Hi Brenda

With reference to your telephone call to Varsha from our offices, please be informed that we forwarded information to Clr Rautenbach as requested on the 7<sup>th</sup> of September 2010. There were numerous documents attached and we also informed the Clr that he can download the final Scoping Report from our website (<http://www.sivest.co.za/Download.aspx>), scroll to **9520 Eskom Thyspunt EIA: Thyspunt EIA: Thyspunt Final Scoping Report**.

For record purposes, we've received an e-mail from Clr Rautenbach (send to SiVEST's *info* e-mail address) that his e-mail address is [grautenbach@mandelametro.gov.za](mailto:grautenbach@mandelametro.gov.za) – we've updated the database accordingly and add the previous e-mail address ([Ward8@mandelametro.gov.za](mailto:Ward8@mandelametro.gov.za)) as an *alternative* e-mail.

If you have problems with the internet, please feel free to contact me and I will forward the public participation documents one at a time to you.

Kind regards

Hi Nicolene

I just received a call from Brenda on behalf of Councilor Rautenburg... she said they have emailed a few times and have not received a response (but Nicolene I remember you did send a response). She wants to know more about the project i.e route, what it entails etc. Email address is [Ward8@mandelametro.gov.za](mailto:Ward8@mandelametro.gov.za) .

Please can you check that the mail was sent to the correct address?

Thanks
