attend the open house and public meetings that will be hosted at Witbank, Phola and Kendaal in late November 2006. The purpose of these meetings is to provide an opportunity for the public to familiarise themselves with the findings of the Draft Environmental Impact Report. Further, it is an opportunity for interested parties to raise issues that they would like addressed before completion of the process.

DATE	VENUE	TIME
28 Nov 2006	El Telo Conference Centre, on R545 Balmoral Road near Kendaal Power Station	Open House 15h00 to 18h00 Public Meeting 18h00 to 20h00
28 Nov 2006	Mahlwane High School, Phola Mikhaalbe straat 1673	Open House 10h00 to 14h00
28 Nov 2006	Protea Hotel, 167 Jellicoe Street, Witbank	Open House 16h00 to 18h00 Public Meeting 18h00 to 20h00

A copy of the Draft Environmental Impact Report will be available from 21 Nov 2006 for public review at Witbank Public Library, Phola Public Library, Nelspruit Public Library, Johannesburg Public Library and the Kungwini and Delmas Municipal Offices. It is also available for download from the Eskom website ([www.eskom.co.za/ela](http://www.eskom.co.za/ela)) and the Ninham Shand website ([www.ninhamshand.co.za](http://www.ninhamshand.co.za)). To access the report on the Ninham Shand website, click on the "Hot Topics" button on the home page.

If you would like to comment on the report, or register as an interested and affected party, please submit your name, contact information and comments to Ninham Shand Tel: 021-461 2400 Fax: (021) 424 5586 or [enviro@shanda.co.za](mailto:enviro@shanda.co.za) attention Lindwe Gaika or Karen Shippey

This notice is in terms of Regulation 4(1) of the regulations published in Government Notice No. R. 1193, as amended, under Section 26 of the Environmental Conservation Act (Act No. 73 of 1989) of the intention to carry out the following activity: The construction of a coal-fired power station and associated infrastructure in the Witbank geographical area.
