## APPLICATION FORM

E-mail:

In instances where there is more than one local authority involved, please attach a list of local authorities with their contact details to this application.

Project title:

Property description:   
(Farm name, portion etc.) Where a large number of properties are involved (e.g. linear activities), please attach a full list to this application.

Town(s) or district(s):

Physical address:   
In instances where there is more than one town or district involved, please attach a list of towns or districts to this application.

Current land-use zoning:   
In instances where there is more than one current land-use zoning, please attach a list of current land use zonings that also indicate which portions each use pertains to, to this application.

Is a change of land-use or a consent use application required?  
Must a building plan be submitted to the local authority?

|                          |    |
|--------------------------|----|
| <input type="checkbox"/> | NO |
| <input type="checkbox"/> | NO |

Locality map: A locality map must be attached to the back of this document, as Appendix A. The scale of the locality map must be at least 1:50 000. The scale must be indicated on the map. The map must indicate the following:

- an accurate indication of the project site position as well as the positions of the alternative sites, if any;
- road access from all major roads in the area;
- road names or numbers of all major roads as well as the roads that provide access to the site(s);
- all roads within a 1km radius of the site or alternative sites; and
- a north arrow.

Owners consent: In line with the requirements of the EIA regulations, letters of consent of all landowners or a detailed explanation by the applicant explaining why consent is not possible must be attached to the back of this document as Appendix B.

## 2. ACTIVITIES APPLIED FOR

An application may be made for more than one listed or specified activity that, together, make up one development proposal. All the listed activities that make up this application must be listed.

| Indicate the number and date of the relevant notice: | Activity No (s) (in terms of the relevant or notice) : | Describe each listed activity:                                                                                                                       |
|------------------------------------------------------|--------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| No. R386<br>21 April 2006                            | 14                                                     | The Construction of masts of any material or type and of any height, including those used for telecommunication broadcasting and radio transmission. |
|                                                      |                                                        |                                                                                                                                                      |
|                                                      |                                                        |                                                                                                                                                      |
|                                                      |                                                        |                                                                                                                                                      |

APPLICATION FORM

|  |  |  |
|--|--|--|
|  |  |  |

Please note that any authorisation that may result out of this application will only cover activities applied for. Omissions may render any authorisation that is based on incomplete information to be nil and void.

**3. TYPE OF APPLICATION**

**3.1 Application for Basic Assessment**

|                                                                                           |            |  |
|-------------------------------------------------------------------------------------------|------------|--|
| Is this an application for conducting a basic assessment (as defined in the regulations)? | <b>YES</b> |  |
| If, YES, is a basic assessment report attached?                                           | <b>YES</b> |  |
| If, NO, please indicate when the basic assessment report will be submitted:               |            |  |
|                                                                                           |            |  |

**3.2 Application for Scoping and Environmental Impact Assessment (EIA)**

|                                                                                                                        |  |           |
|------------------------------------------------------------------------------------------------------------------------|--|-----------|
| Is this an application for Scoping and EIA (as defined in the regulations)?                                            |  | <b>NO</b> |
| If, YES, is a Scoping Report and Plan of Study for EIA attached?                                                       |  | <b>NO</b> |
| If, NO, please indicate when the Scoping Report and Plan of Study for EIA will be submitted:                           |  |           |
|                                                                                                                        |  |           |
| The scoping report and/or the plan of study for EIA will be submitted after consultation with the competent authority: |  | <b>NO</b> |
| A consultation with the competent authority is hereby requested:                                                       |  | <b>NO</b> |

APPLICATION FORM

4. DECLARATIONS

4.1 The independent Environmental Assessment Practitioner

I, Gugulethu V Mlangeni, declare under oath that I -

- act as the independent environmental practitioner in this application ;
- do not have and will not have any financial interest in the undertaking of the activity, other than remuneration for work performed in terms of the Environmental Impact Assessment Regulations, 2005;
- have and will not have no vested interest in the proposed activity proceeding;
- have no, and will not engage in, conflicting interests in the undertaking of the activity;
- undertake to disclose, to the competent authority, any material information that have or may have the potential to influence the decision of the competent authority or the objectivity of any report, plan or document required in terms of the Environmental Impact Assessment Regulations, 2005;
- will ensure that information containing all relevant facts in respect of the application is distributed or made available to interested and affected parties and the public and that participation by interested and affected parties is facilitated in such a manner that all interested and affected parties will be provided with a reasonable opportunity to participate and to provide comments on documents that are produced to support the application;
- will ensure that the comments of all interested and affected parties are considered and recorded in reports that are submitted to the competent authority in respect of the application, provided that comments that are made by interested and affected parties in respect of a final report that will be submitted to the competent authority may be attached to the report without further amendment to the report;
- will keep a register of all interested and affected parties that participated in a public participation process; and
- will provide the competent authority with access to all information at my disposal regarding the application, whether such information is favourable to the applicant or not.

APPLICATION FORM

4.2 The Applicant

I, Mmamoloko Seabe, declare under oath that I -

- o Am, or represent, the applicant in this application;
- o appointed the environmental assessment practitioner as indicated under point 4.1 above to act as the independent environmental assessment practitioner for this application;
- o will provide the environmental assessment practitioner and the competent authority with access to all information at my disposal that is relevant to the application;
- o will be responsible for the costs incurred in complying with the Environmental Impact Assessment Regulations, 2005, including but not limited to -
  - costs incurred in connection with the appointment of the environmental assessment practitioner or any person contracted by the environmental assessment practitioner;
  - costs incurred in respect of the undertaking of any process required in terms of the regulations;
  - costs in respect of any fee prescribed by the Minister or MEC in respect of the regulations;
  - costs in respect of specialist reviews, if the competent authority decides to recover costs; and
  - the provision of security to ensure compliance with conditions attached to an environmental authorisation, should it be required by the competent authority;
- o will ensure that the environmental assessment practitioner is competent to comply with the requirements of these regulations;
- o am responsible for complying with the conditions of any environmental authorisation issued by the competent authority;
- o hereby indemnify, the government of the Republic, the competent authority and all its officers, agents and employees, from any liability arising out of the content of any report, any procedure or any action for which the applicant or environmental assessment practitioner is responsible in terms of these regulations; and
- o will not hold the competent authority responsible for any costs that may be incurred by the applicant in proceeding with an activity prior to an appeal being decided in terms of these regulations.
