Faith
As telephonically discussed.
The corridors are fine relating to the Kruisfontein Township.
The attached image indicated the Kruisfontein Cemetery and the actual line needs to be moved \pm 250m to the west of the Cemetery.
Please contact Mr. Tom Smith from Eskom @ 0437072336 or smitht@eskom.co.za with regards to the other approved Eskom power line servitudes.

Dear Olivier,

As discussed please find attached Google image showing a portion of the proposed Thyspunt power lines in the Kruisfontein area. Please will you send us maps of planned housing developments in the area. More importantly, please confirm if there are any housing developments planned to the west of Kruisfontein. Your help is greatly appreciated.

Kind Regards
