b. Detailed operating times

Not applicable

3. Complaints Register (Licence reference 8.1.1)

No complaints were registered for the month of October 2020.

4. General

Acacia was not requested to generate for the grid to supplement power availability and minimise national load shedding.

New 5 year Acacia AQM contract with Argos Scientific started on the 1st November for monthly ambient air quality monitoring at the Acacia AQM station.

The Eskom owned NOx analyser major component repair has recently been approved and is expected back within 10 days.

We trust that the above information complies with your requirements.

Yours sincerely
