PROPOSED ASH DISPOSAL AT KENDAL POWER STATION

Notice is hereby given, in terms of the National Environmental Management Act, (Act No 107 of 1998) and Government Notice R.543 of June 2010, of Eskom's intent to carry out the following listed activity that requires environmental authorisation:

**Proposed ash disposal and associated infrastructure
at Kendal Power Station to the South West of Ogies in Mpumalanga.**

It is envisaged that the project will include the following components at present:

- Extension of current ash disposal facilities of approximately 310 hectares.
- Extension of the emergency dumping area.
- New 30 year ash disposal facility and associated infrastructure - within 10km radius of existing power station.
- Services including electricity and water supply in the form of powerlines, pipelines, and associated infrastructure;
- Water use license application - possible impact on watercourse and wetlands; and
- Access and maintenance roads to the site.

The purpose of this study is to identify and evaluate issues of concern and potential environmental and social impacts, and propose feasible mitigation measures against such impacts.

(DEA Ref No 14/12/16/3/3/3/63) (NEAS Ref: DEA/EIA/00001508/2012)

PROPOSED ASH DISPOSAL AT KENDAL POWER STATION

Notice is hereby given, in terms of the National Environmental Management Act, (Act No 107 of 1998) and Government Notice R.543 of June 2010, of Eskom's intent to carry out the following listed activity that requires environmental authorisation:

**Proposed ash disposal and associated infrastructure
at Kendal Power Station to the South West of Ogies in Mpumalanga.**

It is envisaged that the project will include the following components at present:

- Extension of current ash disposal facilities of approximately 310 hectares.
- Extension of the emergency dumping area.
- New 30 year ash disposal facility and associated infrastructure - within 10km radius of existing power station.
- Services including electricity and water supply in the form of powerlines, pipelines, and associated infrastructure;
- Water use license application - possible impact on watercourse and wetlands; and
- Access and maintenance roads to the site.

The purpose of this study is to identify and evaluate issues of concern and potential environmental and social impacts, and propose feasible mitigation measures against such impacts.

AFTER 3 YEARS OF DIVORCE HE RECENTLY CAME BACK TO ME USING THE 1 DAY SPECIAL PRAYER

WILL CHANGE YOUR LIFE

3 years ago, my husband had left me we were fighting. Mama Sarah offered me, DUAH and gave me powerful love crystals and then removed bad spirits from my house and showed me my enemies in a mirror.

After 3 days my husband came back. Now I am happily married. I recommend her to anyone who has a problem.

FIX UNFINISHED SPIRITUAL JOBS

IMPOSSIBLE IS POSSIBLE

My name is Thabiseng and this is how Mama A.K SHIFRA solved my problems. I am working in one government department and for a period of the first six months I endeared myself amongst the members of the staff due to my honesty, sincerity and hard work. According to my bosses I was an asset in the department and in just two(2)years

I got a promotion and that's where the problems started from. The work politics, and Muthi started because some people whom I found at work and had not got any promotions for years got so jealous of me and they did all kinds of muthi to see me out of work by making my bosses turn against me and the pressure was too much. So during my stressing days while I was in panics thinking my job is going to be over despite of the good work I was doing, I came across a testimony about Mama A.K SHIFRA and trust me this woman is a gift from God

to people like us who face work politics and work muthi. For R200 consultation, she read the whole problems accurately and we did very strong protection rituals and today am standing as a rock at my work, am so unshaken because whoever tries me falls so hard on their bellies. Contact her for any problem be it work, marriage, finances and any other problems she will help you 100%. She works from home .

Atletiek Gauteng-Noord Landloop

Duisende draf in Bronkies

EEN van die grootste items op die Atletiek Gauteng-Noord (AGN) almanak is die Distrik landloop Kampioenskappe wat Saterdag, 20 Augustus op Hoerskool Erasmus, Bronkhorstspruit plaasgevind het. Ongeveer 2 500 atlete het die plaslike toestande aangedurf van so jong as 6 jaar tot veterane in hulle tagtiger jare. Tussen die deelnemers is 'n aansienlike klomp atlete vanuit die Streeknuus leesgebied.

Hierdie byeenkoms groei jaarliks. Streeknuus sal in volgende week so uitgawe die uitslae bekend maak.

Glenrose Xaba van Eskom het eerste ingekom in die dames se 10km.

Precious Mashale het eerste gekom in die 10km.

Mnr Christian Britz
"Rassies se meneer met die mooi bene" doen die 10km gemaklik.

Salomé Vermeulen van Laerskool du Preez van Wyk vat lang asem.
