

WHAT IS STOPPING YOUR BUSINESS FROM GROWING?

Eskom is engaging with customers like you to explore how your energy optimisation and business expansion can be improved. In order to do this we need some information. You are invited to ask our Energy advisors to meet with you to collect this information, or, if you prefer, you can fill in the details below, at your leisure.

Either way please email us at advisoryservice@eskom.co.za for an appointment

Your details
