

ENVIRONMENTAL IMPACT ASSESSMENT (EIA) PROCESS

Notice is given in terms of Regulation 56 of the regulations published in Government Notice No. R385 in terms of Chapter 5 of the National Environmental Management Act (Act No. 107 of 1998) of intent to carry out the following activity:

Construction of a 32m Telecommunication Mast at the Serumula Capacitor Bank Station on the Farm Koppiesfontein, on the Remainder of Farm De Draai, 10 km from Smithfield, Free State.

The footprint of the proposed development will be 36m². The proponent is Eskom Holdings Limited (Transmission).

A Basic Assessment Report will be compiled and will be made available to all Interested and Affected Parties (I&APs) and Stakeholders for review and comment.

Date of Notice: 20 May 2009.

Eskom Holdings Limited has appointed Bembani Sustainability Training (Pty) Ltd to undertake Basic Assessment for the proposed development. In order to ensure that you are identified as an interested and affected party please submit your name, contact information and interest in the project to the contact person given below within **30 days** of publication of this advertisement.
