Dear Interested and/or Affected Party

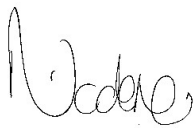

**ENVIRONMENTAL IMPACT ASSESSMENT: PROPOSED THYSPUNT TRANSMISSION
LINES INTEGRATION PROJECT (TTLIP)**

• **RESTART OF IMPACT PHASE OF THE ENVIRONMENTAL IMPACT ASSESSMENT**

This letter serves to inform you that following Eskom Holdings internal strategic meeting, SiVEST has been informed that the impact phase of the Environmental Impact Assessment (EIA) for the above mentioned proposed project is commencing with immediate effect. As a result, the specialists will recommence with their specialist environmental work in their respective fields of study.

We look forward to a constructive consultation process with you and reiterate that your input in this process is highly valued and appreciated.

Kind regards
