Request for proposal

Provision of catering services for the Kusile Power Station Project (Nkangala District)

Eskom Holdings SOC Limited invites you to submit a proposal for the preparation, packaging and distribution of meals at the dining halls on the Kusile Construction Site and the Kendal Contractor's Village for the Kusile Power Station through a request for proposal (RFP) process.

The reference dates for this RFP are:

| Tender No. | Issue Date | Closing Date | Contact Person |
|------------------|------------------|----------------|---|
| PS(K)2013/AVJ/01 | January 31, 2013 | March 15, 2013 | Anton van Jaarsveld Tel +27 13 699 7087 E-mail: VJaarsA@eskom.co.za |

A clarification meeting will be held on February 13, 2013 at 07:30 at the Main Canteen Building, Kusile Power Station, off R545 Kendal/Balmora/Ogies Road, Hartbeesfontein Farm, Witbank, 1035.

Set aside for Black Owned companies.

Eskom has set aside the Kusile catering services for an Nkangala based entity with a Broad-Based Black Economic Empowerment recognition level (B-BBEE recognition level) of at least 4 and Black Ownership of more than 50%. Entities outside the Nkangala District area are required to form joint ventures which must be made up of at least one entity from the Nkangala District area being 100% Black Owned and both joint venture entities must have a B-BBEE recognition level of at least 4. Further criteria will be listed in the Enquiry document.

Should you wish to participate in the tender process, please visit the website of Eskom Holdings SOC Limited by going on the following link: <http://mp2mas17.eskom.co.za/tenderbulletin/search.asp>

Eskom reserves the right not to award this tender to the highest ranked or highest scoring tenderer, as it needs to leverage and align its procurement practices to driving socio-economic development objectives that are enshrined in various government policies such as the B-BBEE Industrial Policy Action Plan and the New Growth Path. Preference will be given to respondents who score high in these areas. For further details on Eskom's transformation objectives, please refer to the Eskom Supply Chain Policy 37-1033 on the following link: <http://www.eskom.co.za/efi/eskom-purchasing/policies/>

Eskom Holdings SOC Limited Reg No 2002/01/552706

Notification of Environmental Impact Assessment in support of Application for a Waste Management Licence, Komati Power Station

Eskom Holdings SOC Ltd re-commissioned the Komati Power Station in Mpumalanga Province which can produce up to 970 MVV of electricity. The combustion of coal at Power Stations produces ash that requires disposal. At Komati Power Station a wet-ashing system is used and the ash is deposited as slurry in engineered ash disposal facilities. The existing ash disposal facilities at Komati do not have sufficient capacity for the planned life of the station and it was therefore necessary to develop an additional ash disposal facility.

Eskom identified Ash Dam Extension 3 as a feasible solution to provide ash disposal capacity until the end of life of the Power Station. In August 2008 Eskom was granted a positive record of decision (RoD) for the construction and operation of Ash Dam Extension 3 in terms of the National Environmental Management Act, No 107 of 1998 (NEMA) and the 2006 EIA Regulations. Ash Dam Extension 3 was constructed between February 2009 and November 2010. Ash disposal in the ash dam has not yet commenced.

In July 2009 the National Environmental Management Waste Act, No. 59 of 2008 (NEMWA) was enacted. The NEMWA introduced new legal requirements for waste disposal, including ash from electricity generation. The disposal of waste to land requires a waste management licence in terms of the NEMWA (GNR 718, 3 July 2009). The Department of Environmental Affairs advised Eskom that a waste management licence is required for the operation of Ash Dam Extension 3 as the facility was not operational at the time that the NEMWA was enacted.

Eskom submitted an application to the Department of Environmental Affairs for a waste management licence (Ref: 12/9/11/L1010/6). Scoping and Environmental Impact Assessment process, as stipulated in the EIA Regulations (GNR 543, 18 June 2010) made under Section 24(5) of the NEMA, is required to support the application. Synergistics Environmental Services (Pty) Ltd has been appointed as the independent environmental assessment practitioner and will undertake the work required to inform the waste management licence in terms of the NEMWA.

Eskom applied to the Department of Environmental Affairs for exemption from some provisions of the 2010 EIA Regulations on the basis that Ash Dam Extension 3 was previously subjected to a scoping and EIA process, that a positive RoD was obtained and that the ash disposal facility has been constructed. On 23 January 2013 the Department granted exemption from the scoping process and approved a 31 day public commenting period. Interested and affected parties are advised that a Scoping Report will not be produced. An updated Environmental Impact Assessment report will be made available to registered interested and affected parties for review and comment from 25 February 2013 until 15 March 2013.

To receive further information on the project you must register as an interested and affected party. To do so, or to raise any environmental concerns regarding the project, please contact: **Matthew Hemming of Synergistics Environmental Services:**

ENVIRONMENTAL IMPACT ASSESSMENT (MDEDET: 17/2/2N-41) (NEAS REF NO: MPP/EIA/0000181/2014)

ENVIRONMENTAL AUTHORISATION GRANTED

NEW LARGO COLLIERY

The Mpumalanga Department of Economic Development, Environment and Tourism (MDEDET) has granted Environmental Authorisation for the New Largo Colliery to Anglo American Inyosi Coal (Pty) Ltd.

A copy of the Authorisation is available from:
Patiswa Mngokoyi
Zitholele Consulting
P O Box 6002,
Halfway House, 1685
Tel: (011) 207 2074
Fax: 086 676 9950
Email: patiswam@zitholele.co.za

Stakeholders may lodge an appeal against this decision at the MDEDET in terms of Chapter 7 of the Environmental Impact Assessment Regulations (2010).

Should you wish to appeal the decision you should lodge a Notice of Intent to Appeal with the MEC of MDEDET by 7 February 2013 by means of the following methods:

POST: Private Bag X11215, Nelspruit, 1200;
FAX: (013) 766 4614; or
BY HAND: Building 4, No. 7, Government Boulevard, Riverside Park Extension, Nelspruit, 1200

INVITATION TO REGISTER ON THE SUPPLIER DATABASE OF SFF POLLUTION CONTROL

Invitation is extended to all service providers who are interested to register to become Preferred Suppliers on the SFF POLLUTION CONTROL Supplier Database, thereby enabling SFF POLLUTION CONTROL in Ogies to procure goods and services from the Preferred Suppliers in Mkhaheni, Middleburg and Ogies. All existing service providers are also invited to register.

Suppliers need to submit an original copy of a valid Tax Clearance Certificate, proof of company/co-operation registration (where applicable), company profile including details of company shareholders and copies of their identification documents.

Potential suppliers are required to disclose B-BBEE (Broad-Based Black Economic Empowerment) credentials and should clearly indicate if they have an office in Mkhaheni, Middleburg and Ogies, stipulate the locality of their business.

Suppliers and vendors are advised to provide a clear description of their services and products to their companies, Supplier registration documents must be submitted to the Procurement Department, for the attention of Mr Refilwe Motale, in a sealed envelope marked "SFF Association Supplier Database". All service providers who are currently working with SFF POLLUTION CONTROL must also register.

Address details:
SFF Pollution Control Ogies,
Reg. No. 1964/010277/08
Wakelied Road, Ogies, 2230
Tel: 013 492 0113 | Fax: 065 511 4226

SFF is committed to the provisions of the Procurement Policy Framework Act 5 of 2000; Public Finance Management Act 29 of 1999; and the Supply Chain Management Framework Act of 2005. Responding to this invitation does not mean an automatic registration. Preference will be given to suppliers / vendors who are in compliance with the Preferential Procurement Policy Framework Act (Act 5 of 2000).

Enquiries can be directed to: Ms N Myburgh, telephone no: 021 912 1600 or e-mail: nomsam@telgoue.co.za

Take note that only original registration forms will be accepted and neither faxed nor e-mailed forms will be accepted.
