

Alternative 1: Preferred Alternative

Figure 1: Google Earth image of the proposed development site showing points from where photographs were taken at Alternative 1.

Figure 2: Photo of the proposed development site looking in a northern direction (taken from point 1).

The extent of the proposed development site with the security fence in the background can be viewed from this photograph.

Figure 3: Photo of the proposed development site looking in a north-eastern direction (taken from point 2).

The proposed development site as well as high-voltage lines and associated buildings are visible in the background.

Figure 4: Photo the proposed development site looking in a south-western direction (taken from point 3).

An existing building located beyond the proposed development site is visible from this view.

Figure 5: Photo of the proposed development site looking in a north-western direction (taken from point 4).

The extent of the proposed development site with the security fence in the background can be viewed from this photograph.

Alternative 2

Figure 6: Google Earth image of the proposed development site showing points from where photographs were taken at Alternative 2.

Figure 7: Photo of the proposed development site looking in a northern direction (taken from point 5).

The extent of the proposed development site with other approved developments beyond the site boundaries can be viewed from this photograph.

Figure 8: Photo of the proposed development site looking in a northern direction (taken from point 6).

Figure 9: Photo of the proposed development site looking in a southern direction (taken from point 7).

The proposed development site is shown to the right of the netting in the photograph above.

Figure 10: Photo the proposed development site looking in a southern direction (taken from point 8).
