Wendy to woo J-Bay

FOR Wendy Oldfield it all started with songs like This Boy, Living in the Real World and Acid Rain.

Her fans will have the chance to see her perform live at Potters Place on Friday. She first made a name for herself on radio by performing the hit This Boy with rock outfit The Sweatband in the early '80s. After her suc-

cess with songs like Tonight, Shape of Her Body, and years of touring and performing, she left the group to pursue her solo career.

Her first solo album Beautiful World set the wheels in motion for a succession of hits, male vocalist and a nomina-

including Real World, Acid

on the album won her the Octave Award in 1992 for best fe-

tion for song of the year. She supported Simply Red on their ŠA tour in 1999.

Shortly thereafter she released her fourth solo album On a Pale Blue Dot, which won the FNB pop album of the year award. Wendy's fifth

solo album, Holy Water, was released in 2002 Current pro-

jects include

recording two albums – one being with her band from the Garden Route. Friday's show is scheduled at 6.30pm for 8pm. For more information call (042)
