Subject: FW: Updated EIA Team-preferred Route Alignment Maps available - Proposed Eskom Transmission Power Lines

Dear Vanessa

I refer to previous correspondence regarding the proposed route of the power lines. Please submit a formal application in terms of section 53 of the Mineral Resources Development Act, 28 of 2002, to this office (Department of Mineral Resources) in the format as provided in the SAMRAD on line system on the web site of the Department. (www.dmr.gov.za) Please note that currently the application cannot be lodged on-line, however, the guidelines and templates that are available on the system must be used. Please ensure that a list of all affected farms with their registration numbers is included.

Regards

Samuel van den Berg
