

Connect the dots and see who is filling up the bath.

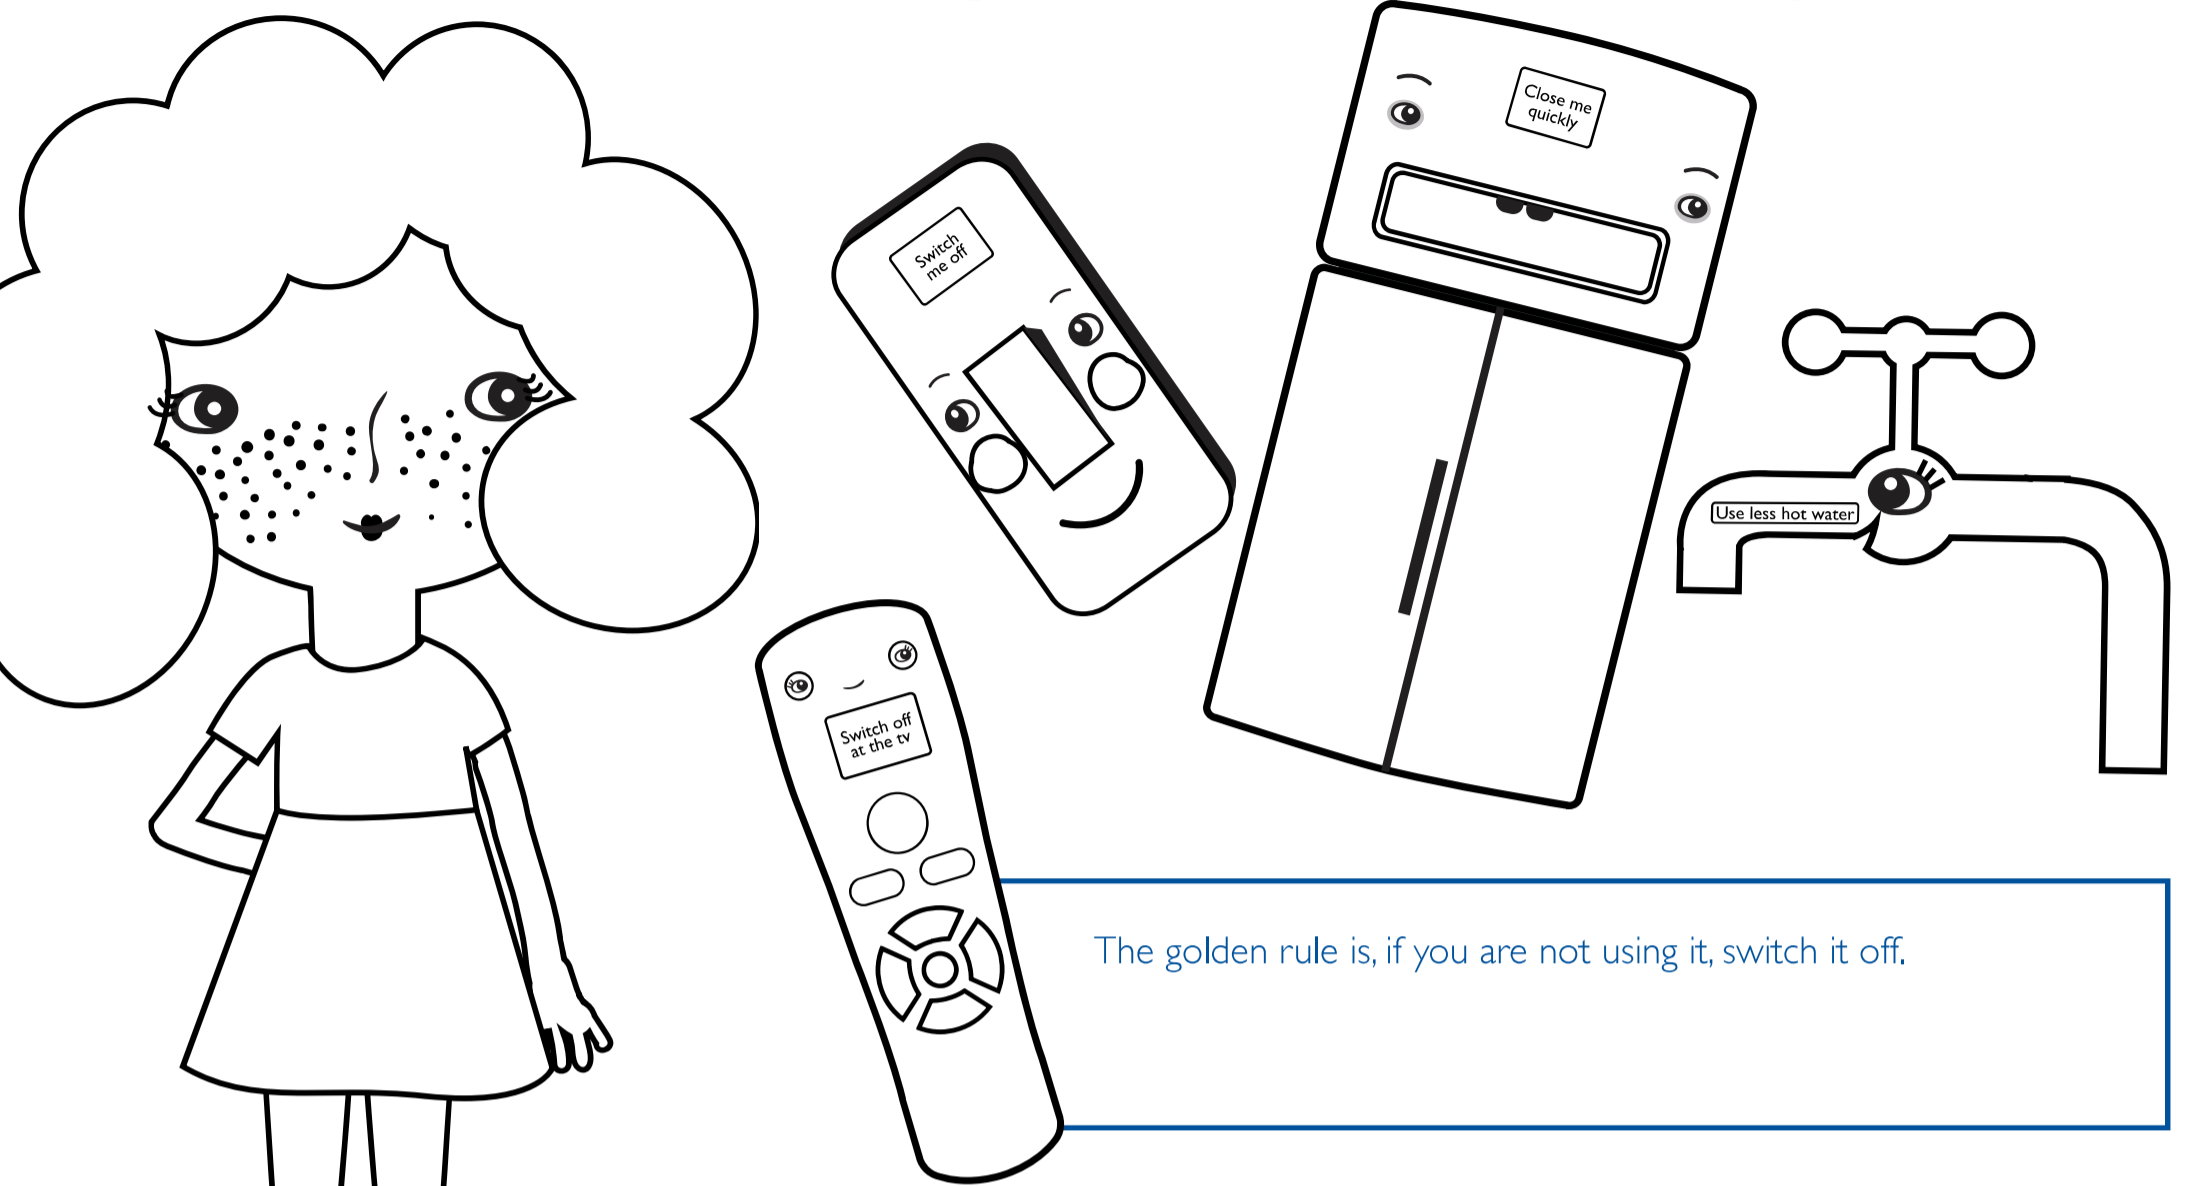

Don't waste electricity by filling the bath to the brim or topping up a cold bath with more hot water.

Spot the five differences inside Freddy the fridge.

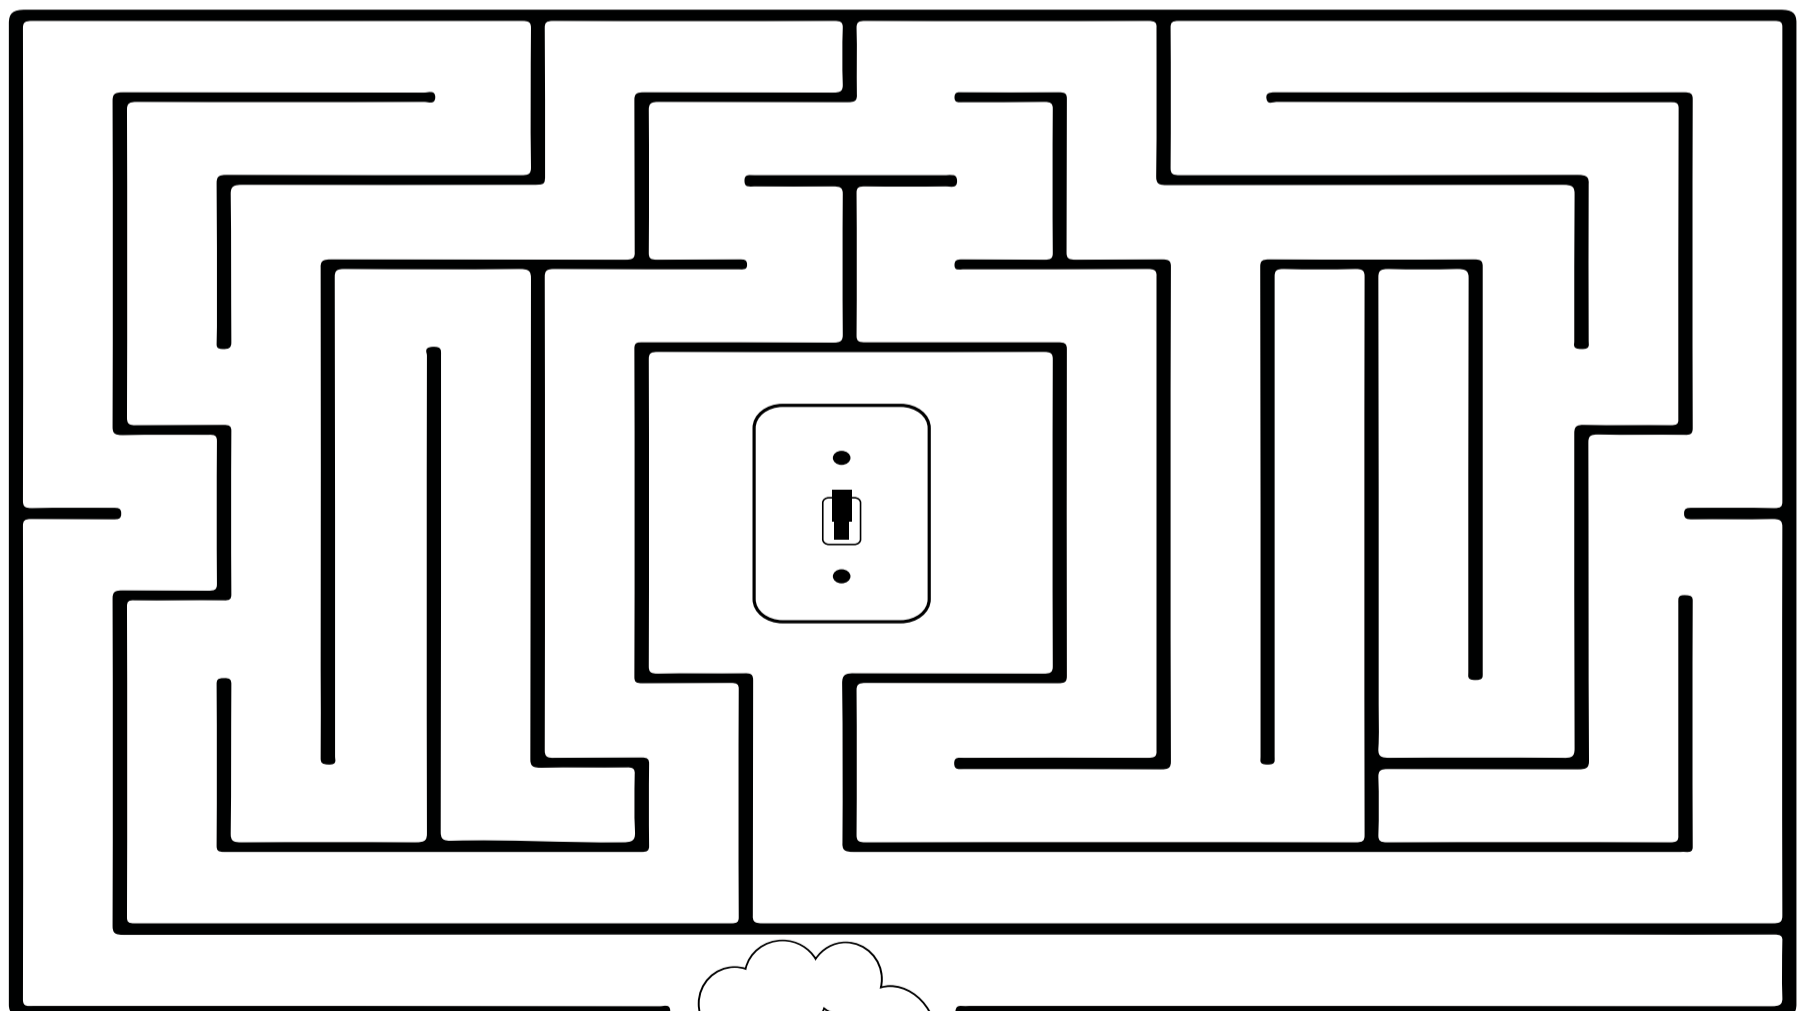

Before you open the fridge think about what you want inside and then close the door quickly in order to save electricity.

# Colour-in Ruby and her Powerpals.

The golden rule is, if you are not using it, switch it off.

# Help Ruby get to the light switch.

Switch off the light if there is no one in the room.
