to undertake an Environmental Impact Assessment (EIA) process for the following activities on the property (insert brief description of the project and identified activity/ies that will be applied for):

Brief description of project: Construction and operation of a wind generated electrical facility. This will include the construction of access roads and distribution lines

Listed activity/ies in terms of the EIA Regulations published under Chapter 5 of the National Environmental Management Act (No 107 of 1998):

Notice	Activity Number	Description
R386	14	The construction of masts of any material of type and of any height, including those used for telecommunications broadcasting and radio transmission, but excluding (a) masts of 15m and lower exclusively used by (i) radio amateurs; or (ii) for lightening purposes (b) flagpoles; and (c) lightening conductor poles
R387	1(a)	The construction of facilities or infrastructure, including associated structures or infrastructure, for — (a) the generation of electricity where (i) the electricity output is 20 megawatts or more; or (ii) the elements of the facility cover a combined area in excess of 1 hectare.
R387	2	Any development, activity, including associated structures and infrastructure, where the total area of the developed area is, or is intended to be 20 hectares or more.
R387	1(1)	the transmission and distribution of above ground electricity with a capacity of 120 kilovolts or more.
R386	7	The above ground storage of a dangerous good, including petrol, diesel, liquid petroleum gas or paraffin, in containers with a combined capacity of more than 30 cubic metres but less than 1 000 cubic metres at any one location or site.
		The transformation or removal of indigenous vegetation of 3 hectares or more or of any size where the transformation or removal would occur within a critically endangered or an endangered ecosystem listed in terms of section 52 of the National Environmental Management: Biodiversity Act, 2004 (Act No. 10 of 2004).  The construction of a road that is wider than 4 metres or that has a reserve wider than 6 metres,

Notice	Activity Number	Description
		excluding roads that fall within the ambit of another listed activity or which are access roads of less than 30 metres long.
R386	16 (b)	The transformation of undeveloped, vacant or derelict land to residential, mixed, retail, commercial, industrial or institutional use where such development does not constitute infill and where the total area to be transformed is bigger than 1 hectare.
