Dear Nicolene

On inspection of your corridor, I see that it is unchanged from the original plan.  
Please be aware that this still crosses through the Jeffreys Bay Wind Farm.  
Can you assure me that the final path will not cross the site

Dear Stakeholder

As you are aware, SiVEST has advertised and notified registered interested and/or affected parties (I&APs) on the availability of the Revised Draft Environmental Impact Assessment Reports (Revised DEIR) review period.

Please find attached notification letter informing you that the Revised DEIRs' review period has been extended from Wednesday 31 October 2012 to **Wednesday 21<sup>st</sup> November 2012** (end of business day).

The EIA team is looking forward to your written comments on the Revised DEIRs.

Kind regards
