

Zanorashe Bwakura (BComm Accounting and Information Systems), a risk specialist with Mondial Consultants has 10 years' experience in risk management, internal audit and finance across multiple business sectors.

He received his training with Ernst & Young Chartered Accountants where he did his articles and undertook audit assignments at the level of lead auditor for clients that ranged from mining, manufacturing, retail, non-governmental and financial services organisations.

As a risk practitioner he was the Compliance and Risk Manager, then General Manager Risk for two commercial banking operations. His role included developing and implementing an enterprise-wide risk framework, identifying risks and developing tools to analyse, quantify and mitigate these risks within the context of the organisation's strategic and operational objectives.

Zanorashe's experience as a consultant includes in-depth knowledge and exposure to risk management at a national, local and municipal government level. He researched and drafted learners' and trainers' manuals for the South African Qualifications Authority accredited Unit Standards in Municipal Risk Management, Audit planning and Internal Controls. These 3 unit standards are part of what is required to obtain the qualification, Certificate in Municipal Finance Management, NQF Level 6.

Certificate in Control Self-Assessment from the Institute of Internal Auditors.
