Importance: High

Dear SANParks representatives

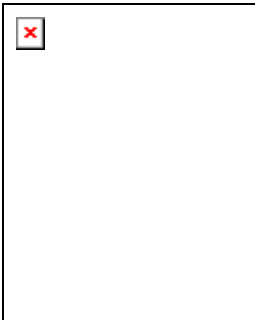

I have been asked to notify you and invite you to either of two meetings SEF will be holding regarding the EIA for the Eskom Kudu Integration Project.

A few I&APs requested these additional meetings, and we thought it imperative that we invite SANParks to make representation. CapeNature will hopefully be attending the meeting in Vanrhynsdorp and we recommend that, if possible, SANParks also attend this meeting.

Please let me know if you would like to and are able to attend one of these meetings.

Yours sincerely
