COMMENTS (please use separate sheets if you wish)

I suggest that the following issues of concern be investigated in the EIA and WULA:

1. Has a survey been conducted in terms of ground water sources?
2. What will be the future impact of this survey on consumers and animals?
3. We are concerned about the wetlands. It must be protected.
4. We are concerned about noise, pollution, noise, biosecurity and security

In terms of GNR 385 (EIA process regulations) I disclose below any direct business, financial, personal or other interest that I may have in the approval or refusal of the application.

I am the owner of portion 3 Bessmannskraal Portiaan with cattle influencing me financially and personally.

COMMENTS (please use separate sheets if you wish)

I suggest that the following issues of concern be investigated in the EIA and WULA:

Alternative 2: Wetland that's gonna be disturbed.
 The bio-sensitivity of the area. Noise.
 Pollution of water, air and unobstructed view.

Any other comments:
 The passing through of people and equipment will have a direct influence on my farming.

Please ask the following of my colleagues/friends to register as I&APs for this EIA:

Ec. Wohltz 0832550090
