<b>E-mail:</b>	LacockR@eskom.co.za

### 2.3 Details of Environmental Assessment Practitioner

Lidwala Consulting Engineers (SA) (Pty) Ltd (Lidwala) was appointed as the Environmental Assessment Practitioner (EAP) and has been commissioned by Eskom to undertake the EIA and WML licensing process, as per the National Environmental Management Act (Nr. 107 of 1998) and the National Environmental Management Waste Act (Nr. 59 of 2008).

Lidwala is an integrated group of highly trained scientists, project managers, engineers and GIS technicians, providing cost-effective solutions and specialist services in a wide range of disciplines. The multi-disciplinary consulting, management and design approach allows for the execution of projects in a holistic way, as this is believed to be the best environment to fully meet the needs of our clients.

In terms of environmental services, Lidwala provides environmental planning and management services in accordance with the Integrated Environmental Management (IEM) procedure, the EIA regulations required by the Department of Environmental Affairs (DEA), and other internationally recognised standards such as ISO 14000, the international standard for Environmental Management Systems.

The members of the environmental department comprises of a small yet experienced group of professional staff that have over 55 years combined experience. We offer a wide spectrum of environmental services including:

- Environmental Impact Assessments;
- Environmental Management Programmes and Plans;
- Environmental advisory services;
- Environmental monitoring and auditing;
- Environmental training;
- Mining Permits;
- Public participation;
- Environmental Management Systems;
- Strategic Environmental Assessments;
- Environmental Management Frameworks;
- Integrated Development Planning; and
- Geographical Information Systems.

Our team's combined experience in the environmental field ensures that we are able to successfully complete this project.

The CVs of the Project Director and Project Leader as well as the environmental scientists are available in **Appendix C**.
