

How to submit your meter reading via the

MyEskom Customer App

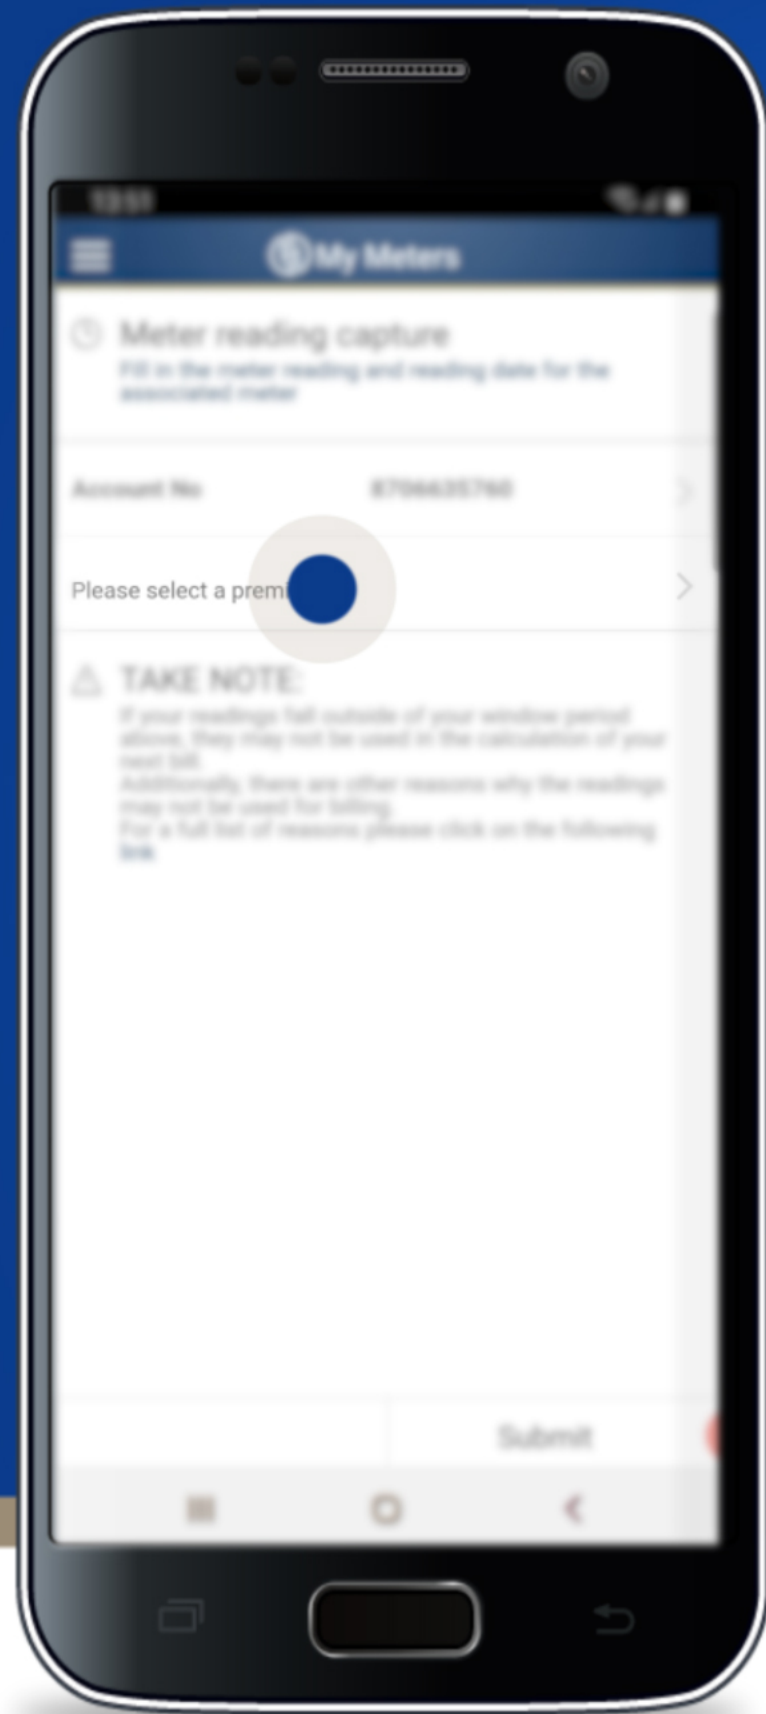

STEP 1

Login to
the MyEskom Customer App

STEP 2

Tap the menu and select
Submit Meter Reading

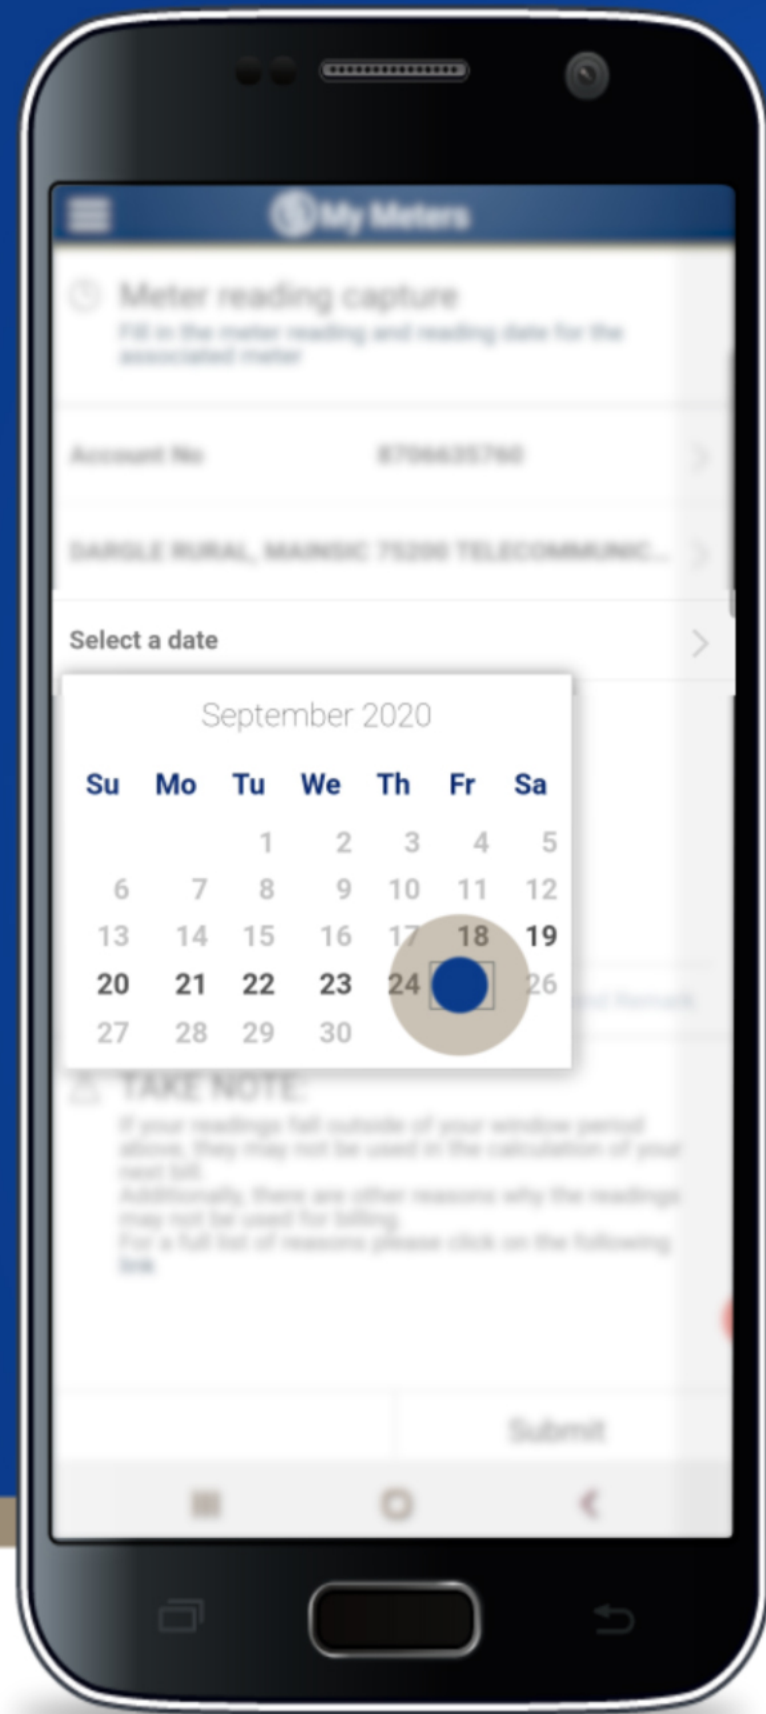

STEP 3

Tap **Please select a premise**

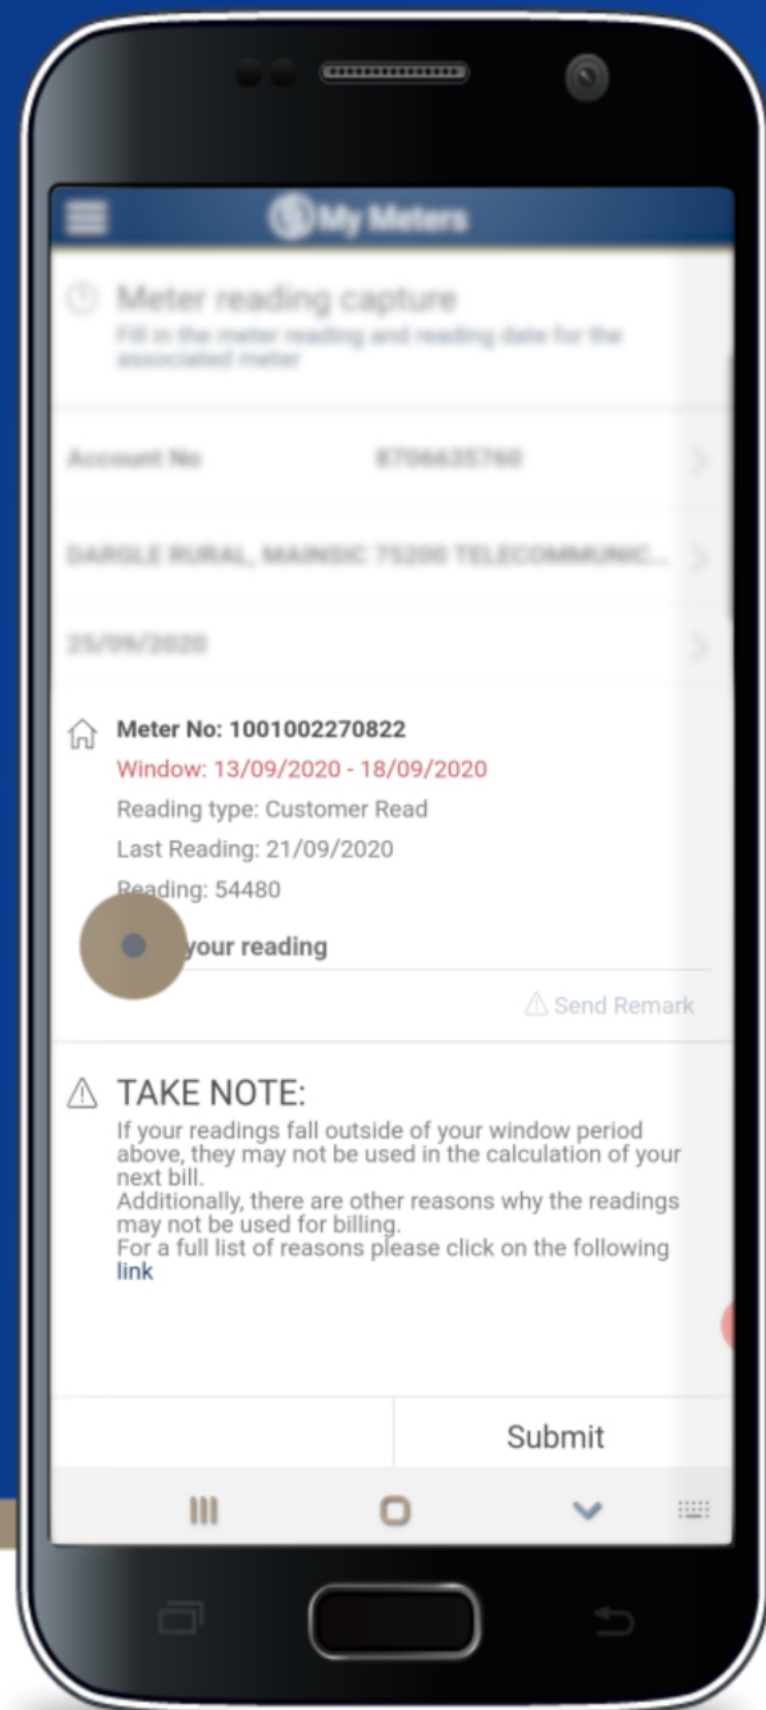

STEP 4

Select the premise for which you are submitting your meter reading

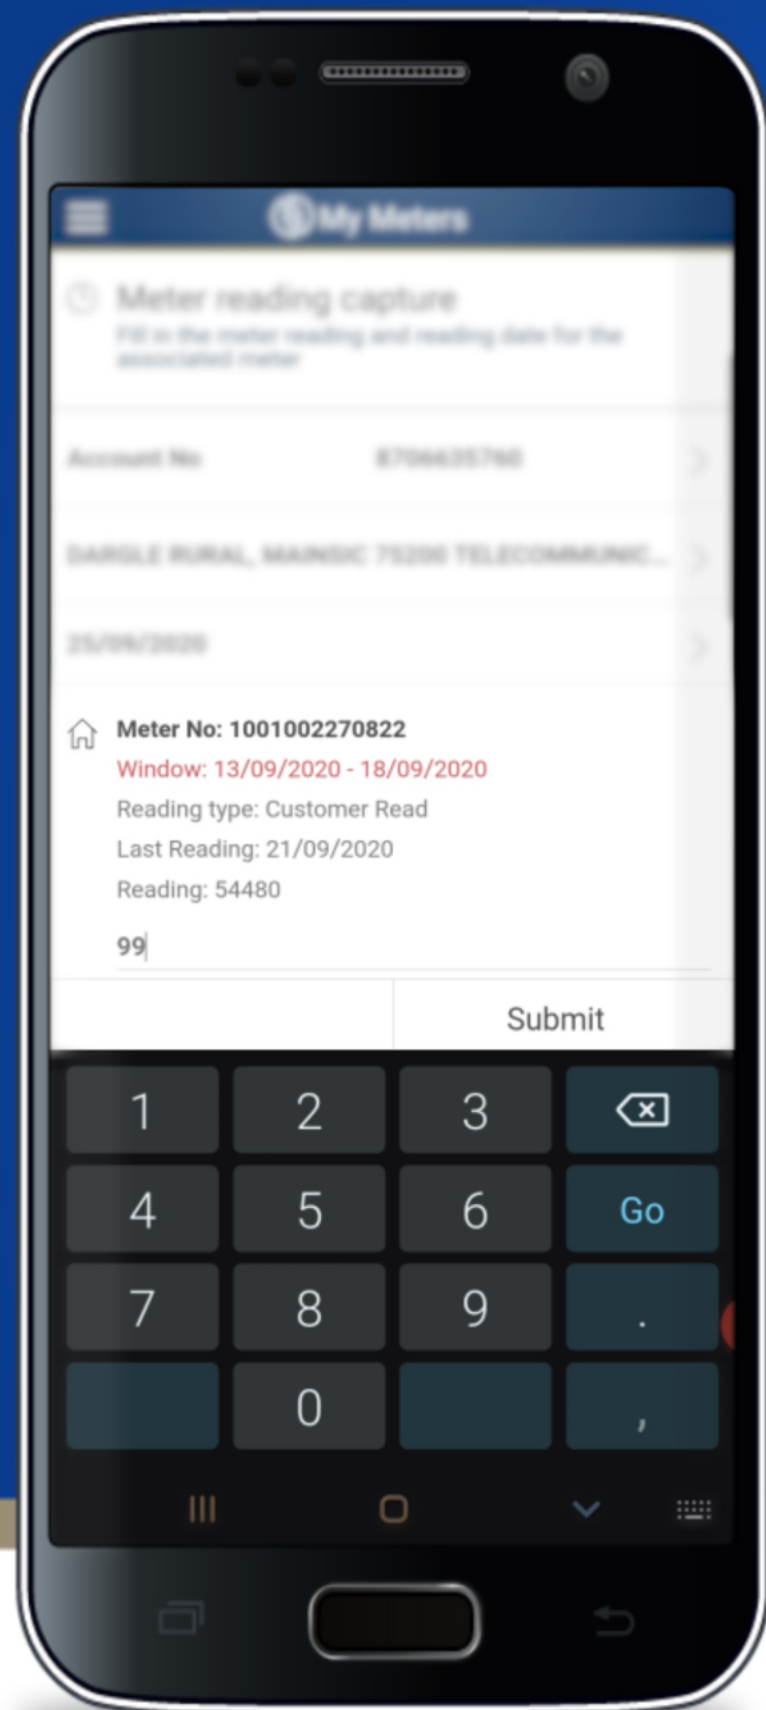

STEP 5

Tap **Select a date** to set your meter reading submission date

STEP 6

Tap **Enter your reading**
and type in the meter reading for your first meter

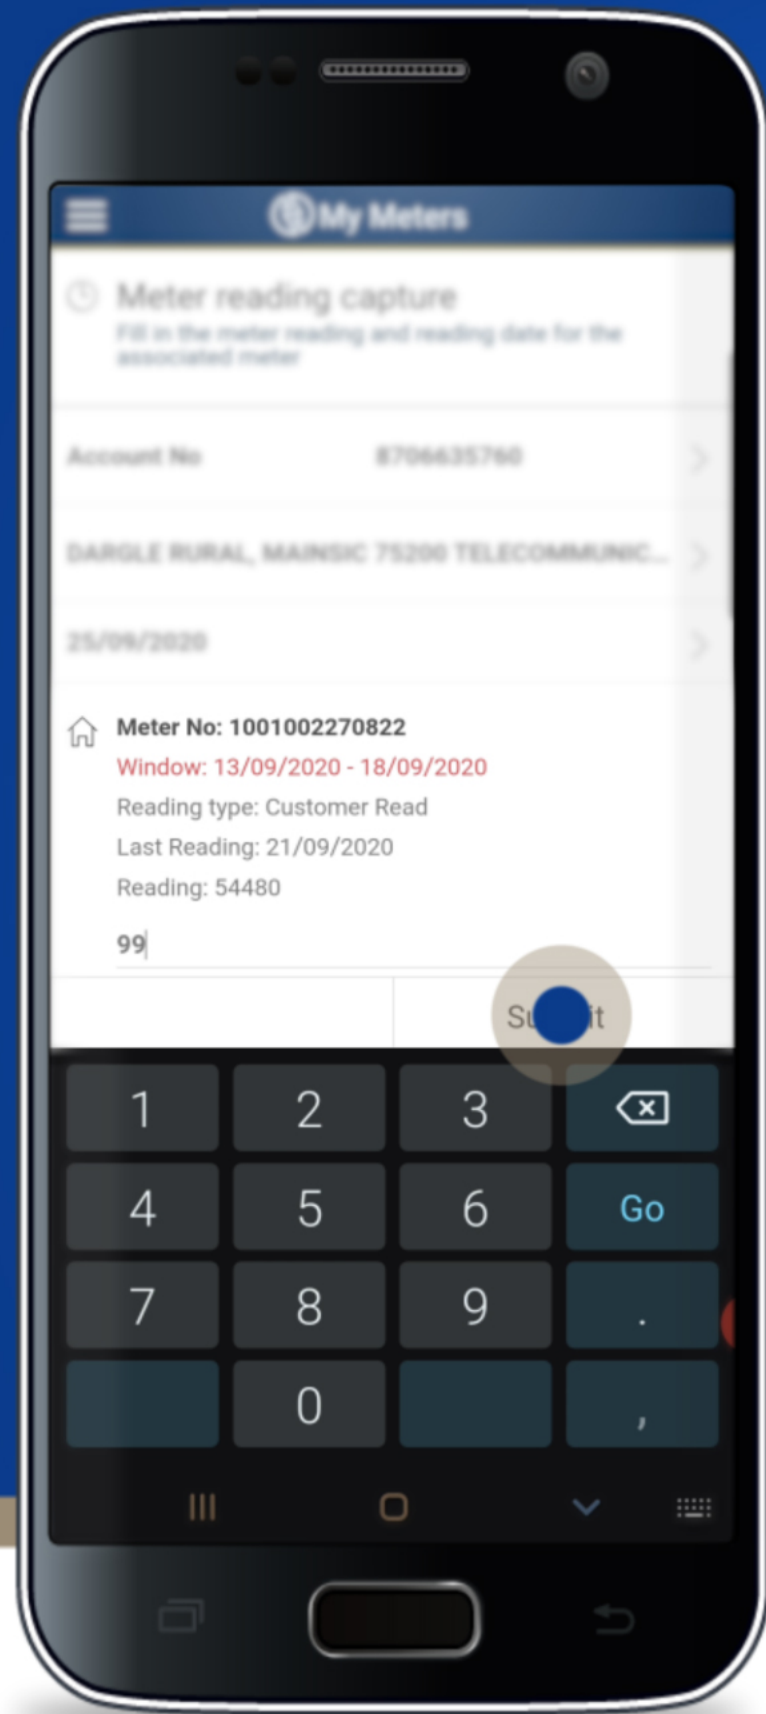

STEP 7

If you have a second meter reading to submit for the same premise, type in your **second meter reading** in the **Enter your reading** field

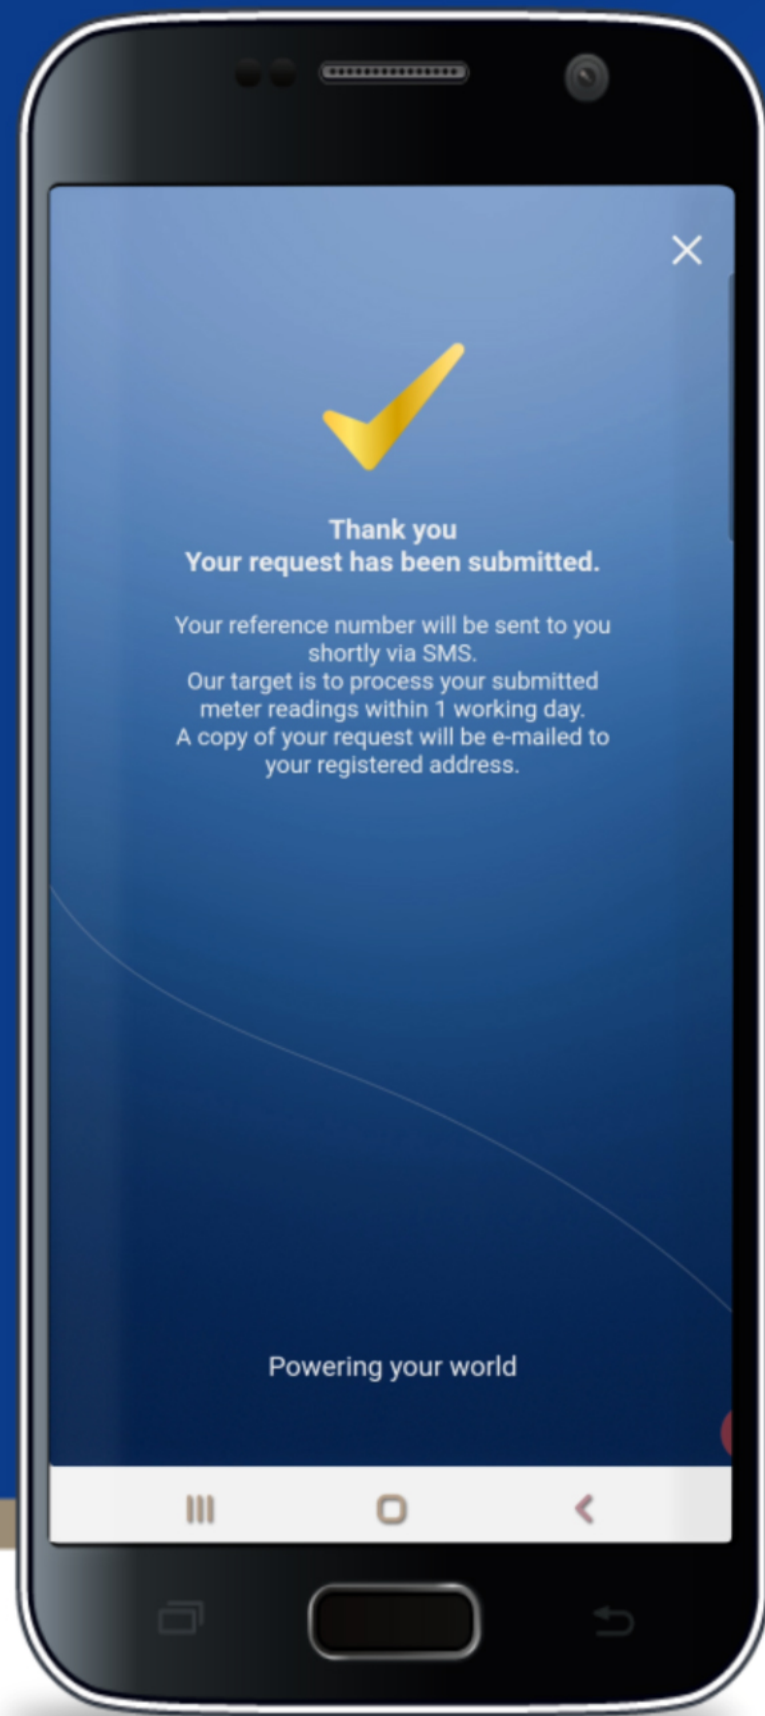

STEP 8

If you have a **third meter reading** to submit for the same premise, type in your **third meter reading** in the **Enter your reading** field

STEP 9

Tap the **Submit** button

STEP 10

You've successfully submitted your meter readings!
Check your **SMS** for your **reference number**
