Dear Nicolene,

I refer to your e-mail below. The document titled: "Discussion document: community consultation meetings" dated 20 Jun - 24 Jun 2011 were send to the Thyspunt Alliance today. Since this is the closing date for the extended comment period, I will appreciate it if you can confirm if this document was included in the Draft EIAR. I will also appreciate it if you can indicate why the document is still in draft format since the meetings took place in 2011.

Best Regards

Dear Trudi

I've received a request from Rebecca to confirm whether the attached draft minutes have reached you – it is my understanding that it was e-mail on the 14th / 15th of December 2012.

Also, it is believed that these two sets of draft minutes were the last outstanding documents that you've requested?

Kind regards
