NOTICE OF AN ENVIRONMENTAL IMPACT ASSESSMENT AND APPLICATION FOR A WASTE LICENSE

DEA Ref No 12/12/20/1553

Proposed extension and licensing of the domestic waste disposal site at the Tutuka Power Station

Notice is hereby given, in terms of the Environmental Impact Assessment (EIA) Regulations, under Section 24 (5) of the National Environmental Management Act (NEMA), (Act No 107 of 1998) as published in GN R385, 386, 387 – Government Gazette No. 28753 of 21 April 2006, that an EIA is being undertaken for the proposed development. It is also propose to apply for a waste license under the Waste Regulations under Section 19 (1) of the National Environmental Management: Waste Act (NEM:WA), Act 59 of 2009.

The purpose of this study is to identify and evaluate issues of concern and potential environmental and social impacts, and propose feasible mitigation measures against such impacts. The objective of the assessment is to investigate the potential environmental and social impacts and issues of the proposed activity in support of an application for Environmental Authorisation and a waste license.
