- The DEIR can also be downloaded from Lidwala's website (<http://www.lidwala.co.za>).
- The DEIR is also available on CD on request via email from Lidwala SA.

The Revised DEIR address the proposed routing of the existing 132kV power lines which currently traversing the EIA preferred Hendrina ADF site. The map showing the proposed three re-routing alternatives can be viewed under Chapter 4, page 26. It is the Environmental Assessment Practitioners recommendation that Alternative 3, after consultation with the affected landowners and also taking the technical feasibility into consideration, be proposed for authorisation.

Should you wish to submit written comments on the DEIR, you are most welcome to make use of the attached DEIR comment form (Appendix A).

Please contact us should you require any additional information.

Kind regards

NICOLENE VENTER

Public Participation Practitioner
