NOTICE OF AVAILABILITY OF DRAFT SCOPING REPORT

Proposed Eskom Transmission Activity: (DEAT Ref: 12/12/20/1566)

Construction of:

- Ngwedi (Mogwase) Main Transmission Substation
- Associated Turn-ins Transmission lines

Eskom Transmission is proposing to construct above-mentioned infrastructure in the vicinity of Sun City in the North West Province.

Margen Industrial Services, the appointed Environmental Assessment Practitioner, has compiled a draft Scoping Report containing issues raised during scoping phase. Members of the public are invited to read the report to make sure that issues raised have been accurately captured and addressed. Copies of the Executive Summary will be made available to all stakeholders registered on the database for the project and to other interested parties.

In order to comply with EIA Regulations 28 (g) and 58 Government Notice 385 of 21 April 2006, the report will be made available for public review from 5th July 2010 to 13 August 2010.

The draft scoping report will be available on the following venues/places
