Subject: RE: request for CDs of Elreport for Thuyspunt lines

Hi Nicolene

My request is in response to a recent advert in our local "The Milkwoodspeaks" which offered CDs on the EIA for the Thuyspunt lines. I wrote to the other 2 email addresses advertised – both failed so I suggest the advert be amended.

I would appreciate the deliver of 3 copies (ie 3 CDs) of the latest ElReport which your company has recently advertised – if there is a revised version, subsequent to the Draft version, clearly I would like to receive the most up to date version. This is a very slow response to a very simple request.

Regards

Shirley Cowling

Dear Shirley

Thank you for your e-mail below. Are you requesting 3 copies of the Draft EIR? Please be informed that the Revised DEIR will be distributed shortly and I would like to enquire whether we can drop off the 3 copies of the DEIR (CDs)?

Kind regards
