Good day Nicolene

Please can you advise as to the progress with the EIA for the Eskom nuclear power station itself (NOT the lines)?

Kind regards,

Rory Haschick: ECDC - East London

Dear Stakeholder

Please be informed that we have uploaded the latest environmental corridor maps for the proposed Thyspunt Transmission Lines Integration Project (TTLIP) onto the SiVEST website (<http://www.sivest.co.za/Download.aspx>). These maps were described in the EIA Newsletter distributed to all registered interested and/or affected parties (I&APs) in November 2009.

Our environmental specialists are in the process of finalising their specialist reports and we envisage that an EIA team recommended routing within these corridors will be completed shortly.

Kind regards

Beste Rolspeler

Graag stel ons u hiermee in kennis dat die onlangse omgewingsdeurgangkaart ("corridors") vir die voorgestelde Thyspunt Transmissiekraglyn Integrasieprojek (TTLIP) tans op ons webwerf (<http://www.sivest.co.za/Download.aspx>) beskikbaar is vir u aandag/inligting. Die kaartbeskrywings was deurgegee in die OIE Nuusbrief wat in November 2009 aan alle geregistreerde belanghebbende en/of geaffekteerde (B&GPe) deurgegee.

Ons omgewingspesialiste is in die proses om hul spesialisverslae te finaliseer en dit word verwag dat 'n aanbevole omgewingsroete binne die deurgange binnekort aangedui vooltooi sal wees.

Vriendelike groete

Joanne Turner
