

Dear Interested and/or Affected Party

INVITATION TO PARTICIPATE: ENVIRONMENTAL IMPACT ASSESSMENT FOR THE PROPOSED WESKUSFLEUR SUBSTATION IN THE VICINITY OF KOEBERG POWER STATION, WESTERN CAPE PROVINCE. (DEA Ref No: 14/12/16/3/3/2/508, NEAS Ref No: DEA/EIA/0001780/2013)

Lidwala Consulting Engineers (SA) (Pty) Ltd (:Lidwala SA) has been appointed by Eskom Holdings SOC Limited (Eskom) to conduct an Environmental Impact Assessment (EIA) in terms of Government Notices GNR 543, 544 and 545 of the National Environmental Management Act, Act No. 107 of 1998, (NEMA). The proposed Weskusfleur substation in the vicinity of Koeberg Power Station is registered with the Department of Environmental Affairs (DEA) under reference number DEA 14/12/16/3/3/2/508.

The proposed project includes the development of the new Weskusfleur substation in the vicinity of Koeberg Power Station. The 400kV GIS Substation that is and has been in operation for the past 30 years is difficult to repair due to discontinued technology and this compromises its reliability. There is also no space for additional 132 kV feeder bays at Koeberg substation to accommodate future requirements for new lines. The appended Background Information Document (BID) contains more information on the proposed project – see attached.

Eskom must obtain an environmental authorisation and required licences before commencing with the proposed project as required in terms of the provisions of the NEMA and other legislation. In order to obtain the authorisation and licences an Environmental Impact Assessment (EIA) needs to be undertaken. The EIA will include a scoping process, expected completion by end July 2013, followed by the Impact Assessment, expected completion by the end of March 2014. The public participation process will be conducted by Lidwala SA.

The project team would like to invite you, as an interested and/or affected party (I&AP), to become part of the EIA and public participation (PP) processes for the proposed project. The aim of this process is to ensure that the environmental impacts associated with the project are taken into consideration and mitigated, to ensure public input in decision making and to provide decision-makers with sufficient information to make an informed decision on the proposed activities associated with the project.

YOUR COMMENT IS IMPORTANT

You are invited to formally register as an interested and/or affected party (I&AP) and to participate in the EIA process by completing the registration and comment form enclosed with the BID. You are welcome to comment on the BID in any of the following ways:

- Submitting your completed registration and comment form to us
- Writing a letter to be received by us
- By e-mail, fax or phoning the public participation office.

Geagte Belangstellende en/of Geaffekteerde Party

UITNODIGING VIR DEELNAME: OMGEWINGSIMPAKSTUDIE VIR DIE VOORGESTELDE WESKUSFLEUR SUBSTASIE IN DIE OMGEWING VAN KOEBERG KRAGSTASIE, WES-KAAP PROVINSIE

(DEA Verw. No: 14/12/16/3/3/2/508, NEAS Verw. No: DEA/EIA/0001780/2013)

Lidwala Raadgewende Ingenieurs (SA) (Edms) Bpk (Lidwala SA) is deur Eskom Holdings SOC Limited (Eskom) aangestel om 'n Omgewingsimpakstudie (OIS) te onderneem, in terme van die Staatskennisgewing R543,R544 en R545 van die Nasionale Wet op Omgewingsbestuur (NEMA, Wet 107 van 1998). Die voorgestelde Weskusfleur substasie in die omgewing van Koeberg Kragstasie is geregistreer by die Departement van Omgewingsake (DEA) onder verwysingsnommer DEA 14/12/16/3/3/2/508.

Die voorgestelde projek behels die ontwikkeling van die nuwe Weskusfleur substasie in die omgewing van Koeberg Kragstasie. Die huidige 400kV GIS substasie is huidigelik alreeds in werking vir die afgelope 30 jaaren is moeilik om te herstel as gevolg van beëindigde tegnologie en dit benadeel sy betroubaarheid. Daar is ook geen ruimte vir bykomende 132kV voerderlokale by Koeberg substasie om toekomstige vereistes van nuwe lyne te akkommodeer nie. Die aangehegte Agtergrondinligtingsdokument (AID) bevat meer inligting oor die voorgestelde projek.

Eskom moet 'n Omgewingsmagtiging en vereiste lisensies bekom voor die aanvang van die voorgestelde projek, soos vereis in terme van die bepalings van die NEMA en ander toepaslikewetgewing. Ten einde 'n omgewingsmagtiging en lisensies te verkry, moet 'n Omgewingsimpakstudie (OIS) onderneem word. Die OIS sal insluit 'n bestekopname proses, wat na verwagting voltooi sal wees teen einde Julie 2013, gevolg deur die Impak Assesseringstudie wat ook na verwagting teen einde Maart 2014 afgehandel sal wees. Lidwala SA sal die publieke deelname proses onderneem.

Die projek span wil u graag uitnooi om, as 'n belangstellende en/of geaffekteerde party (B&GP), betrokke te raak by die OIS en publieke deelname prosesse van die voorgestelde projek. Die doel van hierdie proses is om te verseker dat die omgewingsimpakte wat met die projek gepaardgaan, in ag geneem en versag word, om te verseker dat die publiek aktief betrokke is deur insette te lewer oor die voorgestelde projek en om te verseker dat besluitnemers oor voldoende inligting beskik om 'n ingeligte besluit te neem op die voorgestelde aktiwiteite wat verband hou met die projek.

U KOMMENTAAR IS BELANGRIK

U word hiermee uitgenooi om formeel te registreer as 'n belangstellende en/of geaffekteerde party (B&GP) en om deel te neem in die OIS-proses deur dievoltooiing van die registrasie en kommentaar vorm, ingesluit met die Agtergrondinligtingsdokument (AID). U is welkom om kommentaar te lewer oor die AID in enige van die volgende maniere:

- Deur U voltooië registrasie en kommentaar vorm in te dien by Lidwala SA
- 'n Brief te skryf en aan ons te rig
- Deur e-pos, faks of skakel die Publieke Deelname Kantoor

U word versoek om die registrasie en kommentaar vorm te gebruik om u voorkeur metode van kennisgewing en enige direkte besigheids of ander belange wat u mag hê in die Omgewingsmatiging proses, aan te dui. Verskeie geleenthede sal verskaf word tot u beskikking om bydraes te lewer tydens die OIS-proses binne die vasgestelde tydsraamwerke, en u sal vooraf kennisgewing van hierdie geleenthede ontvang nadat u geregistreer het.

Ons wil u graag vooruit bedank vir u deelname in die OIS en Publieke Deelname prosesse en sien daarna uit om u kommentaar te ontvang ten opsigte van die voorgestelde projek.

Dear Interested and/or Affected Party

INVITATION TO PARTICIPATE: PROPOSED NEW 400/132KV SUBSTATION (Weskusfleur Substation) IN THE VICINITY OF KOEBERG POWER STATION IN THE WESTERN CAPE PROVINCE: Draft Scoping Report

DEA Reference Number: 14/12/16/3/3/2/508
NEAS Reference: DEA/EIA/0001780/2013

In April 2013 notice was given in terms of the Environmental Impact Assessment (EIA) Regulations published in Government Notice R543 to R546 of 2 August 2010 in terms of Section 24 (5) of the National Environmental Management Act (Act No. 107 of 1998) (NEMA) that Eskom proposes to develop a new substation (Weskusfleur) in the vicinity of Koeberg Power Station.

Lidwala Consulting Engineers (SA) (Pty) Ltd has been appointed as the independent Environmental Assessment Practitioner to carry out the required EIA process, as well as to conduct the associated public consultation process.

The project team would like to invite you, as an interested and/or affected party (I&AP), to become part of the EIA and public participation (PP) processes for the proposed project. The aim of this process is to ensure that the environmental impacts associated with the project are taken into consideration and mitigated, to ensure public input in decision making and to provide decision-makers with sufficient information to make an informed decision on the proposed activities associated with the project.

YOUR COMMENT IS IMPORTANT

You are invited to formally register as an interested and/or affected party (I&AP) and to participate in the EIA process by completing the registration and comment form enclosed with the Background Information Document (BID). You are welcome to comment in any of the following ways:

- Submitting your completed registration and comment form to us on or before **Monday, 2 September 2013;**
- Writing a letter to be received by us on or before **Monday, 2 September 2013,** or
- By e-mail, fax or phoning the public participation office.

All individuals or groups interested in or affected by the project are invited to attend one of the public meetings to be held for this project. The public meetings will be held as follows:

Date	Type of Meeting	Time	Venue
13 August 2013	Public Meeting	17: 30 – 19: 00	Koeberg Visitors Centre
14 August 2013	Open Day	13: 00 – 19: 00	Koeberg Visitors Centre

Dear Stakeholders

PROPOSED WESKUSFLEUR SUBSTATION
DEA Reference Number: 14/12/16/3/3/2/508
NEAS Reference: DEA/EIA/0001780/2013

As you are aware, Lidwala Environmental is in the process of undertaking an Environmental Impact Assessment (EIA) for the proposed Weskusfleur substation in the vicinity of Koeberg Power Station, Western Cape Province.

We would like to take this opportunity to inform you that, in accordance with the National Environmental Management Act (NEMA), that the Draft Environmental Scoping Report (DESR) is available for public comment and review from **Wednesday, 24 July 2013** to **Monday, 02 September 2013** (end of business day).

For your convenience, please find attached herewith your notification of the availability of the DESR, an updated background information document (BID) and a comment form. The full report (including all appendices) is also available on Lidwala's website: <http://www.lidwala.com/> All comments can be directed to the Public Participation Office below:

Dear Stakeholders

PROPOSED WESKUSFLEUR SUBSTATION
DEA Reference Number: 14/12/16/3/3/2/508
NEAS Reference: DEA/EIA/0001780/2013

As you are aware, Lidwala Environmental is in the process of undertaking an Environmental Impact Assessment (EIA) for the proposed Weskusfleur substation in the vicinity of Koeberg Power Station, Western Cape Province.

We would like to take this opportunity to inform you that, in accordance with the National Environmental Management Act (NEMA), that the Draft Environmental Scoping Report (DESR) is available for public comment and review from **Wednesday, 24 July 2013** to **Monday, 02 September 2013** (end of business day).

For your convenience, please find attached herewith your notification of the availability of the DESR, an updated background information document (BID) and a comment form. The full report (including all appendices) is also available on Lidwala's website: <http://www.lidwala.com/> All comments can be directed to the Public Participation Office below:

Dear Stakeholder

PROPOSED WESKUSFLEUR SUBSTATION

DEA Reference Number: 14/12/16/3/3/2/508

NEAS Reference: DEA/EIA/0001780/2013

We would like to take this opportunity to inform you that, in accordance with the National Environmental Management Act (NEMA), Lidwala Consulting Engineers (SA) (Pty) Ltd is in the process of undertaking an Environmental Impact Assessment (EIA), for the Proposed Weskusfleur substation in the vicinity of Koeberg Power Station, Western Cape Province.

During our stakeholder consultation and engagement from 12 -14 August 2013 at Koeberg and surrounds it was decided to expand the database and include the stakeholders of the Koeberg Public Safety Information Forum (PSIF).

We would like to take this opportunity to inform you that, in accordance with the National Environmental Management Act (NEMA), that the Draft Environmental Scoping Report (DESR) is available for public comment and review from **Wednesday, 24 July 2013 to Monday, 02 September 2013** (end of business day).

For your convenience, please find attached Background Information Document (BID) and a Registration and Comment form. All registrations and comments can be directed to the Public Participation Office below:

You are invited to formally register as an interested and/or affected party (I&AP) and to participate in the EIA process by completing the registration and comment form enclosed with the Background Information Document (BID). You are welcome to comment in any of the following ways:

- Submitting your completed registration and comment form to us on or before Monday, 2 September 2013;
- Writing a letter to be received by us on or before Monday, 2 September 2013, or
- By e-mail, fax or phoning the public participation office.

The Draft Scoping Report for the proposed new 400/132KV substation (Weskusfleur) in the vicinity of Koeberg power Station in the Western Cape Province has been made available for public review at the following venues:

Venue	Working hours	Street Address	Contact No.
Koeberg Public Library	Mon, Wed, Fri: 10:00 - 17:00 Tue, Thu : 10:00 - 19:00 Sat: 10:00 - 13:00	Merchant Walk, Duynefontein, Melkbosstrand, 7441	021 553 2514
Milnerton Library	Mon, Tue, Wed: 10:00 - 20:00 Thu, Fri: 11:00 - 17:00 Sat: 09:30 - 12:30	Pienaar Road, Milnerton, 7441	021 444 0815
Wesfleur Public Library	Mon - Fri: 9:00 - 17:00 Sat: 09:00 - 12:00	Wesfleur Circle, Atlantis, 7349	021 572 7495
Koeberg Visitor Centre	Mon–Thurs: 07:30 – 16:30	R 27 Off West Coast Road	021 550 4667

Dear Stakeholder

PROPOSED WESKUSFLEUR SUBSTATION
DEA Reference Number: 14/12/16/3/3/2/508
NEAS Reference: DEA/EIA/0001780/2013

As you are aware, Lidwala Environmental is in the process of undertaking an Environmental Impact Assessment (EIA) for the proposed Weskusfleur substation in the vicinity of Koeberg Power Station, Western Cape Province.

We would like to take this opportunity to remind you that in accordance with the National Environmental Management Act (NEMA), that the Draft Environmental Scoping Report (DESR) is available for public comment and review from **Wednesday, 24 July 2013** until **Monday, 02 September 2013** (end of business day).

For your convenience, please find attached Background Information Document (BID) and a Registration and Comment form. All registrations and comments can be directed to the Public Participation Office below:

You are invited to formally register as an interested and/or affected party (I&AP) and to participate in the EIA process by completing the registration and comment form enclosed with the Background Information Document (BID). You are welcome to comment in any of the following ways:

- Submitting your completed registration and comment form to us on or before **Monday, 2 September 2013**;
- Writing a letter to be received by us on or before **Monday, 2 September 2013**, or
- By e-mail, fax or phoning the public participation office.

The Draft Scoping Report for the proposed new 400/132KV substation (Weskusfleur) in the vicinity of Koeberg power Station in the Western Cape Province has been made available for public review at the following venues:

Venue	Working hours	Street Address	Contact No.

Dear Stakeholder

PROPOSED WESKUSFLEUR SUBSTATION
DEA Reference Number: 14/12/16/3/3/2/508
NEAS Reference: DEA/EIA/0001780/2013

As you are aware, Lidwala Environmental is in the process of undertaking an Environmental Impact Assessment (EIA) for the proposed Weskusfleur substation in the vicinity of Koeberg Power Station, Western Cape Province.

We would like to take this opportunity to remind you that in accordance with the National Environmental Management Act (NEMA), that the Draft Environmental Scoping Report (DESR) is available for public comment and review from **Wednesday, 24 July 2013** until **Monday, 02 September 2013** (end of business day).

For your convenience, please find attached Background Information Document (BID) and a Registration and Comment form. All registrations and comments can be directed to the Public Participation Office below:

You are invited to formally register as an interested and/or affected party (I&AP) and to participate in the EIA process by completing the registration and comment form enclosed with the Background Information Document (BID). You are welcome to comment in any of the following ways:

- Submitting your completed registration and comment form to us on or before **Monday, 2 September 2013**;
- Writing a letter to be received by us on or before **Monday, 2 September 2013**, or
- By e-mail, fax or phoning the public participation office.
