NOTICE NUMBER : 33/2019

NOTICE OF AMENDMENT OF AN EXEMPTION AUTHORISATION FOR THE CONTINUOUS ASH DISPOSAL FACILITY AT KENDAL POWER STATION

An integrated Environmental Authorisation (IEA) was granted to Eskom Holdings SOC Ltd (Eskom), on the 28th of July 2015 for the continuous Ash Disposal Facility (ADF) at Kendal Power Station in Mpumalanga. One of the conditions of the IEA is that the ADF should be lined with a Class C liner. Eskom applied for exemption to dispose of ash on the first phase of the approved footprint without a liner, this was for the transitional period while the liner is constructed. The exemption was granted on 5 May 2016 for Eskom to ash without a lining until 5 May 2020, for a period of 4 years. Eskom intends to extend the exemption authorisation to continue ashing on the exempted area until the exempted footprint is covered with ash, in order to proceed to the lined area.

Eskom appointed, Green Gold Group (Pty) Ltd to undertake the Part 2 Amendment process on their behalf in accordance with Chapter 5 of NEMA EIA regulations of 2014, as amended. The application will be submitted to the competent authority according to Regulation 29 and is deemed substantive in terms Regulation 31, which states;

Amendments to be applied for in terms of Part 2

An environmental authorisation may be amended by following the process prescribed in this Part if the amendment will result in a change to the scope of a valid environmental authorisation where such change will result in an increased level or change in the nature of impact where such level or change in nature of impact was not—

(a) assessed and included in the initial application for environmental authorisation; or
 (b) taken into consideration in the initial environmental authorisation; and the change does not, on its own, constitute a listed or specified activity.

As an Interested & Affected Party (I&AP), you are invited to express interest and participate in the Public Participation Process (PPP). The registration period commences on **26 August 2019**. In order to participate or to obtain further information, please contact Green Gold Group, EIAs at **P.O. Box 65384, Erasmusrand, 0165, Pretoria.**
Tel: 082 854 9538 Email: EIAs@greengoldgroup.co.za, on or before 26 September 2019.
