Subject: EIA: Proposed Thyspunt Transmission Lines Integration Project - Stakeholder update (database)
Attachments: Dept of Water Affairs.pdf
Importance: High

Dear Stakeholders

SiVEST is in the process of updating the proposed Thyspunt Transmission Lines Integration Project database to ensure that comments on the Revised DEIR from the relevant Dept of Water Affairs Offices are obtained. With our recent notification (send on Thursday 20 September 2012) of the availability of the Revised DEIR some of DWA's e-mails were returned as undelivered.

Would you please be so kind as to confirm and/or assist us with the following:

- Are the representatives from DWA (National and Regional Office) still the correct representatives
- Are the contact details correct
- Are there any other DWA Official that we need to obtain comments on the Revised DEIR from
(Please refer to attached spreadsheet)

We are looking forward to hear from you at your earliest convenience.

Kind regards
