## BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS

### KRIEL POWER STATION LIME PLANT UPGRADE, MPUMALANGA PROVINCE

#### NOTICE OF BASIC ASSESSMENT PROCESS

The applicant, Eskom SOC Ltd, is proposing the development of an upgrade on their existing Lime Plant facility at the Kriel Power Station situated ~43km south of eMalahleni, in the Mpumalanga Province. The proposed development falls within the jurisdiction of the eMalahleni Local Municipality and within the greater Nkangala District Municipality.

The affected properties to Kriel Power Station includes the following

- » Driefontein 69, Portions 1, 3, 8, 9, 13, 15, 17, 30, 31 and 32
- » Nooitgedacht 59, Portion 8
- » Vaalpan 68, Portions 3 and 9
- » Vlaklaagte 83, Portion 2
- » Onverwacht 70, Portions 9 and Remainder of Portion 10
- » Matla Power Station 141

#### BASIC ASSESSMENT PROCESS

An application for Environmental Authorisation (EA) will be submitted for the proposed development of an upgrade on the existing Lime Plant facility at the Kriel Power Station to the National Department of Environmental Affairs (DEA), the Competent Authority, in accordance with the National Environmental Management Act (No. 107 of 1998) (NEMA) and the provisions of the 2014 Environmental Impact Assessment (EIA) Regulations, as amended on 07 April 2017, published in GNR 324 to GNR 327.

Savannah Environmental (Pty) Ltd has been appointed as the independent Environmental Assessment Practitioner (EAP), responsible for undertaking the Basic Assessment (BA) processes, in order to identify and assess all potential environmental impacts associated with the project for the area as identified, and recommend appropriate mitigation and management measures in an Environmental Management Programme (EMPr). As part of these environmental studies, Interested and/or Affected Parties (I&APs) will be actively involved through the public participation process

As part of the BA Process, Interested and/or Affected Parties (I&APs) will be actively involved through the public participation process.

The department and/or the organisation which you represent has been identified as a commenting authority for the proposed Lime Plant upgrades. In this regard, please can you **provide us with the name and contact details** of the relevant contact person at your department who we would liaise with regarding this project. By registering on the project database, you will receive all information relating to the project and will be provided with an opportunity to provide comment and input into the BA process.

Please do not hesitate to contact us should you require additional information and/or clarification regarding the proposed project. Our team welcomes your participation and looks forward to your involvement throughout this process.

Kind regards

Dear Jay-Jay,

I hope this mail finds you well.

This email pertains to the DEA's comments for the proposed Kriel Power Station Lime Treatment Plant Upgrades project, with the reference 14/12/16/3/3/1/1988. Our public review period ended last week Tuesday (19 February 2019), and we are still yet to receive comments from the Department on the project above. In terms of our timelines, our anticipated date for the final submission of the final basic assessment report is tomorrow (26 February 2019), is it possible to furnish me with comments for the project by then ?

Your feedback in this regard will be greatly appreciated.

Best Regards

The applicant, Eskom SOC Ltd, is proposing the development of an upgrade on their existing Lime Plant facility at the Kriel Power Station situated ~43km south of eMalahleni, in the Mpumalanga Province. The proposed development falls within the jurisdiction of the eMalahleni Local Municipality and within the greater Nkangala District Municipality.

In terms of Regulation 43(2) of the EIA Regulations, 2014, as amended, this letter serves to inform you that the Basic Assessment Report (BAR) is available for the Department of Agriculture, Rural Development, Land and Environmental Affairs' (DARDLEA) review and written comments, and a CD containing the BAR is included in this envelope.

Please note that BAR's review period is from **Friday, 18 January 2019** to **Monday, 18 February 2019** and we are looking forward receiving the DARDLEA's written comment/s on the BAR within the 30-day review period but not later than the closing date of the review period, i.e. **Monday, 18 February 2019**.

Kind regards

## BASIC ASSESSMENT AND PUBLIC PARTICIPATION PROCESS KRIEL POWER STATION LIME PLANT UPGRADE, MPUMALANGA PROVINCE

### FOCUS GROUP MEETING INVITATION / REQUEST

The applicant, Eskom SOC Ltd (Eskom), is proposing the development of an upgrade on their existing Lime Plant facility at the Kriel Power Station situated ~43km south of eMalahleni, in the Mpumalanga Province. The proposed development falls within the jurisdiction of the eMalahleni Local Municipality and within the greater Nkangala District Municipality.

The affected properties to Kriel Power Station includes the following

- » Driefontein 69, Portions 1, 3, 8, 9, 13, 15, 17, 30, 31 and 32
- » Nooitgedacht 59, Portion 8
- » Vaalpan 68, Portions 3 and 9
- » Vlaklaagte 83, Portion 2
- » Onverwacht 70, Portions 9 and Remainder of Portion 10
- » Matla Power Station 141

Savannah Environmental has been appointed by Eskom as the independent Environmental Assessment Practitioner to do the Basic Assessment (BA) and public participation process for the proposed development.

Please be informed that the Basic Assessment Report is currently available for your review and comments. The comment period ends on Monday, 18 February 2019 and the Report can be downloaded from our website (<http://www.savannahsa.com/public-documents/other/kriel-power-station-lime-plant-upgrade/>), the release code is **bE67`E**. A soft copy (CD) of the Report was courier to your office and received on Friday, 18 January 2019 (please see attached proof of delivery – Appendix A).

We would like to take this opportunity of inviting the Officials of eMalahleni Local Municipality to attend a Focus Group Meeting (FGM), and depending on your and your Officials' availability, suggests that the FGM takes place on:

**DATE:** Tuesday, 12 February 2019

**TIME:** 09h00 – 10h30

**VENUE:** Chambers / Boardroom, eMalahleni Local Municipality Offices, eMalahleni (to be confirmed)

The purpose of inviting the Officials of eMalahleni Local Municipality to attend the FGM is to present the following:

- background to the proposed project
- an overview of the Basic Assessment Process followed;
- summary of the environmental findings as documented in the Basic Assessment Report
- an opportunity to seek clarity and raise comments and/or concerns; and
- an opportunity to liaise with the project team members.

The eMalahleni Local Municipality Officials that we would like to recommend attending the FGM, but also at the discretion of the Municipal Manager, are:

- Ward Councillors (Cllr PH Wilken – Ward 26 and Cllr DH Grobler – Ward 27)
- Integrated Development Planning Department
- Economic Development & Spatial Development Framework Department
- Land Use & Infrastructure Department
- Electrical Department
- Engineering Department
- Water and Sanitation Department
- Waste Department
- Environmental Department

Officials are welcome to nominate a Colleague to attend the meeting should they not be available to attend.

We encourage the eMalahleni Local Municipality Officials to attend the Focus Group Meeting and to participate in the Public Participation Process. We would like to thank you in anticipation for your active and meaningful contribution to the BA process.

We look forward to meeting you and we are positive for a fruitful Focus Group Meeting.

Kind regards

**INVITATION TO A FOCUS GROUP MEETING: Thursday, 14 February 2019**

As you may recall, a Basic Assessment (BA) is being undertaken for the proposed development of an upgrade on Eskom Holdings SOC Ltd (Eskom) existing Lime Plant facility at the Kriel Power Station. The adjacent affected properties to Kriel Power Station includes the following:

- » Driefontein 69, Portions 1, 3, 8, 9, 13, 15, 17, 30, 31 and 32
- » Nooitgedacht 59, Portion 8
- » Vaalpan 68, Portions 3 and 9
- » Vlaklaagte 83, Portion 2
- » Onverwacht 70, Portions 9 and Remainder of Portion 10
- » Matla Power Station 141

Savannah Environmental has been appointed by Eskom as the independent Environmental Assessment Practitioner to do the Basic Assessment (BA) and public participation process for the proposed development.

We would like to take this opportunity of inviting you to attend a Focus Group Meeting (FGM) that is taking place with landowners whose properties are adjacent to Kriel Power Station on:

**DATE:** Thursday, 14 February 2019

**TIME:** 14h00

**VENUE:** Boardroom, Kriel Power Station (Co-ordinates: 26°15'3.49"S / 29°10'46.69"E)

**Please report at Kriel Power Station's Reception, they will direct you to the Boardroom**

The purpose of the FGM is to present:

- background to the proposed project;
- an overview of the Basic Assessment Process followed;
- summary of the key environmental findings as documented in the Basic Assessment Report;
- an opportunity to seek clarity and raise comments and/or concerns; and
- an opportunity to liaise with the project team members.

Should you not be able to attend the FGM, you are welcome to send a representative to attend the meeting.

We encourage you to attend the Focus Group Meeting to hear other landowners' comments, and to participate in the Public Participation process. We would like to thank you in anticipation for your active and meaningful contribution to the BA process.

Please do not hesitate to contact me on (011) 656 3237 / 3256 should you require any additional information.

Kind regards
