**Cc:** 'Rebecca Thomas'  
**Subject:** EIA: Thyspunt Transmission Lines Integration Project - DWA Comments (Eastern Cape Regional Office)

**Importance:** High

Dear Marissa

Thank you very much for your telephone call following up on the omission of the Dept of Water Affairs (DWA), Eastern Cape Regional Office, comment submitted last year November 2011.

As you've mentioned, DWA's comment was submitted on the [thuyspuntlines@sivest.co.za](mailto:thuyspuntlines@sivest.co.za) e-mail address and due to unforeseen circumstances SiVEST is not in possession of DWA's comments. It will be appreciated if you could forward those written comments to us and the team will work through the comments and confirm whether it is addressed in the Revised DEIR.

We would also like to send the Revised DEIR on DVD to your offices and would appreciate it if you could confirm who is the DWA Official that we need to address the DVD to. Also, if you believe that DWA prefer to work through the Revised DEIR on SiVEST's website (<http://www.sivest.co.za/Download.aspx> then scroll down to **9520 Eskom Thyspunt EIA**) then a DVD would not be send to your offices.

The DWA Official who previously received the DEIR on DVD was:

	Assistant		Dept of Water Affairs:		
Ms	Fourie	Lizna	Director	Water use Authorisation	Eastern Cape
					PO Box 7019
					EAST LON

We are looking forward to receive DWA commenting document.

Kind regards
