Subject: RE: Thyspunt Corridors

Hi Nicolene,

Based on the information received, one of the southern corridor alternatives traverses our site. Please could you overlay the attached shape file of our development boundary onto your drawings and send me the shape file of the corridor that is traversing our site (yellow line below). Please also send me the I&AP's communication for CEN and Jacobs Trust as listed in Appendix 12 on your website. I am unable to download this from the website due to an error. Jacobs Trust is the landowner and CEN is the environmental consultant on the project.
