# NOTICE OF AN ENVIRONMENTAL IMPACT ASSESSMENT AND WASTE MANAGEMENT LICENSE APPLICATION FOR A PROPOSED EXTENSION OF ASH DISPOSAL FACILITIES AT CAMDEN POWER STATION

Notice is hereby given, in terms of the National Environmental Management Act, (Act No 107 of 1998) and the new Regulations (GNR 543 - 546 – Government Gazette No. 33306) which were published on 18 June 2010, of Eskom's intent to carry out the following listed activity that requires environmental authorisation: Extension of ash dam and associated infrastructure at Camden Power Station near Ermelo in Mpumalanga.

The purpose of this study is to identify and evaluate issues of concern and potential environmental and social impacts, and propose feasible mitigation measures against such impacts. The objective of the assessment is to investigate the potential environmental and social impacts and issues of the proposed activity in support of an application for environmental authorisation process.

## PUBLIC COMMENT ENCOURAGED

Interested and Affected Parties (I&APs) are invited to participate by providing comments and raising any issues of concern they may have

To register as an I&AP, and to receive a copy of the Background Information Document, please contact:

Anelle Lötter/Florence Rambuda of Zitholele Consulting (Pty) Ltd, P O Box 6002, Halfway House, 1685  
 Tel: (011) 207 2076/2075, Fax: 086-676-9950 or Email: [alotter@zitholele.co.za](mailto:alotter@zitholele.co.za) or [florence@zitholele.co.za](mailto:florence@zitholele.co.za)

This assessment is being conducted on behalf of Eskom

# EIA for proposed new ash disposal facilities at the Camden Power Station
