Dear PD du Plooy

NOTICE OF AMENDMENT OF ENVIRONMENTAL AUTHORISATION FOR THE PROPOSED ±130KM ESKOM FOSKOR – MERENSKY POWERLINE FROM 275KV TO 400KV AND ASSOCIATED SUBSTATION WORKS WITHIN THE MOPANI AND SEKHUKHUNE DISTRICT MUNICIPALITIES IN THE LIMPOPO PROVINCE

Notice is hereby given in terms of Regulation 41 (2) of the Environmental Impact Assessment (EIA) Regulations of December 2014, published in terms of Chapter 5 of the National Environmental Management Act, 1998 (Act No. 107 of 1998) for the purpose of applying for Environmental Authorisation for the aforementioned activity.

This letter serves to inform you that the Department of Environmental Affairs issued Eskom Holdings SOC Limited (Eskom) with an Environmental Authorisation (EA) for construction of ±130KM Foskor – Merensky 275kV powerline and associated substation works on 18 June 2013 with reference number 12/12/20/2411. Subsequently Eskom proposes to amend the EA in order to increase the powerline capacity from 275kV to 400kV. The proposed powerline will be built at 400kV specification and operated at 275kV.

The project will follow the process stipulated under Chapter 5, Part 2 of the EIA Regulations of December 2014. The proposed powerline will traverse various farms within the Mopani and Sekhukhune District Municipalities in the Limpopo Province.

As a pre-identified stakeholder, your organisation is invited to submit any comments relating to this project to the contact details below within 30 days from the date of this letter.

This letter serves to inform you that the Department of Environmental Affairs issued Eskom Holdings SOC Limited (Eskom) with an Environmental Authorisation (EA) for construction of ±130KM Foskor – Merensky 275kV powerline and associated substation works on 18 June 2013 with reference number 12/12/20/2411. Subsequently Eskom proposes to amend the EA in order to increase the powerline capacity from 275kV to 400kV. The proposed powerline will be built at 400kV specification and operated at 275kV.

The project will follow the process stipulated under Chapter 5, Part 2 of the EIA Regulations of December 2014. The proposed powerline will traverse various farms within the Mopani and Sekhukhune District Municipalities in the Limpopo Province.

As a pre-identified stakeholder, your organisation is invited to submit any comments relating to this project to the contact details below within 30 days from the date of this letter.
