Dear Interested and Affected Party

### **PUBLIC PARTICIPATION PROCESS: THE PROPOSED EXPANSION OF THE DIESEL STORAGE FACILITIES AT THE KOEBERG NUCLEAR POWER STATION, FARM DUYNFONTYN NO. 1552, MELKBOSSTRAND**

Notice is hereby given of a Public Participation Process in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998) (NEMA), as amended, and the Environmental Impact Assessment (EIA) Regulations, 2014.

**Proposal and location:** the proposed expansion of the diesel storage facilities at the Koeberg Nuclear Power Station (KNPS) by installing two mobile above ground diesel tanks on the Farm Duynfontyn No. 1552, Melkbosstrand. The primary purpose of the diesel fuel tanks is to provide a diversified and separate, additional source of diesel fuel during an extended loss of Alternating Current (AC) power following an emergency, to supply:

- 1) the emergency mobile diesel powered water pumps which will be used to provide reactor core cooling and nuclear spent fuel pool make-up; and
- 2) the Emergency Control Centre (ECC) diesel generator which will allow the ECC to perform its command and control function.

The storage strategy is to have one diesel tank permanently positioned at the Ekhaya site (Alternative 1 – Preferred Alternative) or at the Transport Garage (Alternative 2), and the second diesel tank located at the Bulk Stores, which is at the Portable Emergency Equipment Store site.

**Applicant:** Eskom Holdings SOC Limited

### **Environmental Authorisation is required in terms of the NEMA EIA Regulations, 2014 for the following Listed Activity**

**GN No. 983 (Listing Notice 1) - Activity 51:** The expansion of facilities or infrastructure for the storage, or storage and handling of a dangerous good, where the capacity of such storage facilities will be expanded by more than 80 cubic metres.

The procedures for a **Basic Assessment Process** are being followed.

**Availability of the Basic Assessment Report (BAR):** the Draft BAR will be available for public comment until **Monday, 27 March 2017** at the Koeberg Public Library (Merchant Walk, Duynfontein); Wesfleur Public Library (Arnold Centre, Bunting Crescent, Atlantis); Cape Town Central Library (Old Drill Hall, Corner of Parade and Darling Street, Cape Town); Koeberg Visitors Centre; and Doug Jeffery Environmental Consultants' office in Klapmuts. The BAR will also be made available on our company website: [www.dougjeff.co.za](http://www.dougjeff.co.za).

**Opportunity to participate:** Interested and Affected Parties (I&APs) are hereby invited to register as I&APs and/or comment with regards to the proposed application. In order to register or submit comment, I&APs must provide their name and contact details (postal address as well as preferred method of communication, e.g. email, fax, registered post,

normal post, etc.); and must give an indication of any direct business, financial, personal or other interest which they have in the application to the contact details below.

Please send your comments to:

**Doug Jeffery Environmental Consultants**

**Attention:** Adél Groenewald

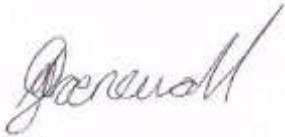

P.O. Box 44, Klapmuts, 7625

Tel: 021 875-5272 | Fax: 086 660 2635 | Email: [Adel@dougjeff.co.za](mailto:Adel@dougjeff.co.za)

**COMMENTS MUST REACH US ON OR BEFORE 27 MARCH 2017.**

Should you have any queries, please do not hesitate to contact us.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'Adel Groenewald', is positioned above the typed name and title.

23 Februarie 2017

Geagte Belanghebbende en Geaffekteerde Party

### **PUBLIEKE DEELNAMEPROSES: DIE VOORGESTELDE UITBREIDING VAN DIE DIESEL BERGINSFASILITEITE BY DIE KOEBERG KERNKRAAGSTASIE, PLAAS DUYNEFONTYN NR. 1552, MELKBOSSTRAND**

Kennis word hiermee gegee van 'n publieke deelnameproses kragtens die Wet op Nasionale Omgewingsbestuur, 1998 (Wet 107 van 1998) ("NEMA"), soos gewysig, Omgewingsinvloedbepalingsregulasies, 2014.

**Voorstel en ligging:** die voorgestelde uitbreiding van die diesel bergingsfasiliteite by die Koeberg Kernkragstasie (KKKS) deur die daarstelling van twee mobiele bogrondse dieseltanks, geleë op die plaas Duynfontyn Nr. 1552, Melkbosstrand. Die primêre doel van die dieseltanks is om 'n gediversifiseerde en afsonderlike, addisionele bron van diesel te wees tydens 'n langdurige verlies van wisselstroom elektrisiteit as gevolg van 'n eksterne gebeurtenis, om sodoende dieselbrandstof te kan voorsien aan:

- 1) die mobiele dieselaangedrewe noodwaterpompe wat gebruik sal word om die reaktorkern en die tenk vir berging van gebruikte kernbrandstof te verkoel; en
- 2) die kragopwekker wat Noodbeheersentrum (NBS) bedien sodat die NBS die nodige funksies kan verrig.

Die bergingstrategie behels die permanente plasing van een dieseltank óf by die Ekhaya-werf (Opsie 1) óf by die Vervoerbestuurmagasyn (Opsie 2), en 'n tweede dieseltank by die Massamagasyn, wat by die werf vir die berging van mobiele noodtoerusting geleë is.

**Aansoeker:** Eskom Holdings SOC Limited

**Ingevolge "NEMA" word omgewingsmagtiging vir die volgende gespesifiseerde aktiwiteite vereis: Staatskennisgewing R983 (Gelyste Kennisgewing 1) - Aktiwiteit 51:** die uitbreiding van fasiliteite of infrastruktuur vir die berging, of berging en hantering van gevaarlike goedere, waar die kapasiteit van die industrie leiers bergingsfasiliteite sal uitgebrei word om meer as 80 kubieke meter.

Die prosedure vir 'n **Basiese Invloedbepaling-proses** word gevolg.

**Beskikbaarheid van die Konsep Basiese Invloedbepalingsverslag (BIV):** die Konsep BIV sal vir kommentaar aan die publiek beskikbaar gestel tot en met **Maandag, 27 Maart 2017** by die volgende lokale: die Koeberg Openbare Biblioteek (Merchant Walk, Duynfontein), die Wesfleur Openbare Biblioteek (Arnold Sentrum, Bunting-singel, Atlantis), Kaapstad Sentrale Biblioteek (Ou Drilsaal op die hoek van Parade en Darlingstraat, Kaapstad), die Koeberg Besoekersentrum, en by die kantoor van Doug Jeffery Environmental Consultants in Klapmuts. Die Konsep BIV sal ook op hierdie maatskappy se webwerf ([www.dougjeff.co.za](http://www.dougjeff.co.za)) beskikbaar wees.

**Geleentheid om deelname:** belanghebbende en geaffekteerde partye (B&GPe) word genooi om as 'n B&GP te registreer en/of om kommentaar op die voorstel te lewer. Om te registreer of kommentaar te kan lewer moet B&GPe hul name en kontakbesonderhede (posadres, asook voorkeur-kommunikasiemetode, byvoorbeeld e-pos, faks, geregistreerde pos, gewone pos)

verskaf en moet hulle ook aandui watter direkte sake, finansiële, persoonlike, of ander belang hulle in hierdie aansoek het. Skrywes kan gerig word aan die adres hieronder vermeld.

### Koeberg National Power Station

**Attention:** Annei Kloppers  
Tel: (021) 522 3838

Dear Annei,

#### **SITE NOTICES FOR THE PROPOSED EXPANSION OF THE DIESEL STORAGE FACILITIES AT THE KOEBERG NUCLEAR POWER STATION, FARM DUYNEFONTYN NO. 1552, MELKBOSSTRAND**

Herewith, please receive the site notices (4 x English & 4 x Afrikaans) for the Koeberg Diesel project.

We kindly request for two (2) site notices (1 x Afrikaans & 1 x English) to be placed at the each of the following positions:

- R27 road Entrance to KNPS
- Duynefontein suburb Entrance to KNPS
- Access Control Point 1 to KNPS site
- Access Control Point 2 to KNPS site

While placing the site notices, please take photographs (with date stamps) of the site notices as well as coordinates of the positions. We need this information to provide it as proof to the Department.

Also please receive a hard copy of the Draft Basic Assessment Report for your information. This serves as Eskom's copy of the report as submitted for public participation process.

Should you have any questions, please do not hesitate to contact me.

Yours faithfully,

Adél Groenewald
