**RE : Dwaalboom 132kV Switching Station – Invitation to Authorities Meeting**

No of Pages (including cover)

4

**MESSAGE –**

Dear Sir,

In order to ensure that the Dwaalboom PPC plant receives a reliable supply of electricity, Eskom has proposed the construction of a new switching station. The switching station would have a 100m x 300m footprint, which would include the switching station itself as well as all secondary plant infrastructure. Turn-in lines and support pylons will connect the switching station to the existing lines.

There are three proposed sites for the Switching Station, namely Sites A, B, and C. All three sites are within Ward 5 of the Moses Kotane Local Municipality on the Farm De Paarl 246.

As part of the environmental process, you are invited to attend the authorities meeting. The aim of the meeting is to introduce the project, the project team and to determine any specific requirements and/or concerns that your organisation may have with the proposed development. The details of the meeting are as follows:

**Date:** 19 June 2008  
**Venue:** Pilanesberg Education Centre  
**Time:** 11H30 – 12H30

We look forward to meeting you. Should you have any queries do not hesitate to contact the undersigned.

Yours Sincerely  
**NEMAI CONSULTING C.C.**

No of Pages (including cover)

4

### MESSAGE –

Dear Sir,

In order to ensure that the Dwaalboom PPC plant receives a reliable supply of electricity, Eskom has proposed the construction of a new switching station. The switching station would have a 100m x 300m footprint, which would include the switching station itself as well as all secondary plant infrastructure. Turn-in lines and support pylons will connect the switching station to the existing lines.

There are three proposed sites for the Switching Station, namely Sites A, B, and C. All three sites are within Ward 5 of the Moses Kotane Local Municipality on the Farm De Paarl 246.

As part of the environmental process, you are invited to attend the authorities meeting. The aim of the meeting is to introduce the project, the project team and to determine any specific requirements and/or concerns that your organisation may have with the proposed development. The details of the meeting are as follows:

**Date:** 19 June 2008  
**Venue:** Pilanesberg Education Centre  
**Time:** 11H30 – 12H30

We look forward to meeting you. Should you have any queries do not hesitate to contact the undersigned.

Yours Sincerely  
**NEMAI CONSULTING C.C.**
