7. COMMENTS RAISED AND DISCUSSED

This section presents a summary of comments raised and discussed at the meeting.

No	Name & Surname	Question/Comment	Response and Action
1	Mr RJ Khumalo	How long will the EIA process take to complete?	It is anticipated that the final Environmental Impact Report (EIR) will be submitted to the Department of Environmental Affairs (DEA) in January 2018 for consideration and decision-making.
2	Mr RJ Khumalo	Does the timeline of the proposed Eskom Northern KZN project correspond with the electrification planning of the area?	The proposed project will improve the reliability of supply to the northern KZN areas and ensure that future electricity requirements are met. Therefore, the proposed project will not affect the electrification programme of the Emathongeni area.
3	Inkosi Zulu	Thank you to the EIA team for an informative and easy to understand presentation.	Inkosi Zulu's remarks were noted, with thanks.

No	Name & Surname	Question/Comment	Response and Action
