### ESKOM INTERNET ACCESS

#### USE OF ESKOM STANDARDS AND SPECIFICATIONS

- 1) Eskom hereby grants permission to ..... (please add the Company's name) to use the material described below for your own exclusive purposes which may include the preparation and issue of copies to prospective tenderers, design and maintenance of Eskom Network.
- 2) Except for the permission granted under clause 1 above, this material may not be exploited for financial gain by you.
- 3) Eskom is under no obligation to advise you of and supply later versions of the material.
- 4) Eskom reserves the right to modify and change the material as and when it sees fit.
- 5) Eskom retains the right to refuse the supply of further material without incurring liability for loss or damage in the event of such refusal.
- 6) The material is and remains the property of Eskom, who has the exclusive right of dissemination and reproduction thereof.
- 7) The material is protected by copyright and except for the permission granted in clause 1, you may not reproduce or transmit the material by any means except with the prior written consent of Eskom.
- 8) No rights of ownership in the material or licence to yourselves shall be deemed to pass with the supply of material to you.

If you accept these conditions you'll be granted access to the Power Delivery Engineering WEB site. If you don't accept these conditions then you will be denied access or your subscription will not be renewed.

The use, application, or interpretation of the material is entirely at your own risk. Eskom will not accept any liability or responsibility, whatsoever, or howsoever arising, for any loss, damages, costs, or expenses incurred by any user, resulting from the use or publication of the material, or any reliance placed on the material. It is the user's responsibility to verify the accuracy of the content of the material before using or referring to it for its own business purposes.
