**REPLY FORM: KwaNobuhle Public Meeting  
(12 May 2009)**

Dear Resident

Please find enclosed herewith TTLIP EIA Newsletter. As you may recall we sent our appreciation for your attendance to the meeting that was held at Jeff Masemola Community Hall, KwaNobuhle, on Tuesday, 12 May 2009. We attached copy of the draft Public Meeting Minutes and requested you to read through to make sure that comments raised at the meeting were in the draft minutes.

However we have not received feedback from you, and also in light of what had transpired at the Public Meeting (you thinking the meeting was about job opportunities), henceforth we would like to request that you indicate if you still wish to receive further information regarding the proposed project.

**Please note:** The information that you will receive will only relate to the environmental investigations – of which social impacts e.g. your health and safety during construction and operational phase are investigated. Future information will not include **possible job opportunities** as this can only be addressed by Eskom directly.

**IF YOU WISH TO RECEIVE FURTHER INFORMATION REGARDING THIS PROPOSED PROJECT, PLEASE INDICATE SO (sign) BELOW AND DROP THE FORM IN THE BOX PROVIDED FOR THIS PURPOSE, BEFORE FRIDAY, 29 JANUARY 2009 AT THE FOLLOWING PUBLIC PLACES:**
