

Small Commercial / Residential Demand Response Pilot Proposal Template

Aggregated Load Provider (ALP) name:

Submitted by (full name):

Date: _____

Signature: _____

1. ALP details

Name of ALP	
ALP Company Registration Number	
ALP Vendor Number (if applicable)	
Postal and street address (including postal codes)	
Telephone	
Email	

2. Background on aggregated load provider

- 2.1 Include expertise or track record of company and personnel.
- 2.2 Describe experience in project management.
- 2.3 Explain experience or track record with regard to the technology or project.
- 2.4 Capacity to execute the work.

3. Project background

- 3.1 Provide relevant project background information.

Type of operation	Eg. Small commercial or residential
Name of facilities	
Physical address	
Contact person	
Telephone	
Mobile	
Email	

- 3.2 What does the initiative entail?
- 3.3 Provide details and/or benefit to the end user.
- 3.4 Indicate if there are any active load management, energy-efficiency projects or special pricing agreements in place with Eskom or any other entity at the mentioned site.

4. Scope of work

- 4.1 Provide a detailed scope of work describing how the ALP demand response intervention will be achieved.
- 4.2 Provide a proposed implementation schedule, including the duration of the implementation period.

5. Load-reduction impact

- 5.1 Indicate if 30-minute interval-metering systems are currently in place to provide load-reduction data, and provide a description of the metering system.
- 5.2 Provide the potential load-reduction impact in **MW** vs the baseline for a typical weekday as stipulated in the tables below.

Hour →	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22
Monday																	
Tuesday																	
Wednesday																	
Thursday																	
Friday																	

6. Finance

- 6.1 Participant must prove that support exists to finance the project's cash flow.
- 6.2 Participant must be able to provide two years of comparative audited financial statements.
- 6.3 Participant must provide current Tax Clearance Certificate (original to be attached).
- 6.4 Participant must provide current VAT Clearance Certificate

7. Risks

- 7.1 Indicate risks that apply to the project.
- 7.2 State how any of the above risks will be mitigated.

8. Other

- 8.1 Other information that may be relevant to the submission that is not covered above.
