PROGRAMME MEMORANDUM
NQABA FINANCE 1 (RF) LIMITED

(Incorporated with limited liability in South Africa under registration number 2005/040050/06)

Asset Backed Note Programme

On 13 April 2006, the Issuer issued a programme memorandum in respect of the Programme (the "**2006 Programme Memorandum**"). The 2006 Programme Memorandum was amended and restated in May 2009 and further amendments were made to the 2006 Programme Memorandum in terms of a supplement dated 24 May 2010. The Issuer further amended and consolidated amendments to the 2006 Programme Memorandum in terms of an amended and restated Programme Memorandum dated 23 May 2011 (the "**2011 Programme Memorandum**"). Certain amendments to the 2011 Programme Memorandum were further effected during 2012 and 2013 and which amendments were consolidated into an amended and restated Programme Memorandum, effective 22 May 2013 (the "**2013 Programme Memorandum**"). Certain amendments to the 2013 Programme Memorandum were further effected during 2017 and which amendments were consolidated into an amended and restated Programme Memorandum, effective 29 June 2017 (the "**2017 Programme Memorandum**"). Certain amendments to the 2017 Programme Memorandum were further effected during 2019 and which amendments were consolidated into an amended and restated Programme Memorandum, effective 17 December 2019 (the "**2019 Programme Memorandum**"). Certain amendments to the 2019 Programme Memorandum were further effected during 2020 and which amendments were consolidated into an amended and restated Programme Memorandum, effective 06 July 2020 (the "**2020 Programme Memorandum**"). The Issuer further amended the 2020 Programme Memorandum, and consolidated all amendments into one document being this amended and restated Programme Memorandum. This Programme Memorandum amends, restates and replaces the 2020 Programme Memorandum with effect from the date of signature by the last of the directors to sign this Programme Memorandum.

Under this Asset Backed Note Programme (the "**Programme**"), **Nqaba Finance 1 (RF) Limited** (the "**Issuer**") may from time to time issue limited recourse secured registered notes (the "**Notes**") denominated in South African Rand, on the terms and conditions (the "**Terms and Conditions**") contained in the section of this Programme Memorandum headed "*Terms and Conditions of the Notes*". Capitalised terms used below are defined in the section of this Programme Memorandum headed "*Glossary of Definitions*".

Save as set out in this Programme Memorandum, the Notes will not be subject to any minimum or maximum maturity. This Programme Memorandum will apply to Notes issued under the Programme in an aggregate Outstanding Principal Amount which will not exceed R5 000 000 000, unless such aggregate Outstanding Principal Amount is increased as set out in the section of this Programme Memorandum headed "*General Description of the Programme*".

The Programme has been registered with the JSE. Each Tranche of Notes will be listed on the Interest Rate Market of the JSE or on such other or further exchange(s) as may be determined by the Issuer and the Dealer(s) and subject to any Applicable Laws. With respect to a Tranche of Notes listed on the Interest Rate Market of the JSE, the Applicable Pricing Supplement relating to that Tranche will be delivered to the JSE and the Central Securities Depository on or before the Issue Date, and the Notes in that Tranche may be traded by or through members of the JSE from the date specified in the Applicable Pricing Supplement. The trading of Notes listed on the Interest Rate Market of the JSE will take place in accordance with the rules and operating procedures for the time being of the JSE. The settlement of trades on the JSE will take place in accordance with the electronic settlement procedures of the JSE and the Central Securities Depository. The settlement and redemption procedures for a Tranche of Notes listed on another exchange, irrespective of whether that Tranche is listed on the Interest Rate Market of the JSE as well, will be specified in the Applicable Pricing Supplement.

The Notes will be issued in individual Tranches which, together with other Tranches, may form a Series of Notes. Each Tranche of Notes will be subject to the Terms and Conditions; provided that the Applicable Pricing Supplement relating to a Tranche of Notes may specify other terms and conditions (which may replace, modify or supplement the Terms and Conditions). Details of a particular Tranche of Notes, and the additional terms and conditions specific to that Tranche of Notes, including the Principal Amount, the Interest Rate, the Issue Price, the Scheduled Maturity Date and the Final Maturity Date, will be specified in the Applicable Pricing Supplement.

Notes may be issued on a continuing basis and be placed by one or more Dealers appointed by the Issuer from time to time, which appointment may be for a specific issue or on an ongoing basis.

The Programme is not rated, but it is expected that certain Tranches of Notes issued under the Programme will be rated by the Rating Agency on a national scale basis. Unrated Tranches of Notes may also be issued and Tranches of Notes may be issued that are assigned a Rating by a different Rating Agency to the Rating Agency that assigned a Rating to any Tranche of Notes in issue, provided that, where applicable, the Rating Agency, upon written request by the Issuer, has confirmed in writing that all its respective current Rating(s) of Tranches of Notes in issue will not be adversely affected by the issue of such unrated Tranches of Notes. A Rating is not a recommendation to subscribe for, buy, sell or hold Notes and may be subject to revision, suspension or withdrawal at any time by the Rating Agency.

The Notes are not directly secured by any of the assets of the Issuer but the Security SPV will execute the limited recourse Security SPV Guarantee in favour of the Secured Creditors (including the Noteholders). All payments to be made to the Secured Creditors (including the Noteholders) (whether made by the Issuer or the Security SPV) will be made in accordance with the Priority of Payments. The attention of investors is drawn to the section of this Programme Memorandum headed "*Security*" for an understanding of the security structure relating to the Notes.

The Notes will be obligations solely of the Issuer. The Notes will not be obligations of, or the responsibility of, or guaranteed by, the Arranger, the Dealers, the other parties to the Transaction Documents or, save to the extent of the net amount recovered from the Issuer pursuant to the Issuer Indemnity and from the property realised pursuant to the other Security Agreements (and then subject to the payment of higher ranking creditors in the Priority of Payments), the Security SPV, or any of their respective Affiliates. No liability whatsoever in respect of any failure by the Issuer to pay any amount due under the Notes will be accepted by the Arranger, the Dealers, the other parties to the Transaction Documents or, save to the extent of the net amount recovered from the Issuer pursuant to the Issuer Indemnity and from the property realised pursuant to the other Security Agreements, the Security SPV, or any of their respective Affiliates.

Prospective purchasers of Notes issued under the Programme should pay particular attention to the section of this Programme Memorandum headed "*Investment Considerations*".

TRANSACTION OVERVIEW

A general description of the Programme is set out below. The general description does not purport to be complete and is taken from, and is qualified by, the remainder of this Programme Memorandum and in relation to any particular Tranche of Notes, the Applicable Pricing Supplement.

Structural diagram

Transaction steps:

- In terms of the Home Loan Sale Agreements, the Seller has sold and may sell Eligible Home Loans together with the benefit of the Related Security to an insolvency remote Issuer. The initial sale took place on various Transfer Dates prior to the Initial Issue Date. Further sales may take place on a monthly basis during the Revolving Period.
- An Eligible Home Loan sold in terms of the Home Loan Sale Agreement may be a Guaranteed Home Loan (a Home Loans secured by, among other things, a Guaratee SPV Guarantee given by the Guaratee SPV in favour of the Seller guaranteeing the Borrower's obligations to the Seller under the Home Loan Agreement) or a Mortgage Home Loan (a Home Loans secured by, among other things, a Mortgage Bond).
- The Issuer funded the initial purchase on the Initial Issue Date through the issuance of Notes and borrowings under the Subordinated Loan Agreement. Further purchases during the Revolving Period have been and may be made from the proceeds of further Note issues and, subject to the availability of sufficient cash in terms of the Priority of Payments, through the reinvestment of Principal Collections.

- EFC, as Servicer to the Issuer, has continued and will continue to perform the administration, servicing and management of the Home Loans and Related Security on behalf of the Issuer. Absa Home Loans has acted and will continue to act as Back-Up Servicer.
- Absa, as Manager to the Issuer, has provided and will continue to provide financial administration services to the Issuer, including administering the Priority of Payments.
- During the Revolving Period, Absa has provided and will continue to provide a Redraw Facility to fund the advance of Redraws, Re-advances and Further Advances and a Liquidity Facility to fund specified expenses of the Issuer up to and including interest on the Notes, provided that immediately following a drawdown under such facilities, the Asset Quality Test is satisfied.
- The Issuer has entered into and may enter into further Derivative Contracts with Derivative Counterparties with the Required Credit Rating to hedge the Issuer's interest rate risk exposure arising from a mismatch between the basis of the interest earned on the Home Loans and that payable on the Notes.
- EFC, as Preference Shareholder, is entitled to receive dividends in respect of the Preference Shares.
- Should an Arrears Reserve Trigger Event occur, the Issuer will pay an amount into the Arrears Reserve, in terms of the Priority of Payments, up to the Arrears Reserve Required Amount.
- The Security SPV has been incorporated for the purposes of holding and realising security for the benefit of Secured Creditors, including Noteholders, subject to the Priority of Payments.
- The Security SPV has furnished a limited recourse Security SPV Guarantee to the Noteholders and other Secured Creditors. The Issuer has indemnified the Security SPV in respect of claims made under the Security SPV Guarantee. As security for such Issuer Indemnity, the Issuer has ceded and pledged the assets of the Issuer to the Security SPV.

GENERAL DESCRIPTION OF THE PROGRAMME

A general description of the Programme and the Terms and Conditions is set out below. The general description does not purport to be complete and is taken from, and is qualified by, the remainder of this Programme Memorandum and, in relation to any particular Tranche of Notes, the Applicable Pricing Supplement.

Under the Programme, the Issuer may from time to time issue Notes denominated in Rand. The Notes will be issued in individual Tranches which, together with other Tranches, may form a Series of Notes. A Series of Notes may, together with a further Series of Notes or more than one Series of Notes, form a Class of Notes. The Issuer will not require the consent of Noteholders for the issue of any Tranche of Notes.

Each Tranche of Notes will be listed on the Interest Rate Market of the JSE or on such other or further exchange(s) as may be determined by the Issuer and the Dealer(s) and subject to any Applicable Laws.

Each Tranche of Notes is subject to the Terms and Conditions; provided that the Applicable Pricing Supplement may specify other terms and conditions (which may replace, modify or supplement the Terms and Conditions), in which event such other terms and conditions shall, to the extent so specified in the Applicable Pricing Supplement or to the extent inconsistent with the Terms and Conditions, replace, modify or supplement the Terms and Conditions for the purpose of that Tranche of Notes.

The Programme is not rated, but it is expected that certain Tranches of Notes issued under the Programme will be rated by the Rating Agency on a national scale basis. Unrated Tranches of Notes may also be issued and Tranches of Notes may be issued that are assigned a Rating by a different Rating Agency to the Rating Agency that assigned a Rating to any Tranche of Notes in issue, provided that the Rating Agency, upon written request by the Issuer, has confirmed in writing that all its respective current Rating(s) of Tranches of Notes in issue will not be adversely affected by the issue of such unrated Tranches of Notes. The Applicable Pricing Supplement will reflect the Rating, if any, which has been assigned to a Tranche of Notes, as well as the Rating Agency or Rating Agencies which assigned such Rating or Ratings. A Rating is not a recommendation to subscribe for, buy, sell or hold Notes and may be subject to revision, suspension or withdrawal at any time by the Rating Agency. Any change in the Rating assigned by the Rating Agency will be notified to the JSE and an announcement to that effect will be published on SENS as soon as possible thereafter in compliance with the JSE Debt Listings Requirements.

This Programme Memorandum will apply to Notes in issue by the Issuer under the Programme in an aggregate Outstanding Principal Amount which does not exceed R5 000 000 000, unless such aggregate Outstanding Principal Amount is increased in accordance with the Programme Agreement, as set out below.

From time to time the Issuer may wish to increase the aggregate Outstanding Principal Amount of the Notes that may be in issue by the Issuer under the Programme. Subject to the listings requirements of the JSE and/or such other or further exchange(s) on which any Tranche of Notes may be listed, to any Applicable Law and the Programme Agreement, the Issuer may, without the consent of Noteholders, increase the aggregate Outstanding Principal Amount of the Notes that may be in issue by the Issuer under the Programme by delivering a notice thereof to the Arranger and the Dealers. Upon such notice being given and the conditions set out in the Programme Agreement to the exercise of this right having been met, all references in this Programme Memorandum, or any other agreement, deed or document relating to the Programme, to the aggregate Outstanding Principal Amount of the Notes that may be in issue by the Issuer under the Programme will be, and will be deemed to be, references to the increased aggregate Outstanding Principal Amount set out in such notice.

The Subordinated Loans and/or Subordinated Notes may be utilised by the Issuer to fund a portion of the Purchase Price of the Home Loans or to redeem outstanding Notes and repay Subordinated Loans, as specified in the Applicable Pricing Supplement. The principal amount of such Subordinated Loans and/or Subordinated Notes will be specified in the Applicable Pricing Supplement. The aggregate principal amount of all Subordinated Loans advanced to the Issuer from time to time in terms of the Subordinated Loan Agreements, may not exceed 18% of the Outstanding Principal Amount of the Notes (including Subordinated Notes) in issue from time to time.

During the Revolving Period, the Subordinated Notes and the Subordinated Loan shall not be repaid.

Arrears Reserve

On any Determination Date, should the aggregate Arrears on the Home Loans exceed certain levels and trigger an Arrears Reserve Trigger Event, the Issuer will be required to pay an amount into the Arrears Reserve, in terms of the Priority of Payments, up to the Arrears Reserve Required Amount. Any amounts by which the balance on the Arrears Reserve exceeds the Arrears Reserve Required Amount will be paid into the Transaction Account.

The Arrears Reserve will be available to meet interest and principal payments on the Notes (other than the Class E Notes), on any Payment Date, in the event of a shortfall in available funds for that purpose in terms of the Priority of Payments.

Liquidity Facility

The Issuer has entered into a revolving loan facility with the Liquidity Facility Provider. Such facility is used for the sole purpose of funding Liquidity Shortfalls. (See the section of this Programme Memorandum headed "*Structural Features*" for a description of the Liquidity Facility.)

Permitted Investments

The Issuer is entitled to invest cash standing to the credit of the Bank Accounts from time to time in Permitted Investments.

Negative Pledge

Condition 10 of the Terms and Conditions provides for negative pledge and other restrictions on the Issuer requiring the consent of the Security SPV relating, among other things, to activities, disposals, bank accounts, dividends, distributions, borrowings and amendments to the Transaction Documents.

Programme Description

Description of the Programme

The Nqaba Finance 1 (RF) Limited R 5 000 000 000 Asset Backed Note Programme.

Size of the Programme

Up to R 5 000 000 000 outstanding at any time. The Issuer may increase the amount of the Programme in accordance with the terms and conditions of the Programme Agreement and subject to

any required regulatory approvals.

Rating of Notes

The Programme is not rated, but it is expected that certain Tranches of Notes issued under the Programme will be rated by the Rating Agency on a national scale basis. The Rating and the Rating Agency will be specified in the Applicable Pricing Supplement.

Unrated Tranches of Notes may also be issued and Tranches of Notes may be issued that are assigned a Rating by a different Rating Agency to the Rating Agency that assigned a Rating to any Tranche of Notes in issue, provided that, where applicable, the Rating Agency, upon written request by the Issuer, has confirmed in writing that all its respective current Rating(s) of Tranches of Notes in issue will not be adversely affected by the issue of such unrated Tranches of Notes. A Rating is not a recommendation to subscribe for, buy, sell or hold Notes and may be subject to revision, suspension or withdrawal at any time by the Rating Agency. Any change in the Rating assigned by the Rating Agency will be notified to the JSE and an announcement to that effect will be published on SENS as soon as possible thereafter in compliance with the JSE Debt Listings Requirements.

Notes

Limited recourse, secured, registered notes issued by the Issuer under the Programme. The description of, and terms and conditions applicable to, Notes other than those specifically described in this Programme Memorandum will be set out in the Applicable Pricing Supplement.

Payments (whether in respect of interest or principal) in respect of the Notes may be determined by reference to such fixed or floating rates or such indices or formulae as may be specified in the Applicable Pricing Supplement. Notes may be:

- (a) interest-bearing or non-interest bearing;
- (b) issued at par, a premium or a discount;
- (c) issued in fully paid up form;
- (d) exchangeable for other assets;
- (e) issued with such other characteristics as may be specified in the Applicable Pricing Supplement.

Form of Notes

Notes will be issued in registered form.

Currency

Notes may only be issued in South African Rand, the lawful currency of South Africa.

Terms and Conditions

Each Tranche of Notes is subject to the Terms and Conditions (see the section of this Programme Memorandum headed "*Terms and Conditions of the Notes*"); provided that the Applicable Pricing

Supplement may specify other terms and conditions (which may replace, modify or supplement the Terms and Conditions).

Issue Price

Each Note in a Tranche will be issued on a fully-paid basis, at an issue price which is at its Principal Amount or at a discount to, or premium over, its Principal Amount, as specified in the Applicable Pricing Supplement.

Denomination of Notes

Notes will be issued with a minimum denomination of not less than R1 000 000, as specified in the Applicable Pricing Supplement.

Maturities

The Notes are not subject to any minimum or maximum maturity. The maturity of each Tranche of Notes will be specified in the Applicable Pricing Supplement.

Interest Rate and Interest Payment Dates

As specified in the Applicable Pricing Supplement.

Register

The Register will be maintained by the Transfer Agent in terms of the Terms and Conditions.

Register Closed

The Register will, in respect of each Tranche of Notes, be closed prior to each Interest Payment Date and Redemption Date, for the periods described in Condition 16, in order to determine those Noteholders entitled to receive payments.

Status of Notes

The Notes are direct, limited recourse, secured obligations of the Issuer.

The claims of each Noteholder of a Class of Notes (whether in respect of principal, interest or otherwise) are subordinated to the claims of higher ranking creditors of the Issuer (including Noteholders of higher ranking Classes of Notes) in accordance with the Priority of Payments. The Notes of each Class of Notes rank *pari passu* among themselves.

Security

The Notes are limited recourse obligations of the Issuer only. The Issuer's obligations under the Notes are not directly secured by any of the assets of the Issuer, but the payment obligations of the Issuer in terms of the Notes are guaranteed by the Security SPV in terms of the Security SPV Guarantee. In terms of the Issuer Indemnity, the Issuer indemnifies the Security SPV in respect of claims made under the Security SPV Guarantee. The liability of the Security SPV pursuant to the Security SPV Guarantee is limited in the aggregate to the net amount recovered by the Security SPV from the Issuer pursuant to the Issuer Indemnity and from the property realised pursuant to the other Security Agreements. Under the Security Cession, the Issuer cedes and pledges the assets of the Issuer to the Security SPV as security for the Issuer's obligations under the Issuer Indemnity (see the section of this Programme Memorandum headed "*Security*").

Final Redemption

Unless redeemed at a prior date, the Issuer shall redeem each Note in a Tranche of Notes at its Outstanding Principal Amount

(together with accrued interest) on the Final Maturity Date specified in the Applicable Pricing Supplement, as more fully described in Condition 7.1.

Scheduled Redemption (during the Revolving Period)

The Issuer shall, subject to Condition 7.3, redeem all, but not some only, of the Notes in a Tranche of Notes at their aggregate Outstanding Principal Amount (together with accrued interest) on the Scheduled Maturity Date specified in the Applicable Pricing Supplement, as more fully described in Condition 7.2.

Mandatory Redemption in part (during the Revolving Period, as from the Scheduled Maturity Date)

If the Notes in a Tranche are not redeemed in full on the Scheduled Maturity Date, the Notes in that Tranche and the Notes in each other Tranche of Notes having that Scheduled Maturity Date, will be subject to mandatory redemption in part on each Interest Payment Date on and as from the Scheduled Maturity Date, in reducing order of rank (and *pari passu* if of equal rank) as determined by the respective Classes of such Notes, to the extent permitted by and in accordance with the Priority of Payments, as more fully described in Condition 7.3.

Mandatory Redemption in part (during the Revolving Period, prior to the Scheduled Maturity Date)

The Notes in all Tranches of Notes will be subject to mandatory redemption in part on each Interest Payment Date during the Revolving Period, prior to their Scheduled Maturity Dates, if there are no or insufficient Further Advances and Additional Home Loans offered to the Issuer for purchase or if any conditions to purchase are not satisfied, to the extent that on such Interest Payment Date the Issuer has available funds for this purpose in accordance with the Priority of Payments, as more fully described in Condition 7.4 of the Notes. In relation to the Class A Notes, such amount shall be allocated first to those Class A Notes specified in the Applicable Pricing Supplements as Prepayment Class A Notes, until such Prepayment Class A Notes have been redeemed in full, and then only to the other Class A Notes.

Mandatory Redemption in part (Amortisation Period)

The Notes in all Tranches of Notes will be subject to mandatory redemption in part on each Interest Payment Date during the Amortisation Period, in reducing order of rank (and *pari passu* if of equal rank) as determined by the respective Classes of the Notes, to the extent permitted by and in accordance with the Priority of Payments, as more fully described in Condition 7.5.

Mandatory Redemption following delivery of an Enforcement Notice

Upon the delivery of an Enforcement Notice (following the occurrence of an Event of Default), the Notes in all Tranches of Notes will be immediately due and payable, and the Notes will be redeemed in accordance with Condition 11.

Optional Redemption

The Issuer may redeem early all, but not some only, of the Notes in a Tranche of Notes, in full but not in part, at their Outstanding Principal Amount (together with accrued interest) upon not less than 20 days' notice:

- (i) on any Interest Payment Date after the Scheduled Maturity Date of such Tranche of Notes, if the Issuer has not

redeemed the Notes in that Tranche in full on the Scheduled Maturity Date, as more fully described in Condition 7.6.1; or

- (ii) for tax reasons, as more fully described in Condition 7.7 of the terms and conditions of the Notes.

On any Interest Payment Date during the Amortisation Period on which the aggregate Outstanding Principal Amount of the Notes is equal to or less than 10% of the maximum aggregate Outstanding Principal Amount of the Notes that have been in issue at any time, the Issuer may redeem early all, but not some only, of the Notes in full but not in part, at their Outstanding Principal Amount (together with accrued interest) upon not less than 20 days' notice, as more fully described in Condition 7.6.2.

Priority of Payments

The Priority of Payments is the sequence in which the Issuer or the Security SPV, as the case may be, will make payments to creditors of the Issuer (including Noteholders and other Secured Creditors).

The Issuer and the Security SPV have contracted with each existing Secured Creditor and shall contract with any new Secured Creditor on the basis that payments due to it in terms of a Transaction Document shall be made, to the extent permitted by and in accordance with, the Priority of Payments, so that a Secured Creditor that ranks subsequent to any other creditor in the Priority of Payments will not be paid unless and until all other creditors which rank prior to it in the Priority of Payments have been paid in full all amounts then due and payable to them by the Issuer or the Security SPV, as the case may be, or amounts accrued up to that date have been provided for.

The Pre-Enforcement Priority of Payments applicable during the Revolving Period applies during the Revolving Period and prior to delivery of an Enforcement Notice. The Pre-Enforcement Priority of Payments applicable during the Amortisation Period applies during the Amortisation Period and prior to delivery of an Enforcement Notice. The Post-Enforcement Priority of Payments applies after delivery of an Enforcement Notice. The Pre-Enforcement Priority of Payments applicable during the Revolving Period, the Pre-Enforcement Priority of Payments applicable during the Amortisation Period and the Post-Enforcement Priority of Payments are set out in the Management Agreement, as described in the section of this Programme Memorandum headed "*Priority of Payments*".

Limited Enforcement

The power of Secured Creditors to take action in respect of their claims is limited in the manner set out in Condition 12 and the Common Terms Agreement.

Securities Transfer Tax

In terms of current South African legislation as at the date of this Programme Memorandum, no securities transfer tax is payable by

the Issuer on the original issue of, or on the registration of transfer of, Notes on the basis that the Notes will not comprise a "security" as defined in section 1 of the Securities Transfer Tax Act, 2007. Any future stamp duties that may be introduced will be for the account of Noteholders.

Withholding Tax

Payments in respect of interest and principal will be made without withholding or deduction for Taxes unless such withholding or deduction is required by law. In the event that such withholding or deduction is required by law, the Issuer will not be obliged to pay additional amounts in relation thereto.

Tax Status

A summary of applicable current South African Tax legislation appears in the section of this Programme Memorandum headed "*South African Taxation*". The section does not constitute tax advice and investors should consult their own professional advisers.

Governing Law

The Notes and the other Transaction Documents will be governed by, and construed in accordance with, the laws of South Africa.

Distribution

Notes may be offered by way of private placement or any other means permitted by law as determined by the Issuer and reflected in the Applicable Pricing Supplement.

Selling Restrictions

The distribution of this Programme Memorandum and the placing of a particular Tranche of Notes may be restricted by law in certain jurisdictions, and are restricted by law in the United States of America, the United Kingdom and South Africa. Any relevant selling restrictions and other restrictions as may be required to be met in relation to an offering or sale of a particular Tranche of Notes shall be included in the Applicable Pricing Supplement. Persons who come into possession of this Programme Memorandum or the Applicable Pricing Supplement must inform themselves about and observe such restrictions.

Emigrant Capital Account

Funds in this account may be used to subscribe for or purchase Notes subject to the South African Exchange Control Regulations.

INVESTMENT CONSIDERATIONS

Prospective investors should carefully consider the following investment considerations, in addition to the matters described elsewhere in this Programme Memorandum, prior to investing in the Notes. The matters set out in this section are not necessarily exhaustive and prospective investors must form their own judgement in regard to the suitability of the investment they are making.

Ratings of the Notes

It is expected that certain Tranches of Notes issued under the Programme will be rated by an internationally recognised rating agency on a national scale basis. Unrated Tranches of Notes may also be issued and Tranches of Notes may be issued that are assigned a Rating by a different Rating Agency to the Rating Agency that assigned a Rating to any Tranche of Notes in issue, provided that the Rating Agency, upon written request by the Issuer, has confirmed in writing that all its respective current Rating(s) of Tranches of Notes in issue will not be adversely affected by the issue of such unrated Tranches of Notes. The Rating of any Tranche of Notes is not a recommendation to subscribe for, purchase, hold or sell Notes, inasmuch as, among other things, such Rating does not comment on the market price or suitability of the Notes for a particular investor. The Rating of a Tranche of Notes only addresses the likelihood that the aggregate principal of such Notes will be fully repaid by the Final Maturity Date of such Notes and that the interest payable in respect of such Notes will be paid on a timely basis. Such Rating does not address the likelihood of repayment of the aggregate principal of any such Notes or any portion thereof before the Final Maturity Date. Notwithstanding the above, as of the date of this Programme Memorandum, the Rating of the Class A Notes addresses the likelihood that the aggregate principal will be fully repaid by the Final Maturity Date of such Notes and that the interest payable in respect of such Notes will be timeously paid. The Rating of any other tranche of Notes only addresses the likelihood that the aggregate principal of such Notes will be fully repaid on the Final Maturity Date and the interest payable in respect of such Notes will be paid in accordance with the Priority of Payments.

There can be no assurance that any rating agency other than the Rating Agency will issue a rating and, if so, what such rating will be. A rating assigned to a Tranche of Notes by a rating agency that has not been requested by the Issuer to do so, may be lower than the equivalent Rating assigned by the Rating Agency, or such rating agency may assign an international scale rating which could be lower than national scale ratings assigned by the Rating Agency. In addition, there can be no assurance that a Rating will remain for any given period of time or that the Rating will not be lowered or withdrawn entirely by the assigning Rating Agency if, in its judgment, circumstances in the future warrant such action. There can be no assurance of any connection between the national scale rating and any international scale rating.

Warranties

Neither the Issuer nor the Security SPV has undertaken or will undertake any investigations, searches or other actions in respect of the Home Loans and Related Security, and each will rely instead on the warranties given by the Seller in the Home Loan Sale Agreement. There can be no assurance that the Seller will have the financial resources to honour its obligations under such warranties. Such obligations are not guaranteed by, nor will they be the responsibility of, any person other than the Seller and neither the Issuer nor the Security SPV shall have any contractual recourse to any other person in the event that the Seller, for whatever reason, fails to meet such obligations.

Non-Recourse Obligations

The Notes will be obligations solely of the Issuer. In particular, without limitation, the Notes will not be obligations of, and will not be guaranteed by, the Arranger, the Dealers, the Seller, the Servicer, the Back-Up Servicer, the Manager, the Liquidity Facility Provider, the Redraw Facility Provider, the Subordinated Lender, the Preference Shareholder, the Derivative Counterparties or, save to the extent of the net amount recovered from the Issuer pursuant to the Issuer Indemnity and from the property realised pursuant to the other Security Agreements, the Security SPV. The Issuer will rely solely on its assets, and the receipt of amounts on or in respect of such assets, including primarily the receipt of payments in respect of amounts due under or in connection with the Home Loans and Related Security purchased by it, the cash available in the Transaction Account and from the Permitted Investments, and, if applicable, the proceeds of the re-issue of Notes to enable it to make payments in respect of the Notes.

Following a claim under the Security SPV Guarantee, the Security SPV will have recourse against the Issuer under the Issuer Indemnity, such recourse being limited to the assets of the Issuer, which assets have, in terms of the Security Cession, been secured by a cession *in securitatem debiti* in favour of the Security SPV. The assets comprise, among other things, the Home Loans, collateral

security in respect of the Home Loans, Permitted Investments, the Bank Accounts and Account Monies. Following a claim under the Security SPV Guarantee, the Security SPV will have recourse against the Owner Trustee under the Owner Trust Suretyship and the Owner Trust Pledge, such recourse being limited to the extent of the shares owned by the Owner Trust in the Issuer pledged to the Security SPV under the Owner Trust Pledge.

If, upon default by Borrowers and after the exercise by the Servicer of remedies in terms of the credit procedures and policies in respect of the Home Loans, the Issuer does not receive the full amount due from those Borrowers, then Noteholders may receive by way of principal repayment an amount less than the Outstanding Principal Amount of their Notes and the Issuer may be unable to pay in full or in part interest due on the Notes.

Priority of Payments

The Management Agreement prescribes a “Pre-Enforcement Priority of Payments applicable during the Revolving Period” in which the Secured Creditors will be paid during the Revolving Period and prior to delivery of an Enforcement Notice, a “Pre-Enforcement Priority of Payments applicable during the Amortisation Period” in which the Secured Creditors will be paid during the Amortisation Period and prior to delivery of an Enforcement Notice and a “Post-Enforcement Priority of Payments” applicable after delivery of an Enforcement Notice.

The claims of all Secured Creditors are subordinated in accordance with the Priority of Payments, and the Secured Creditors will be entitled, notwithstanding the amount of any payments owing to them under the Transaction Documents, to receive payment from the Issuer or the Security SPV, as the case may be, only to the extent permitted by and in accordance with the Priority of Payments.

The subordinations envisaged by the Priority of Payments, the Terms and Conditions and the other Transaction Documents are contractual in nature, and their enforcement against the parties to the Transaction Documents and against third parties is limited accordingly. In particular, creditors of the Issuer who are not parties to the Transaction Documents may not be bound by the Priority of Payments and may accordingly be entitled under Applicable Law to assert a payment priority inconsistent with the ranking otherwise accorded to them in the Priority of Payments.

As described below in the paragraph “Liquidation of the Issuer”, the Issuer is structured as an insolvency remote, ring-fenced special purpose vehicle which limits the risk of external creditors who are not bound by the Priority of Payments.

Limited Liquidity of the Notes and Restrictions on Transfer

Currently no secondary market exists for the Notes. There can be no assurance that any secondary market for any of the Notes will develop, or, if a secondary market does develop, that it will provide the Noteholders with liquidity of investment or that it will continue for the life of such Notes. Consequently, a subscriber must be prepared to hold such Notes until the relevant Final Maturity Date.

Noteholders that trade in the Notes during the period that the Register is closed, will need to reconcile any amounts payable on the following Payment Date pursuant to any partial redemption of the Notes. As a result, secondary market liquidity of the Notes may reduce during this period.

Counterparty Risk

There is a risk that counterparties to agreements with the Issuer, such as Derivative Counterparties, the Liquidity Facility Provider and the Redraw Facility Provider, may not perform their obligations under those agreements and this may affect the ability of the Issuer to pay interest and/or principal on the Notes. In terms of the Transaction Documents, this risk is mitigated by requiring certain parties to hold a Required Credit Rating.

Downgrade Risk

If a party to a Transaction Document is required to hold a Required Credit Rating and ceases to hold such Required Credit Rating, then such party's obligations may be guaranteed by another party which has the Required Credit Rating or a replacement party with the Required Credit Rating will be appointed, if such other party is available and willing to act. No assurance can be given that a guarantor

or replacement party with the Required Credit Rating will be appointed. In certain circumstances, cash collateral may be taken to protect the Issuer's interest in the relevant Transaction Document.

Concentration of Borrowers

Concentrations of Borrowers employed by a single employer or a limited number of employers creates a linkage between the rating of the Notes and the rating of the employer. At the Initial Issue Date approximately 96% of the underlying Borrowers are employed by Eskom which is rated B2 on a global rating scale. Should the concentration of Borrowers change post the Initial Issue Date, the Rating of the Notes may be impacted. To mitigate the risk of a change to the composition of the portfolio post the Initial Issue Date, a Portfolio Covenant has been included requiring that the number of Borrowers employed by Eskom (excluding those Borrowers employed by Eskom group companies) must be greater than or equal to 85% of the total Borrowers. A further consideration which reduces the risk of defaults by Borrowers under Home Loans is the Required Minimum Payroll Deduction Percentage Portfolio Covenant whereby, as at the Initial Issue Date, the Borrowers under 97% of the Home Loans owned by the Issuer pay Instalments by way of payroll deduction by Eskom and its Group companies.

Guarantee and Indemnity Structure

The Security SPV has executed the Security SPV Guarantee in favour of Secured Creditors and has entered into the Issuer Indemnity with the Issuer. The Issuer has received a legal opinion stating that the entering into of the Security SPV Guarantee and the Issuer Indemnity will enable the security structure in favour of the Secured Creditors to be enforced by the Security SPV in the manner set out in this Programme Memorandum. There is no guarantee that a court would reach the same conclusion as that in the legal opinion obtained by the Issuer.

If the Security SPV Guarantee and/or the Issuer Indemnity structure is not enforceable, then Secured Creditors shall be entitled to take action themselves to enforce claims directly against the Issuer should an Event of Default occur but, in such circumstances, the security held by the Security SPV will no longer be effective as a means of achieving distribution of the Issuer's assets in accordance with the Priority of Payments.

The Security SPV has not taken or obtained any independent legal or other advice or opinions in relation to the Issuer or any other persons or the Transaction Documents (including the Security Agreements) or any other document, or in relation to the transactions contemplated by any of the Transaction Documents or any other documents.

Insolvency of the Security SPV

It is possible for the Security SPV itself to be wound-up, liquidated or placed under judicial management or supervision by a business rescue practitioner which could adversely affect the rights of the Secured Creditors. The liabilities of the Security SPV under the Security SPV Guarantee granted in favour of the Secured Creditors cannot in the aggregate exceed the net amount recovered by the Security SPV pursuant to the Issuer Indemnity.

Accordingly, it is improbable that the Security SPV itself will be insolvent (and therefore be wound-up, liquidated or placed under judicial management or supervision by a business rescue practitioner) unless there were to be, for example, dishonesty or fraudulent conduct or breach of contract on the part of the Security SPV, for instance by its directors or officers entering into unauthorised transactions on behalf of the Security SPV.

Security

In relation to Mortgaged Home Loans, the claims of the Issuer against Borrowers are secured by first Mortgage Bonds registered over the Properties financed in terms of the Home Loan Agreements in favour of and in the name of the Issuer. The Security SPV concluded that the costs associated with registering security cessions in favour of the Security SPV in respect of the Mortgage Bonds at the respective Deeds Office are unwarranted, and, accordingly, no such security cessions have been registered.

The security structure in the form of the Guarantees from the Security SPV backed-up by the Indemnity from the Issuer provides Secured Creditors, through the Security SPV, with contractual recourse to the Issuer and its security from Borrowers but does not provide any direct security over the Properties secured by the Mortgage Bonds.

Liquidation of the Issuer

The Issuer has been structured as an insolvency remote, ring-fenced special purpose vehicle, a structure which limits the risk that there may be third parties who are not bound by the Transaction Documents who may apply for the liquidation of the Issuer. Third party creditors of the Issuer that are not contractually bound by the Priority of Payments rank high in the Priority of Payments, including the tax authorities and administrative creditors. Secured Creditors contract with the Issuer on the basis that their claims against the Issuer will be subordinated in accordance with the Priority of Payments, will not bring an application for the liquidation of the Issuer until 2 years after the payment of all amounts outstanding and owing by the Issuer under the Notes and the other Transaction Documents and agree not to sue the Issuer except through the Security SPV. The proceeds in the hands of the Security SPV will be distributed in accordance with the Priority of Payments.

If, notwithstanding the ring-fenced structure, there is an external creditor not bound by the Priority of Payments, on the liquidation of the Issuer such external creditor would rank *pari passu* with or ahead of the Security SPV, depending on the statutory preference of claims in terms of the Insolvency Act, 1936, in regard to the assets of the Issuer other than assets of the Issuer properly secured by the Security Cession.

Change in Legislation

The Home Loan Agreements are subject to legislation which may change at any time. No prediction can be made as to whether such legislation will change and, if it does, what the effect of such changes will be on the Home Loan Agreements or the Issuer.

Board of Directors of the Issuer

The board of directors of the Issuer comprises 4 persons, only one of whom is nominated by EFC. The board of directors of the Issuer is accordingly independent of the Arranger and the Seller as contemplated in paragraph 4(2)(q) of the Securitisation Regulations.

No support from the Seller

The Seller, acting in a primary role, is not obliged to support any losses suffered by the Issuer in respect of the purchase of Home Loans and Related Security or the Noteholders in respect of the Notes.

No support from the Servicer

The Servicer is not under any obligation to fund payments owed in respect of the Notes, absorb losses in respect of the assets of the Issuer or otherwise recompense investors for losses incurred in respect of the Notes.

Suitability of Investment

This Programme Memorandum identifies some of the information that a prospective investor should consider prior to making an investment in the Notes. This Programme Memorandum does not, however, purport to provide all of the information or the comprehensive analysis necessary to evaluate the economic and other consequences of investing in the Notes. A prospective investor should, therefore, conduct its own thorough analysis, including its own accounting, legal and tax analysis, prior to deciding to invest in the Notes. A prospective investor should make an investment in the Notes only after it has determined that such investment is suitable for its financial investment objectives. This Programme Memorandum is not, and does not purport to be, investment advice.

Collectability of Home Loans

The collectability of amounts due under the Home Loans is subject to credit, liquidity and interest rate risks and will generally fluctuate in response to, among other things, market interest rates, general economic conditions, the financial standing of Borrowers, and other similar factors, all of which may lead to an increase in delinquencies and insolvency applications by Borrowers and could ultimately have an adverse impact on the ability of Borrowers to repay amounts owing in respect of Home Loans. The risk associated with the collectability of the Home Loans is mitigated by way of the payroll deductions performed by Eskom in respect of Home Loan payments by the Borrowers.

In addition, the ability of the Issuer to dispose of a foreclosed property at a price sufficient to repay the amounts outstanding under the relevant Home Loan will depend upon the availability of buyers for the Property at the time and general property market values.

Risks of Losses Associated with Declining Property Values

The security for the obligations of the Issuer consists of mainly the Issuer's interest in the Home Loans. This security may be affected by, among other things, a decline in property values. No assurance can be given that values of the Properties have remained or will remain at the level at which they were on the dates of origination of the related Home Loans. If the residential property market in South Africa should experience an overall decline in property values, such a decline could in certain circumstances result in the value of the security created by the Home Loans being significantly reduced and, ultimately, may result in losses to the Noteholders if the security is required to be enforced.

Geographic Concentration

Certain geographic regions will from time to time experience weaker regional economic conditions and housing markets than will other regions and, consequently, will experience higher rates of loss and delinquency on Home Loans generally. There are concentrations of Properties within certain regional areas which may present risk considerations different from those without such concentrations.

Yield and Prepayment Considerations

The yield to maturity of the Notes will depend on, *inter alia*, the amount and timing of payment of principal (including Further Advances made, acquisitions of Additional Home Loans, and repurchases or substitutions of Home Loans by the Seller due to, *inter alia*, breaches of the warranties) on the Home Loans and the price paid by the Noteholders. Such yield may be adversely affected by higher or lower than anticipated rates of Repayments by Borrowers and the amount of Further Advances.

Repayments before the end of a Home Loan term may result from enforcement proceedings under the relevant Home Loans. In addition, repurchases of Home Loans required to be made under the Home Loan Sale Agreement will have the same effect as early repayment of such Home Loans.

The rates of Repayment and the amount of Further Advances cannot be predicted and are influenced by a wide variety of economic, social and other factors, including prevailing Home Loan market interest rates, the availability of alternative financing, local and regional economic conditions and homeowner mobility. Therefore, no assurance can be given as to the level of Repayments and Further Advances that the Home Loan Pool will experience.

Although it is anticipated that the Issuer will redeem all of the Notes in a Tranche in full, and not in part only, at the Scheduled Maturity Date, no guarantee is given in this regard.

Defaults under the Home Loans

If a sufficient number of Borrowers default, the Issuer may be unable to pay the Secured Creditors (including the Noteholders) in full or at all.

To reduce the risk of default, the Servicer on behalf of the Seller or Issuer, as the case may be, has applied certain Credit Criteria in granting Home Loans and Further Advances. The purpose of the Credit Criteria includes limiting the Issuer's exposure to certain lower quality assets.

There is no assurance that the measures set out above will eliminate the relevant risks.

Insurance risks

In relation to all Home Loans, Borrowers, or in the case of sectional title units, the relevant body corporates, are required to take out and maintain Homeowners' Policies. In relation to certain of the Home Loans, life insurance policies have been taken out by the Borrowers, in accordance with their respective Home Loan Agreements, with a Life Insurance Company. If those insurances are not obtained and maintained, are not available or if the insurer defaults, payment may not be received on damage to the Properties.

Co-mingling risk

In terms of the Servicing Agreement, the Servicer will, amongst its various duties, collect payments in respect of the Home Loans and act as custodian of various documentation. On an insolvency of the Servicer, the Issuer, as principal, will be entitled to vindicate all property which it can identify among the assets of the Servicer, as agent, as being vested in it as owner.

In relation to cash deposits there is a co-mingling risk. The Servicing Agreement attempts to mitigate any co-mingling risk by providing for monies to be transferred from the Collections Accounts (in the name of the Servicer) to the Transaction Account (in the name of the Issuer) immediately upon receipt of such monies or as soon thereafter as is reasonably possible.

There are also risks on insolvency of the Servicer in respect of details of the Home Loans that are kept electronically on the Servicer's systems. The Servicing Agreement mitigates this risk by providing for the maintenance of back-up data and the storage of such data off-site by a disaster recovery agent.

Guaranteed Home Loans

The claims of the Issuer against Borrowers are secured by Guarantee SPV Guarantees (which are in turn secured by Indemnities and Indemnity Bonds registered over the Properties financed in terms of the Home Loan Agreements in favour of the Guarantee SPV or its assigns).

Whilst the Guarantee SPV Guarantee, Indemnity and Indemnity Bond structure retain the security of a real right in the Properties, the Issuer does not have the real right directly: the real right is registered in the name of the Guarantee SPV and the Issuer's claim against the Guarantee SPV is thus contractual. The Issuer has received legal advice that provided care is taken to ensure that the Indemnity and Indemnity Bond are not separated at any time (in the sense that the holder of the Indemnity should always be the holder of the Indemnity Bond) the structure should create valid and enforceable obligations, and the holder of the Indemnity and the Indemnity Bond will, in the appropriate circumstances, be able to proceed against the mortgagor and, if necessary, repossess the Property to enforce its rights following a default under the Home Loan Agreement. No assurance can be given that a court would reach the same conclusion as that furnished in the legal advice to the Issuer.

Interest Margin Risk

Structural mechanisms are in place to protect a minimum excess margin between the Weighted Average Home Loan Rate and the 12 month rolling daily average of 3 month JIBAR at all times.

The Issuer keeps an open position in terms of the receipt of income based on the Weighted Average Home Loan Rate and the payment of 3 month JIBAR based interest to Noteholders. The margin by which the Weighted Average Home Loan Rate exceeds JIBAR plus the Required Interest Margin might narrow from time to time and could impact the cash flows of the Issuer.

National Credit Act, 34 of 2005 ("NCA")

Transactions which occur in respect of the Home Loan Agreements may fall within the provisions of the NCA and, prior to the effective date of such Act being 1 June 2007, may have fallen within the provisions of the Usury Act. Despite the repeal of the Usury Act, rights enjoyed and obligations imposed in terms of such previous Act are preserved, subject to certain transitional provisions of the NCA. In addition, certain provisions of the NCA apply to agreements concluded prior to the effective date of the NCA.

In terms of the NCA any person who acquires the rights of a credit provider under a credit agreement after it has been entered into, is required to comply with the provisions of the NCA. This would place an additional administrative and financial burden on the Issuer to ensure compliance therewith, including registering as a credit provider with the National Credit Regulator.

Transfer of the Rights to the Home Loans

The transfer by the Seller to the Issuer of the Home Loans is governed by South African law.

The Issuer has agreed that notice of such transfer will not be given to Borrowers, except in limited circumstances. The lack of notice entails that, until notice is given to the Borrowers, each Borrower may discharge his obligations under the related Home Loan by making

payment to the Seller. Notice to Borrowers would mean that Borrowers should no longer make payment to the Seller as creditor in respect of the Home Loans but should instead make payment to the Issuer as creditor in respect of the Home Loans. If notice is given, and a Borrower ignores it and makes payment to the Seller for its own account, that Borrower may nevertheless still be bound to make payment to the Issuer.

The Seller has warranted or (as the case may be) will warrant that the sale by the Seller of each Home Loan to the Issuer will pass good and marketable title to such Home Loan to the Issuer free of any Encumbrances in favour of any person. If any warranty provided by the Seller in respect of any Home Loan sold by the Seller proves to have been incorrect when provided, the Issuer will be entitled to enforce the remedies set out in the Home Loan Sale Agreement for breach of warranty by the Seller.

Further Sellers

Subsequent to the Initial Issue Date, the Issuer may acquire home loans from further sellers, and such sellers shall accede to the Programme, subject to the prior written approval of the Security SPV and confirmation in writing from the Rating Agency, upon written request by the Issuer, that such acquisition and accession will not cause it to downgrade or withdraw its then current Ratings of the Notes. Such acquisition and accession may involve amendment to the existing Transaction Documents or the entry by the Issuer into additional agreements such as a separate home loan sale agreement and/or a servicing agreement. For the avoidance of doubt, the consent of existing Noteholders shall not be required in connection with such acquisition and accession, including in relation to any amendment to the existing Transaction Documents or the entry into by the Issuer of additional Transaction Documents.

Restructuring of EFC

In 2003, the South African cabinet took a decision to dispose of EFC as it is deemed to be non-core to Eskom's business (the generation, transmission and distribution of electricity). Eskom supported a disposal that will secure the future sustainability of EFC in order to be able to service Eskom employees on an ongoing basis. The prospective stakeholder must have, at minimum, a proven track record in the mortgage loan market, the ability to absorb the current EFC management and staff and a minimum of a 26% Black Economic Empowerment component to meet the requirements of the Financial Sector Charter. Eskom has undertaken to continue to perform the payroll deductions from the salaries of Borrowers in the event of an EFC Restructuring. As at the date of this Programme Memorandum, the EFC Restructuring has not yet occurred.

Ratings Linkage

Given the current concentration of Borrowers employed by a single employer (Eskom) or to the extent that there are concentrations of Borrowers employed by any other employer (which may or may not be Eskom) after the Initial Issue Date there is a linkage between the rating of the Notes and the rating of that employer. Should the Rating of such employer change, the Rating of the Notes may be impacted. One of the Portfolio Covenants may also be breached should the number of Borrowers in the portfolio employed by Eskom (see definition of Required Direct Employees Percentage) be less than the Required Direct Employees Percentage.

STRUCTURAL FEATURES

1. Cash management

Cash is managed in the manner set out below.

1.1 Account Bank

In the event that the Account Bank ceases to hold the Required Credit Rating and a suitable replacement with the Required Credit Rating is not appointed within 30 days of such downgrading being notified to the Issuer, the appointment of the Account Bank shall be terminated and a replacement Account Bank with the Required Credit Rating will be appointed in accordance with the provisions of the Bank Agreement.

1.2 Transaction Account

All amounts due to the Issuer (other than amounts referred to in 1.3 below) will be paid directly into a bank account in the name of the Issuer at the Account Bank, the Transaction Account. Prior to the delivery of an Enforcement Notice, the Manager and/or the Security SPV will have signing authority in respect of the Transaction Account. After the delivery of an Enforcement Notice, the Security SPV will have sole signing authority in respect of such bank account.

1.3 Collections Accounts

Instalments in respect of the Home Loans are paid directly into bank accounts in the name of the Servicer at a Reference Bank, the Collections Accounts. Payments in respect of the Home Loans which are paid into the Collections Accounts will be transferred to the Transaction Account on the date of receipt of such funds or if this is not reasonably possible, then as soon thereafter as is reasonably possible.

1.4 Reserve Account

If the Issuer is required to establish and maintain the Arrears Reserve, such monies will be paid directly into a bank account in the name of the Issuer at the Account Bank, the Reserve Account.

1.5 Permitted Investments

The Manager may, on behalf of the Issuer and on the instructions of the Servicer, invest cash from time to time standing to the credit of the Issuer's Bank Accounts in Permitted Investments.

1.6 GIC Provider

In the event that the GIC Provider ceases to hold the Required Credit Rating and a suitable replacement with the Required Credit Rating is not appointed within 30 days of such downgrading being notified to the Issuer, the appointment of the GIC Provider shall be terminated and a replacement GIC Provider with the Required Credit Rating will be appointed in accordance with the provisions of the Transaction Documents.

2. Liquidity Facility Agreement

2.1 The Issuer has entered into a revolving loan facility with the Liquidity Facility Provider.

2.2 The Liquidity Facility may be utilised by the Issuer to meet Liquidity Shortfalls; subject to the terms of the Liquidity Facility Agreement. The Liquidity Facility may not be utilised to the extent that the Asset Quality Test is not satisfied.

2.3 The Liquidity Facility Limit is an amount equal to the greater of the Principal Amount of the Initial Notes issued on the Initial Issue Date and 2% of the Outstanding Principal Amount of the Notes in issue from time to time.

- 2.4 The commitment of the Liquidity Facility Provider under the Liquidity Facility will expire 364 days after the Initial Issue Date, or such earlier date that the Liquidity Facility Provider cancels the Liquidity Facility following an Event of Default in accordance with the provisions of the Liquidity Facility Agreement or illegality of the Liquidity Facility Agreement. If the Liquidity Facility Provider declines to renew the Liquidity Facility, the Issuer shall use its reasonable endeavours to arrange for another entity with the Required Credit Rating to provide a facility to the Issuer on terms and conditions which are agreed to in writing by the Security SPV.
- 2.5 If the rating of the Liquidity Facility Provider is downgraded below the Required Credit Rating, then the Liquidity Facility Provider shall notify the Issuer promptly upon becoming aware of the same and the Issuer shall have a period of 30 days from the date on which such downgrading was notified to the Issuer to use its reasonable endeavours to arrange for another entity with the Required Credit Rating, to guarantee its obligations under the Liquidity Facility Agreement or to provide a facility to the Issuer on terms and conditions which are agreed by the Security SPV.
- 2.6 The Issuer has the right to cancel the Liquidity Facility provided that the Security SPV furnishes its prior written consent to such cancellation.
- 2.7 In the event that the Principal Balances of the Home Loans that are not Deteriorated Assets or Defaulted Assets are no longer sufficient to repay the Outstandings under the Liquidity Facility, then with effect from the following Payment Date, the Liquidity Facility shall be cancelled and the Outstandings under the Liquidity Facility shall become immediately due and payable, subject to the Priority of Payments.
- 2.8 In the event that the Principal Balances of the Home Loans that are not Deteriorated Assets or Defaulted Assets fall to an amount lower than the Commitment of the Liquidity Facility Provider, then the Liquidity Facility Limit (and thus the Commitment) shall be reduced to an amount that does not exceed the Principal Balances from time to time of the Home Loans that are not Deteriorated Assets or Defaulted Assets, so that after such reduction there are a sufficient level of performing assets to cover any new or existing utilisation in terms of the Liquidity Facility.
- 2.9 Interest on amounts outstanding under the Liquidity Facility shall be payable in arrear on the relevant Due Date and commitment fees will be payable quarterly in arrear on each Quarterly Payment Date, to the extent permitted by, and in accordance with the Priority of Payments. Principal amounts outstanding under the Liquidity Facility will be repayable on the expiry of the Term of each Advance, to the extent permitted by, and in accordance with the Priority of Payments.
- 2.10 The obligations of the Liquidity Facility Provider do not significantly extend beyond the salient features of the Liquidity Facility as disclosed in this Programme Memorandum and the Liquidity Facility Provider will not support the Securitisation Scheme beyond such obligations.
- 2.11 The Liquidity Facility may not be used as a permanent revolving facility in order to provide credit enhancement or cover losses sustained in respect of the Securitisation Scheme.
- 2.12 The Issuer shall have no recourse against the Liquidity Facility Provider (in its capacity as such) beyond the fixed contractual obligations provided for in the Liquidity Facility Agreement.

3. Redraws, Re-advances and Further Advances

- 3.1 The Issuer may, in its discretion, advance Redraws, Re-advances and Further Advances to Borrowers on any day, and shall, when so obliged, advance Redraws, Re-advances and Further Advances to Borrowers on any day provided that:
- 3.1.1 Redraws, Re-advances and Further Advances that are subject to the discretion of the Issuer, may only be advanced during the Revolving Period, and Redraws, Re-advances and Further Advances that the Issuer is obliged to advance shall be advanced during both the Revolving Period and the Amortisation Period;
- 3.1.2 in the case of Redraws, Re-advances and/or Further Advances that are subject to the discretion of the Issuer, the Issuer has the necessary funds to make such Redraws, Re-advances and/or Further Advances (namely, the right to drawings under the Redraw Facility);

- 3.1.3 in the case of Redraws, Re-advances and/or Further Advances that are subject to the discretion of the Issuer, no Enforcement Notice has been given which remains in effect;
- 3.1.4 each Borrower to whom a Redraw, Re-advance or Further Advance is advanced is not in default under any of its obligations to the Issuer in terms of such Borrower's Home Loan Agreement;
- 3.1.5 in the case of Redraws, Re-advances and/or Further Advances that are subject to the discretion of the Issuer, no Portfolio Covenant has been breached;
- 3.1.6 all of the Credit Criteria required to be applied:
- 3.1.6.1 in relation to the granting of the each Home Loan, were correctly applied at the time of origination of such Home Loan; and
- 3.1.6.2 in relation to the advance of any Redraw, Re-advance or Further Advance, were correctly applied at the date of the approval by the Servicer of such Redraw, Re-advance or Further Advance;
- 3.1.7 each relevant Further Advance, together with the balance outstanding under the relevant Home Loan Agreement immediately prior to the making of such Further Advance, does not exceed the capital amount secured by the Mortgage Bond registered in favour of the Issuer (excluding any amount identified as an additional capital sum in the Mortgage Bonds in respect of costs and expenses);
- 3.1.8 each relevant Further Advance, together with the balance outstanding under the relevant Home Loan Agreement immediately prior to the making of such Further Advance, does not exceed the capital amount secured by the Indemnity Bond(s) registered in favour of Guarantee SPV (excluding any amount identified as an additional capital sum in the Indemnity Bonds in respect of costs and expenses);
- 3.1.9 Redraws, Re-advances and Further Advances will be funded utilising the Redraw Facility;
- 3.1.10 each Borrower concerned is obliged to repay the Redraw and Re-advance in full, together with all other amounts due under such Borrower's Home Loan Agreement, within a period extending no later than the original duration of such Home Loan;
- 3.1.11 each Borrower concerned is obliged to repay the Further Advance in full, together with all other amounts due under such Borrower's Home Loan Agreement, within a period extending no later than 2 years prior to the Final Maturity Date of the shortest dated Tranche of Notes in issue; and
- 3.1.12 the Redraws, Re-advances and/or Further Advances have the benefit of the same security as the balance outstanding under the relevant Home Loan immediately prior to the making of such Redraws, Re-advances and/or Further Advances.
- 3.2 If a Borrower requests a Redraw, Re-advance or a Further Advance which the Servicer, acting on behalf of the Issuer, does not approve on the basis that the Issuer does not have the funds to advance such Redraw, Re-advance or Further Advance or on the basis that the Redraw, Re-advance or Further Advance would cause any of the Portfolio Covenants to be breached, then EFC shall have the option to purchase (or to nominate a third party to purchase) the Home Loan of such Borrower from the Issuer for a purchase consideration equal to the Principal Balance of such Home Loan, together with Accrued Interest and other amounts charged to the relevant Borrower's account and not yet paid.

4. **Redraw Facility Agreement**

- 4.1 The Issuer has entered into a revolving loan facility with the Redraw Facility Provider.
- 4.2 The Issuer has entered into a Redraw Facility Agreement with the Redraw Facility Provider.

- 4.3 The Redraw Facility may be used by the Issuer to fund Redraws, Re-advances and Further Advances, subject to the terms of the Redraw Facility Agreement, which include that the Borrower is not in default of any of its obligations to the Issuer in terms of such Borrower's Home Loan Agreement.
- 4.4 The Redraw Facility Limit, being the maximum aggregate amount that can be drawn at any time under the Redraw Facility, is an amount equal to or greater than half of the aggregate Potential Redraw Amount in respect of the portfolio of Home Loans owned by the Issuer from time to time. The Redraw Facility Provider may, in its sole discretion, and at the request of the Issuer, at any time increase or decrease the Redraw Facility Limit and the Commitment, as long as in the event of a reduction in such Redraw Facility Limit the Rating Agency is furnished with at least 5 Business Days prior written notice of the proposed reduction and does not notify the Issuer in writing that such reduction may cause it to downgrade or withdraw its respective current Rating(s) of the Notes.
- 4.5 The commitment of the Redraw Facility Provider under the Redraw Facility will expire 364 days after the Initial Issue Date, or such earlier date that the Redraw Facility Provider cancels the Redraw Facility following an Event of Default in accordance with the provisions of the Redraw Facility Agreement or illegality of the Redraw Facility Agreement. If the Issuer is unable to renew the Redraw Facility Agreement prior to its expiry and a suitable replacement with the Required Credit Rating is not appointed at least 30 days prior to the expiry of the then current Commitment Period, the Available Facility shall be fully drawn down by the Issuer (and may be subsequently fully re-drawn) until a substitute Redraw Facility Provider with the Required Credit Rating has been appointed. The unutilised cash so drawn down shall be invested in Permitted Investments and may only be used for the purposes for which the Redraw Facility could have been used.
- 4.6 If the rating of the Redraw Facility Provider is downgraded below the Required Credit Rating and a suitable replacement with the Required Credit Rating is not appointed within 30 days of such downgrading being notified to the Issuer, the Available Facility shall be fully drawn down by the Issuer (and may be subsequently fully re-drawn) until a substitute Redraw Facility Provider or guarantor with the Required Credit Rating has been appointed. The unutilised cash so drawn down shall be invested in Permitted Investments and may only be used for the purposes for which the Redraw Facility could have been used.
- 4.7 The Issuer has the right to cancel the Redraw Facility on giving the Redraw Facility Provider at least 5 Business Days prior written notice, to cancel all or part of the undrawn Redraw Facility, provided that each of the Rating Agency and the Security SPV is furnished with at least 5 Business Days prior written notice of the proposed cancellation and the Security SPV furnishes its prior written consent to such cancellation.
- 4.8 In the event that the Principal Balances of the Home Loans that are not Deteriorated Assets or Defaulted Assets are no longer sufficient to repay the Outstandings under the Redraw Facility, then with effect from the following Payment Date, the Redraw Facility shall be cancelled and the Outstandings under the Redraw Facility shall become immediately due and payable, subject to the Priority of Payments.
- 4.9 In the event that the Principal Balances of the Home Loans that are not Deteriorated Assets or Defaulted Assets fall to an amount lower than the Commitment of the Redraw Facility Provider, then the Redraw Facility Limit (and thus the Commitment) shall be reduced to an amount that does not exceed the Principal Balances from time to time of the Home Loans that are not Deteriorated Assets or Defaulted Assets, so that after such reduction there are a sufficient level of performing assets to cover any new or existing utilisation in terms of the Redraw Facility.
- 4.10 Interest on amounts outstanding under the Redraw Facility shall be payable in arrear on the relevant Due Date and commitment fees will be payable quarterly in arrear on each Quarterly Payment Date, to the extent permitted by, and in accordance with the Priority of Payments. Principal amounts outstanding under the Redraw Facility will be repayable on the expiry of the Term of each Advance, to the extent permitted by, and in accordance with the Priority of Payments.
- 4.11 The obligations of the Redraw Facility Provider do not significantly extend beyond the salient features of the Redraw Facility as disclosed in this Programme Memorandum and the Redraw Facility Provider will not support the Securitisation Scheme beyond such obligations.

- 4.12 The Redraw Facility may not be used as a permanent revolving facility in order to provide credit enhancement or cover losses sustained in respect of the Securitisation Scheme.
- 4.13 The Issuer shall have no recourse against the Redraw Facility Provider (in its capacity as such) beyond the fixed contractual obligations provided for in the Redraw Facility Agreement.
5. **Arrears Reserve**
- 5.1 On any Determination Date, should the aggregate Arrears on the Home Loans exceed certain levels and trigger an Arrears Reserve Trigger Event, the Issuer will be required to pay an amount into the Arrears Reserve, in terms of the Priority of Payments, up to the Arrears Reserve Required Amount. Any amounts by which the balance on the Arrears Reserve exceeds the Arrears Reserve Required Amount will be paid into the Transaction Account.
- 5.2 If the Arrears Reserve is not funded at the Arrears Reserve Required Amount on 6 consecutive Payment Dates, this constitutes an Early Amortisation Event.
- 5.3 The Arrears Reserve will be available to meet interest and principal payments on the Notes (other than the Class E Notes), on any Payment Date, in the event of a shortfall in available funds for that purpose in terms of the Priority of Payments.
- 5.4 On the earlier of (i) the Final Maturity Date of the last Tranche of Notes in issue, (ii) the date on which no amount remaining outstanding in respect of the Home Loans, and (iii) the date on which all amounts outstanding in respect of the Home Loans having been reduced to zero, the amounts standing to the credit of the Arrears Reserve will be paid into the general funds in the Transaction Account for application in accordance with the Pre-Enforcement Priority of Payments and the Arrears Reserve Required Amount shall be zero.
- 5.5 In the event of the occurrence of an Early Amortisation Event, all monies in the Arrears Reserve will be applied in accordance with the Pre-Enforcement Priority of Payments applicable during the Amortisation Period.
- 5.6 In the event of the delivery of an Enforcement Notice, all monies in the Arrears Reserve will be applied in accordance with the Post-Enforcement Priority of Payments.
6. **Derivative Contracts**
- 6.1 The Manager may, in its discretion but subject to Rating Affirmation, procure that the Issuer enters into a Derivative Contract/s with Derivative Counterparty/ies with the Required Credit Rating in order to manage the Issuer's interest rate risks. There is no obligation on the Issuer to conclude (or on the Manager to procure that the Issuer concludes) such Derivative Contracts, either on any Issue Date of a Tranche of Notes or at any time thereafter.
- 6.2 The interest rate risks of the Issuer may also be managed by the Servicer, acting as agent on behalf of the Issuer, increasing the Home Loan Rate or, subject to Rating Affirmation, such other mechanism that the Manager deems appropriate in the circumstances.
7. **Subordinated Loans and/or Subordinated Notes**
- 7.1 On the Initial Issue Date, the Issuer entered into a Subordinated Loan Agreement with the Subordinated Lender. As may be needed on any subsequent Issue Date, the Issuer will enter into a Subordinated Loan Agreement with the Subordinated Lender and/or issue Subordinated Notes. The Subordinated Loans and/or Subordinated Notes serve as credit enhancement in relation to higher ranking notes. The Subordinated Loans and/or Subordinated Notes may be utilised by the Issuer to fund a portion of the Purchase Price of the Home Loans or to redeem outstanding Notes and repay Subordinated Loans. The aggregate principal amount of each Subordinated Loan to be borrowed by the Issuer and/or Subordinated Notes to be issued by the Issuer, will be specified in the Applicable Pricing Supplement, each amount to be in accordance with the determination of the Issuer and the Rating Agency with respect to the issue by the Issuer of any Tranche of Notes under the Programme. The aggregate principal amount of all Subordinated Loans

advanced to the Issuer from time to time in terms of the Subordinated Loan Agreements, may not exceed 18% of the Outstanding Principal Amount of the Notes (including Subordinated Notes) in issue from time to time.

- 7.2 Subject to signature of a Subordinated Loan Agreement by the Issuer and the Subordinated Lender, the Subordinated Loan in relation to a Tranche of Notes, shall be advanced by the Subordinated Lender to the Issuer on the Issue Date of that Tranche of Notes, by way of electronic funds transfer to the Transaction Account.
- 7.3 Interest on the Subordinated Loans and/or Subordinated Notes or such balance as shall remain outstanding from time to time, will be payable on Payment Dates in accordance with the Priority of Payments. Capital amounts outstanding of the Subordinated Loans and/or Subordinated Notes will be repayable as and when cash is available to make such repayment, to the extent permitted by, and in accordance with, the Priority of Payments.
- 7.4 During the Revolving Period, the Subordinated Notes and the Subordinated Loan shall not be repaid.

8. **Pre-Funding Amount**

The net proceeds of Notes issued on any Issue Date together with the monies advanced under the Subordinated Loan Agreement on such Issue Date may exceed the amount paid by the Issuer to the Seller in respect of the purchase consideration for Home Loans on such Issue Date. The Issuer may acquire Additional Home Loans up to an amount equal to such Pre-Funding Amount, at any time up to the expiry of the Pre-Funding Period in respect of such Pre-Funding Amount. Any part of the Pre-Funding Amount not applied acquiring Additional Home Loans during the Pre-Funding Period shall be applied in redeeming the Notes in terms of the Priority of Payments (and not for any other items in terms of the Priority of Payments).

TERMS AND CONDITIONS OF THE NOTES

The following are the Terms and Conditions of the Notes, which are incorporated by reference into each Certificate evidencing any Notes. Before the Issuer issues any Tranche of Notes, the Issuer shall complete and sign an Applicable Pricing Supplement.

1. Interpretation

The section of the Programme Memorandum headed "*Glossary of Definitions*" is incorporated by reference into the Terms and Conditions. In the Terms and Conditions, unless inconsistent with the context, capitalised terms will bear the meanings ascribed to such terms in the section of the Programme Memorandum headed "*Glossary of Definitions*", except to the extent that any such capitalised term is separately defined in the Programme Memorandum (including the Terms and Conditions) or in the Applicable Pricing Supplement.

2. Issue

2.1 Notes may be issued by the Issuer in Tranches pursuant to the Programme, without requiring the consent of Noteholders, provided that:

2.1.1 the conditions precedent in the Programme Agreement have been fulfilled;

2.1.2 if the Rating Agency has assigned a Rating to any Tranche of Notes, such Rating Agency, upon written request by the Issuer, confirms in writing the respective current Ratings of such Tranches of Notes in issue; and

2.1.3 the Final Maturity Date of a Tranche of Notes is at least 32 years later than the Scheduled Maturity Date for that Tranche of Notes.

2.2 A Tranche of Notes may, together with a further Tranche or Tranches, form a Series of Notes issued under the Programme. A Series of Notes may, together with a further Series of Notes or more than one Series of Notes, form a Class of Notes issued under the Programme.

2.3 The Noteholders are, by virtue of their subscription for or purchase of the Notes, deemed to have notice of, and are entitled to the benefit of, and are subject to, all the provisions of the Transaction Documents.

2.4 The Applicable Pricing Supplement for each Tranche of Notes is incorporated in these Terms and Conditions for the purposes of those Notes and supplements these Terms and Conditions. The Applicable Pricing Supplement may specify other terms and conditions (which may replace, modify or supplement these Terms and Conditions), in which event such other terms and conditions shall, to the extent so specified in the Applicable Pricing Supplement or to the extent inconsistent with these Terms and Conditions, replace, modify or supplement these Terms and Conditions for the purpose of that Tranche of Notes.

2.5 Notwithstanding the Priority of Payments, the proceeds of the issue of any Tranche of Notes and/or any Subordinated Loan borrowed under the terms of the Subordinated Loan Agreement will, except as otherwise expressly permitted in the Applicable Pricing Supplement, only be used to:

2.5.1 purchase Eligible Home Loans in accordance with the provisions of the Home Loan Sale Agreement during the Revolving Period; or

2.5.2 redeem the Notes in a Tranche of Notes on the Scheduled Maturity Date of that Tranche of Notes, and the Notes in all other Tranches of Notes having that Scheduled Maturity Date (the "**Refinanced Notes**") and any Subordinated Loan associated with the Refinanced Notes, in reducing order of rank (and *pari passu* if of equal rank) as determined by the respective Classes of such Notes,

as the case may be, and no other creditor of the Issuer will have any claim to such proceeds; provided that, during the Revolving Period, no repayment of the Subordinated Loan will take place.

- 2.6 The proceeds of the issue of any Tranche of Notes and/or the relevant Subordinated Loan borrowed pursuant to Condition 2.4 may, pending application for its permitted purpose, only be invested in Permitted Investments, being Permitted Investments having maturity date(s) on or prior to the Scheduled Maturity Date of the Refinanced Notes or the date for payment of the purchase consideration for the Eligible Home Loans, as the case may be.

3. Form and Denomination

- 3.1 Notes will be issued in registered form with a minimum denomination of R1 000 000 each and otherwise in such denominations as may be determined by the Issuer and as specified in the Applicable Pricing Supplement.
- 3.2 Payments (whether in respect of interest or principal) on Notes may be determined by reference to such fixed or floating rates or such indices or formulae as may be specified in the Applicable Pricing Supplement. Notes may be:
- 3.2.1 interest bearing or non-interest bearing;
- 3.2.2 issued at par, a premium or a discount;
- 3.2.3 issued in fully paid up form;
- 3.2.4 exchangeable for other assets; or
- 3.2.5 issued with such other characteristics as may be specified in the Applicable Pricing Supplement.
- 3.3 The Notes in a Tranche of Notes will be issued in the form of the registered Notes, represented by (i) Individual Certificates registered in the name, and for the account of, the relevant Noteholder or (ii) no Certificate, and held in uncertificated form in the Central Securities Depository in terms of section 33 of the Financial Markets Act. The Central Securities Depository will hold the Notes subject to the Financial Markets Act and the Applicable Procedures.

4. Title

- 4.1 Title to the Notes will pass upon registration of transfer in the Register in accordance with Condition 15. The Issuer and the Transfer Agent shall recognise a Noteholder as the sole and absolute owner of the Notes registered in that Noteholder's name in the Register (notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) and shall not be bound to enter any trust in the Register or to take notice of or to accede to the execution of any trust, express, implied or constructive, to which any Note may be subject.
- 4.2 Beneficial Interests in Notes held in uncertificated form may, in terms of existing law and practice, be transferred through the Central Securities Depository by way of book entry in the central securities accounts of the Participants.
- 4.3 Any reference in this Programme Memorandum to the relevant Participant shall, in respect of Beneficial Interests, be a reference to the Participant appointed to act as such by a holder of such Beneficial Interest.

5. Status of Notes

- 5.1 The Notes constitute direct, limited recourse, secured obligations of the Issuer.
- 5.2 The claims of the Noteholders (whether in respect of principal, interest or otherwise) shall be subordinated to the claims of higher ranking creditors in accordance with the Priority of Payments.
- 5.3 Notwithstanding the subordinations envisaged in this Condition, the Noteholders shall be entitled to be paid any amounts due and payable to them in accordance with the Priority of Payments, on any Payment Date, provided that all amounts required to be paid or provided for in terms of the Priority of Payments in priority thereto, have been paid, provided for or discharged in full.
- 5.4 The Notes of each Class rank *pari passu* among themselves.

6. Interest

6.1 Interest on Fixed Rate Notes

6.1.1 Fixed Interest Rate

Each Fixed Rate Note will bear interest on the aggregate Outstanding Principal Amount, at the rates per annum equal to the Interest Rate, from and including the Interest Commencement Date to but excluding the earlier of the Final Maturity Date (or the Actual Redemption Date, if the Actual Redemption Date falls before or after the Final Maturity Date) and the Coupon Step-Up Date, if any. If the Coupon Step-Up Date occurs, each Fixed Rate Note will bear interest on the aggregate Outstanding Principal Amount, at the rates per annum equal to the Coupon Step-Up Rate, from and including the Coupon Step-Up Date to but excluding the Final Maturity Date (or the Actual Redemption Date, if the Actual Redemption Date falls before or after the Final Maturity Date).

6.1.2 Interest Payment Dates

The interest due in respect of each Interest Period will be payable in arrear on the Interest Payment Date in respect of such Interest Period. The first payment of interest will be made on the Interest Payment Date following the Interest Commencement Date. If any Interest Payment Date falls upon a day which is not a Business Day, the provisions of Condition 8.3 shall determine the date of payment of interest due upon such Interest Payment Date.

6.1.3 Calculation of Interest Amount

The Calculation Agent will, on each Rate Determination Date, determine the Interest Rate applicable to a Tranche of Fixed Rate Notes for the Interest Period commencing on that Rate Determination Date and calculate the Interest Amount payable in respect of each Fixed Rate Note in that Tranche for that Interest Period. Unless stated otherwise in the Applicable Pricing Supplement, the Interest Amount will be determined by multiplying the Interest Rate by the Outstanding Principal Amount of such Fixed Rate Note and then multiplying such product by the actual number of days elapsed in such Interest Period, divided by 365. The resultant sum will be rounded to the nearest cent, half a cent being rounded upwards.

6.2 Interest on Floating Rate Notes

6.2.1 Interest Rate

Each Floating Rate Note will bear interest on the aggregate Outstanding Principal Amount, at the rates per annum equal to the Interest Rate, from and including the Interest Commencement Date to but excluding the earlier of the Final Maturity Date (or the Actual Redemption Date, if the Actual Redemption Date falls before or after the Final Maturity Date) and the Coupon Step-Up Date, if any. If the Coupon Step-Up Date occurs, each Floating Rate Note will bear interest on the aggregate Outstanding Principal Amount, at the rates per annum equal to the Coupon Step-Up Rate, from and including the Coupon Step-Up Date to but excluding the Final Maturity Date (or the Actual Redemption Date, if the Actual Redemption Date falls before or after the Final Maturity Date).

6.2.2 Interest Payment Dates

The interest due in respect of each Interest Period will be payable in arrear on the Interest Payment Date in respect of such Interest Period. The first payment of interest will be made on the Interest Payment Date following the Interest Commencement Date. If any Interest Payment Date falls upon a day which is not a Business Day, the provisions of Condition 8.3 shall determine the date of payment of interest due upon such Interest Payment Date. Interest in respect of any Interest Period shall accrue to and be paid on the relevant Interest Payment Date.

6.2.3 **Determination of Interest Rate and calculation of Interest Amount**

The Calculation Agent will, on each Rate Determination Date, determine the Interest Rate applicable to a Tranche of Floating Rate Notes for the Interest Period commencing on that Rate Determination Date and calculate the Interest Amount payable in respect of each Floating Rate Note in that Tranche for that Interest Period. Unless stated otherwise in the Applicable Pricing Supplement, the Interest Amount will be determined by multiplying the Interest Rate by the Outstanding Principal Amount of such Floating Rate Note and then multiplying such product by the actual number of days elapsed in such Interest Period, divided by 365. The resultant sum will be rounded to the nearest cent, half a cent being rounded upwards.

6.2.4 **Basis of Interest Rate**

6.2.4.1 The Interest Rate will be determined:

- (a) on the basis of ISDA Determination; or
- (b) on the basis of Screen Rate Determination; or
- (c) on such other basis as may be determined by the Issuer,

all as indicated in the Applicable Pricing Supplement.

6.2.5 **ISDA Determination**

Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period will be the relevant ISDA Rate (as defined below) plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any).

For the purposes of this Condition 6.2.4.2:

"ISDA Rate" for an Interest Period means a rate equal to the Floating Rate that would be determined by such agent as is specified in the Applicable Pricing Supplement under a notional interest rate swap transaction if that agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;
- (b) the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- (c) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the JIBAR on the first day of that Interest Period; or (ii) in any other case, as specified in the Applicable Pricing Supplement.

"Floating Rate", "Floating Rate Option", "Designated Maturity" and "Reset Date" have the meanings given to those expressions in the ISDA Definitions. Other expressions used in this Condition 6.2.4.2 or in the Applicable Pricing Supplement (where ISDA determination is specified) not expressly defined shall bear the meaning given to those expressions in the ISDA Definitions.

When this Condition 6.2.4.2 applies, in respect of each Interest Period such agent as is specified in the Applicable Pricing Supplement will be deemed to have discharged its obligations under Condition 6.2.3 in respect of the determination of the Interest Rate if it has determined the Interest Rate in respect of such Interest Period in the manner provided in this Condition 6.2.4.2.

6.2.6

Screen Rate Determination

Where Screen Rate Determination is specified in the Applicable Pricing Supplement as the manner in which the Interest Rate is to be determined, the Interest Rate for each Interest Period will, subject as provided below, be either:

- (a) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (b) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0,000005 being rounded upwards) of the offered quotations,

for the Reference Rate(s) which appears or appear, as the case may be, on the Relevant Screen Page as at 12h00 (South African time) on the Rate Determination Date in question, plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If five or more such offered quotations are available on the Relevant Screen Page the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by such agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

If the Relevant Screen Page is not available or if, in the case of (a) above in this Condition 6.2.4.3, no such offered quotation appears or, in the case of paragraph (b) above in this Condition 6.2.4.3, fewer than three such offered quotations appear, in each case at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Johannesburg office of each of the Reference Banks (as defined below) to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 12h00 (South African time) on the Rate Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Interest Rate for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0,000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent.

If the Interest Rate cannot be determined by applying the provisions of the preceding paragraphs of this Condition 6.2.4.3, the Interest Rate for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0,00005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately 12h00 (South African time) on the relevant Rate Determination Date, in respect of deposits in an amount approximately equal to the Principal Amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, to Reference Banks in the Johannesburg inter-bank market plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the Interest Rate for the relevant Interest Period will be determined by the Calculation Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the Principal Amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 12h00 South African time on the relevant Rate Determination Date, by four leading banks in Johannesburg (selected by the Calculation Agent and approved by the Issuer) plus or minus (as appropriate) the Margin (if any). If the Interest Rate cannot be determined in accordance with the foregoing provisions of this paragraph, the Interest Rate shall be determined as at the last preceding Rate Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that preceding Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than the JIBAR rate, the Interest Rate in respect of such Notes will be determined, in the manner provided above, or as may be provided in the Applicable Pricing Supplement.

"Reference Banks" means for the purposes of this Condition 6.2.4.3 four leading banks in the South African inter-bank market selected by the Calculation Agent and approved by the Issuer (where the Issuer does not act as the Calculation Agent).

6.3 Interest on Mixed Rate Notes

6.3.1 Each Mixed Rate Note will bear interest at the Interest Rate or Coupon Step-Up Rate, if any, applicable to the relevant form of interest-bearing Note (be it a Fixed Rate Note, Floating Rate Note or Indexed Note) for such Interest Period(s), as is/are specified for this purpose in the Applicable Pricing Supplement, from and including the Issue Date to but excluding the Final Maturity Date (or the Actual Redemption Date, if the Actual Redemption Date falls before or after the Final Maturity Date).

6.3.2 Unless otherwise specified in the Applicable Pricing Supplement, a Tranche of Mixed Rate Notes shall (i) for the Interest Period(s) during which such Tranche bears interest at the Interest Rate applicable to Fixed Rate Notes, be construed for all purposes as a Tranche of Fixed Rate Notes and (ii) for the Interest Period(s) during which such Tranche bears interest at the Interest Rate applicable to Floating Rate Notes, be construed for all purposes as a Tranche of Floating Rate Notes and (iii) for the Interest Period(s) during which such Tranche bears interest determined in accordance with an index or formula applicable to Indexed Notes, be construed for all purposes as a Tranche of Mixed Rate Notes.

6.4 Interest on Indexed Notes

6.4.1 Each Indexed Note will bear interest at the Interest Rate or in the Interest Amount determined by reference to such index and/or formula specified in the Applicable Pricing Supplement, for such Interest Period(s) as is/are specified for this purpose in the Applicable Pricing Supplement, from and including the Interest Commencement Date to but excluding the earlier of the Final Maturity Date (or the Actual Redemption Date, if the Actual Redemption Date falls before or after the Final Maturity Date) and the Coupon Step-Up Date, if any. If the Coupon Step-Up Date occurs, each Indexed Note will bear interest at the Coupon Step-Up Rate or in the Interest Amount determined by reference to such index and/or formula specified in the Applicable Pricing Supplement, for such Interest Period(s) as is/are specified for this purpose in the Applicable Pricing Supplement, from and including the Coupon Step-Up Date to but excluding the Final Maturity Date (or the Actual Redemption Date, if the Actual Redemption Date falls before or after the Final Maturity Date).

6.4.2 The interest due in respect of each Interest Period will be payable in arrear on the Interest Payment Date in respect of such Interest Period. The first payment of interest will be made on the Interest Payment Date following the Interest Commencement Date. If any Interest Payment Date falls upon a day which is not a Business Day, the provisions of Condition 8.3 shall determine the date of payment of interest due upon such Interest Payment Date. Interest in respect of any Interest Period shall accrue to and be paid on the relevant Interest Payment Date.

6.4.3 The Calculation Agent will, on each Rate Determination Date, determine, if applicable, the Interest Rate applicable to each Tranche of Indexed Notes and, if applicable, calculate the Interest Amount payable in respect of each Indexed Note in that Tranche for that Interest Period.

6.5 Publication of Interest Rate and Interest Amount by the Calculation Agent

6.5.1 The Calculation Agent will cause the Interest Rate for each Tranche of Notes (other than Fixed Rate Notes) determined upon each Rate Determination Date to be notified to the Noteholders in the manner set out in Condition 17, the Issuer and, if the Manager is not the Calculation Agent, then also to the Manager, the JSE and the Central Securities Depository as soon as practicable after such determination but in any event not later than 5 Business Days after such determination.

6.5.2 The Issuer (via the Debt Sponsor) will, in relation to each Tranche of Notes listed on the Interest Rate Market of the JSE, at least 3 Business Days before each Interest Payment Date, cause the aggregate Interest Amount

payable for the relevant Interest Period in respect of such Tranche of Notes to be notified to the Noteholders (in the manner set out in Condition 17) and the Issuer.

6.6 Calculation and publication of Interest Amount by the Manager

Where, in relation to a Tranche of Notes listed on the Interest Rate Market of the JSE, the Interest Amount payable in respect of each Note in that Tranche is not required to be calculated by the Calculation Agent pursuant to the Terms and Conditions or by some other agent specified in the Applicable Pricing Supplement, as the case may be, the Manager will calculate such Interest Amount, and the Issuer (via the Debt Sponsor) will, at least 3 Business Days before each Interest Payment Date, cause the aggregate Interest Amount payable for the relevant Interest Period in respect of such Tranche of Notes to be notified to the Noteholders (in the manner set out in Condition 17), the JSE and the Central Securities Depository.

6.7 Calculations final and limitation of liability

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained by the Calculation Agent pursuant to the exercise or non-exercise by it of its powers, duties and discretions under the Terms and Conditions and the Transaction Documents and all certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained by the Manager pursuant to the exercise or non-exercise by it of its powers, duties and discretions under the Terms and Conditions and the Transaction Documents, will, in the absence of wilful deceit, bad faith, or manifest error, be binding on the Issuer, the Security SPV and all Secured Creditors (including Noteholders), and no liability to the Issuer, the Security SPV or the Secured Creditors (including Noteholders) will attach to the Calculation Agent and/or the Manager in connection therewith.

7. Redemption and purchases

7.1 Final Redemption

Unless redeemed at a prior date as specified below, each Note in a Tranche of Notes shall, subject to the Conditions, be redeemed by the Issuer at its Outstanding Principal Amount (together with interest accrued thereon) on the Final Maturity Date.

The Issuer shall not be entitled or obliged to redeem the Notes in whole or in part prior to the Final Maturity Date, except as provided below.

7.2 Scheduled Redemption

The Issuer shall, subject to Condition 7.3, redeem all, but not some only, of the Notes in a Tranche of Notes at their aggregate Outstanding Principal Amount (together with interest accrued thereon) on the Scheduled Maturity Date.

7.3 Mandatory Redemption in part (during the Revolving Period, as from the Scheduled Maturity Date)

7.3.1 If any Notes in a Tranche of Notes are not redeemed in full on the Scheduled Maturity Date in terms of Condition 7.2 (such Notes being "**Matured Notes**"), this shall not constitute an Event of Default by the Issuer. On each Interest Payment Date on and as from the Scheduled Maturity Date, the Issuer shall partially redeem each Matured Note in reducing order of rank (and *pari passu* if of equal rank) as determined by the respective Classes of all the Matured Notes to the extent permitted by and in accordance with the Priority of Payments applicable during the Revolving Period, until the Outstanding Principal Amount of such Matured Note is reduced to zero.

7.3.2 The principal amount redeemable in respect of each Matured Note in a Class of Notes on an Interest Payment Date, shall be the amount allocated to the Matured Notes in that Class of Notes in accordance with the Priority of Payments on such Interest Payment Date, allocated *pro rata* to such Matured Note in the proportion which

the Outstanding Principal Amount of such Matured Note bears to the Outstanding Principal Amount of all the Matured Notes in that Class of Notes, rounded to the nearest Rand, provided always that no such amount may exceed the Outstanding Principal Amount of such Matured Note.

7.4 **Mandatory Redemption in part (during the Revolving Period, prior to the Scheduled Maturity Date)**

7.4.1 During the Revolving Period, if there are no or insufficient eligible Further Advances and Additional Home Loans offered to the Issuer for purchase or if any conditions to such purchase are not satisfied, the Issuer shall partially redeem each Note in all Tranches of Notes (regardless of the Scheduled Maturity Dates of such Tranches of Notes), in reducing order of rank (and *pari passu* if of equal rank) as determined by the respective Classes of such Notes, to the extent permitted by and in accordance with the Priority of Payments applicable during the Revolving Period, until the Outstanding Principal Amount of such Note is reduced to zero; provided that in relation to the Class A Notes, the amount shall be allocated first to those Class A Notes specified in the Applicable Pricing Supplements as Prepayment Class A Notes, until such Prepayment Class A Notes have been redeemed in full and then only to the other Class A Notes.

7.4.2 The principal amount redeemable in respect of each Note in a Class of Notes on an Interest Payment Date, shall be the amount allocated to the Notes in that Class of Notes in accordance with the Priority of Payments on such Interest Payment Date, allocated *pro rata* to such Note in the proportion which the Outstanding Principal Amount of such Note bears to the Outstanding Principal Amount of all the Notes in that Class of Notes on such Interest Payment Date (regardless of the Scheduled Maturity Dates of the Tranches of Notes comprising that Class of Notes), rounded to the nearest Rand, provided always that no such amount may exceed the Outstanding Principal Amount of such Note.

7.5 **Mandatory Redemption in part (Amortisation Period)**

7.5.1 On each Interest Payment Date during the Amortisation Period, the Issuer shall partially redeem each Note in all Tranches of Notes (regardless of the Scheduled Maturity Dates of such Tranches of Notes), in reducing order of rank (and *pari passu* if of equal rank) as determined by the respective Classes of such Notes, to the extent permitted by and in accordance with the Priority of Payments applicable during the Amortisation Period, until the Outstanding Principal Amount of such Notes is reduced to zero.

7.5.2 The principal amount redeemable in respect of each Note in a Class of Notes on an Interest Payment Date, shall be the amount allocated to the Notes in that Class of Notes in accordance with the Priority of Payments on such Interest Payment Date, allocated *pro rata* to such Note in the proportion which the Outstanding Principal Amount of such Note bears to the Outstanding Principal Amount of all the Notes in that Class of Notes on such Interest Payment Date (regardless of the Scheduled Maturity Dates of the Tranches of Notes comprising that Class of Notes), rounded to the nearest Rand, provided always that no such amount may exceed the Outstanding Principal Amount of such Note.

7.6 **Optional redemption (general)**

7.6.1 If the Issuer has not redeemed the Notes in a Tranche of Notes in full on the Scheduled Maturity Date, then the Issuer may, at its option, having given not less than 20 days' notice to the Security SPV and the Noteholders, redeem all, but not some only, of the Notes in each Tranche of Notes having the same Scheduled Maturity Date, on any Interest Payment Date falling after such Scheduled Maturity Date (which Interest Payment Date shall be stipulated in such notice), at their Outstanding Principal Amount (together with accrued interest thereon) provided that, prior to giving such notice, the Issuer shall have provided to the Security SPV a certificate signed by 2 directors of the Issuer to the effect that it will have the funds, not subject to any interest of any other person, to redeem such Notes.

7.6.2 On any Interest Payment Date during the Amortisation Period on which the aggregate Outstanding Principal Amount of the Notes is equal to or less than 10% of the maximum aggregate Principal Amount of the Notes that have been issued at any time, and upon giving not less than 20 days' notice to the Security SPV and the

Noteholders, the Issuer may redeem all, but not some only, of the Notes at their Outstanding Principal Amount (together with accrued interest thereon) provided that, prior to giving such notice, the Issuer shall have provided to the Security SPV a certificate signed by 2 directors of the Issuer to the effect that it will have the funds, not subject to any interest of any other person, to redeem all the Notes as set out above.

7.7 Optional redemption for tax reasons

7.7.1 If the Issuer immediately prior to the giving of the notice referred to below satisfies the Security SPV that as a result of any change in, or amendment to, the laws or regulations of South Africa or any political sub-division of, or any authority in, or of, South Africa having power to tax becoming effective after the Issue Date, the Issuer is or would be required to deduct or withhold from any payment of principal or interest on any Tranche of Notes any amounts as provided or referred to in Condition 9 and such requirements cannot be avoided by the Issuer taking reasonable measures available to it, then, on any Interest Payment Date, the Issuer may at its option, having given not less than 20 days' notice to the Security SPV and Noteholders in accordance with Condition 17 (which notice shall be irrevocable), redeem all, but not some only, of the Notes in such Tranche of Notes, at their Outstanding Principal Amount (together with interest accrued thereon) provided that no notice of redemption shall be given earlier than 90 days before the earliest date of which the Issuer would incur the obligation to make such deduction or would necessarily receive such lesser amount for interest.

7.7.2 Prior to giving such notice of redemption, the Issuer shall have provided to the Security SPV:

7.7.2.1 a certificate signed by 2 directors of the Issuer to the effect that it will have the funds, not subject to any interest of any other person, to redeem such Notes as set out above; and

7.7.2.2 a legal opinion (in form and substance satisfactory to the Security SPV) from a firm of lawyers in South Africa (approved in writing by the Security SPV) opining on the relevant event.

7.8 Purchases

The Issuer may not at any time purchase Notes in the open market or otherwise.

7.9 Cancellation

All Notes which are redeemed in full will forthwith be cancelled. All Notes so cancelled shall be held by the Issuer and cannot be re-issued or resold. Where a portion of the Notes represented by a Certificate are cancelled, the Transfer Agent shall deliver a Certificate to such Noteholder in respect of the balance of the Notes. The Issuer shall notify the Central Securities Depository and the JSE of any cancellation or partial redemption of the Notes so that such entities can record the reduction in the aggregate Principal Amount of the Notes in issue.

8. Payment

8.1 Method of payment

8.1.1 Payments of interest and principal in respect of Notes held in uncertificated form in the Central Securities Depository will be made to the holders of Beneficial Interests in accordance with the Applicable Procedures. Each of the persons reflected in the records of the Central Securities Depository or the relevant Participants, as the case may be, as the holders of Beneficial Interests shall look solely to the Central Securities Depository or the relevant Participant, as the case may be, for such persons share of each payment so made by the Issuer to, or for the order of, the registered holder of the Notes held in uncertificated form. The Issuer will not have any responsibility or liability for any aspect of the records relating to, or payments made on account of, Beneficial Interests, or for maintaining, supervising or reviewing any records relating to such Beneficial Interests. Payments of interest and principal in respect of Notes held in uncertificated form shall be recorded by the Central Securities Depository in accordance with the Applicable Procedures, distinguishing between interest and principal, and such record of payments by the registered holder of the Notes shall be *prima facie* proof of

such payments. Payments of interest and principal in respect of Notes represented by Individual Certificates shall be made to the person reflected as the registered holder of the Individual Certificate in the Register on the Last Day to Register.

- 8.1.2 The Issuer shall pay the interest and principal payable in respect of each Note, in immediately available and freely transferable funds, in Rands by electronic funds transfer, to the bank account of the Noteholder as set forth in the Register at 17h00 (South African time) on the Last Day To Register (whether or not such day is a Business Day) preceding the relevant Interest Payment Date or Redemption Date, as the case may be, or, in the case of joint Noteholders, the account of that one of them who is first named in the Register in respect of that Note. If several persons are entered into the Register as joint Noteholders, then without affecting the previous provisions of this condition, payment to any one of them of any monies payable on or in respect of the Note shall be an effective and complete discharge by the Issuer of the amount so paid, notwithstanding any notice (express or otherwise) which the Issuer may have of the right, title, interest or claim of any other person to or in any Note or interest therein.
- 8.1.3 If the Issuer is prevented or restricted directly or indirectly from making any payment by electronic funds transfer in accordance with Condition 8.1.1 (whether by reason of strike, lockout, fire, explosion, floods, riot, war, accident, act of God, embargo, legislation, shortage of or breakdown in facilities, civil commotion, unrest or disturbances, cessation of labour, government interference or control or any other cause or contingency beyond the control of the Issuer) such inability will not constitute an Event of Default and the Issuer shall make such payment by cheque (or by such number of cheques as may be required in accordance with applicable banking law and practice).
- 8.1.4 All monies so payable by cheque will be sent by post, at the risk of the Noteholders, to the address of the Noteholder as set forth in the Register or, in the case of joint Noteholders, the address set forth in the Register of that one of them who is first named in the Register in respect of that Note. Each such cheque shall be made payable to or for the order of the relevant Noteholder or, in the case of joint Noteholders, the first one of them named in the Register. Cheques may be posted by ordinary post, provided that the Issuer shall not be responsible for any loss, including any loss due to theft or fraud, in transmission and the postal authorities shall be deemed to be the agent of the Noteholders for the purpose of all cheques posted in terms of this Condition 8. Payment by cheque sent in terms of this Condition 8 shall be a complete discharge by the Issuer of its obligations in respect of the amount of the cheque.
- 8.1.5 Only Noteholders reflected in the Register at 17h00 (South African time) on the relevant Last Day to Register will be entitled to payments of interest and/or principal in respect of Notes.
- 8.1.6 Payments will be subject in all cases to the Priority of Payments and any Taxation or other laws, directives and regulations applicable to such payment in the place of payment.

8.2 **Surrender of Certificates**

- 8.2.1 On or before the Last Day to Register prior to any Redemption Date (including a Redemption Date relating to mandatory redemption in part), the holder of an Individual Certificate, in respect of a Note to be redeemed (in part or in whole, as the case may be) shall deliver to the Transfer Agent the Individual Certificates to be redeemed. This will enable the Transfer Agent to endorse the partial redemption thereon or, in the case of final redemption, to cancel the relevant Individual Certificates.
- 8.2.2 Should the holder of an Individual Certificate refuse or fail to surrender the Individual Certificate for endorsement or cancellation on or before a Redemption Date, the amount payable to him in respect of such redemption, including any accrued interest, shall be paid to the Security SPV to be retained by it for such Noteholder, at the latter's risk, until the Noteholder surrenders the necessary Certificate, and interest shall cease to accrue to such Noteholder from the Redemption Date in respect of the amount redeemed.

- 8.2.3 Documents required to be presented and/or surrendered to the Transfer Agent in accordance with the Terms and Conditions will be so presented and/or surrendered at the Specified Office of the Transfer Agent.
- 8.3 **Payment date**
- Notwithstanding anything to the contrary contained in the Terms and Conditions, if the date for payment of any amount payable in respect of any Note is not a Business Day, then:
- 8.3.1 if a Business Day Convention is not specified in the Applicable Pricing Supplement, such date for payment shall be the following Business Day;
- 8.3.2 if a Business Day Convention is specified in the Applicable Pricing Supplement, such date for payment shall be adjusted according to such Business Day Convention.
- 8.4 **Calculation and notice of principal payments**
- The Manager will calculate the aggregate amount of principal due and payable by the Issuer for each Note on each date that payment is due and payable in accordance with the Priority of Payments. The Manager will, at least 2 Business Days before each such date, cause such aggregate amount of principal to be notified to the Noteholders in the manner set out in Condition 17 and to the Issuer.
9. **Taxation**
- 9.1 All payments (whether in respect of principal, interest or otherwise) in respect of the Notes will be made without withholding or deduction for or on account of any Taxes, unless such withholding or deduction is required by Applicable Law.
- 9.2 The payment of any Taxes by the Issuer as an agent or representative taxpayer for a Noteholder shall not constitute a withholding or deduction for the purposes of this Condition 9.
- 9.3 If any such withholding or deduction is required by Applicable Law in respect of Taxes imposed or levied on any payments (whether in respect of principal, interest or otherwise) in respect of any Notes, the Issuer will, subject to the Issuer's rights to redeem such Notes in terms of Condition 7.7, make such payments after such withholding or deduction has been made and will account to the relevant authorities for the amount so required to be withheld or deducted. The Issuer will not be obliged to make any additional payments to Noteholders in respect of such withholding or deduction.
10. **Undertakings of the Issuer**
- 10.1 **Comply with obligations**
- The Issuer undertakes that it will comply in all material respects with the obligations imposed on it in terms of the Transaction Documents to which it is a party.

- 10.2.4 **(Taxes)** pay all Taxes (other than Taxes disputed by the Issuer in good faith) when due;

- 10.2.7.2 should the Issuer and a Dealer agree to issue Notes in a form not contemplated by the Terms and Conditions;
- 10.2.7.3 should a new Programme Memorandum or a supplement to the Programme Memorandum be issued by the Issuer;

10.3 **Negative undertakings**

The Issuer undertakes that it shall not, except as permitted under any Transaction Document or otherwise with the prior written consent of the Security SPV:

- 10.3.1 **(negative pledge)** create or permit to subsist any Encumbrance (unless arising by operation of law) upon the whole or any part of its assets, present or future, save for any Encumbrance upon the assets pursuant to the Security Agreements;
- 10.3.2 **(disposal of assets)** transfer, sell, exchange, realise, alienate, lend, part with or otherwise dispose of, or deal with, or grant any right of first refusal, option or present or future right to acquire any of its assets or any interest, right, title or benefit therein, save as in accordance with any Transaction Document;
- 10.3.3 **(winding-up)** cause itself to be voluntarily wound-up or placed under judicial management or supervision by a business rescue practitioner;
- 10.3.4 **(restrictions on activities)** engage in any activity which is not in terms of or necessarily incidental to any of the activities which the Transaction Documents provide or envisage that the Issuer will engage in;

- 10.3.5.2 are subordinated in all respects to the rights of Noteholders;
- 10.3.6 **(dividends)** authorise the payment of, or pay, any dividend or other distribution to its shareholders, except any preference dividend, and any Tax thereon, payable in accordance with the Priority of Payments and pursuant to the Transaction Documents;
- 10.3.7 **(bank accounts)** open or operate any bank accounts, other than the Bank Accounts opened in terms of the Transaction Documents;

- 10.3.8 **(Derivative Contracts)** enter into any Derivative Contract, unless the Derivative Counterparty meets the Rating Agency hedging criteria from time to time;

- 10.3.10 **(borrowings)** raise or incur any obligation, whether as principal or surety, for the payment or repayment of money, whether present or future, actual or contingent, other than as envisaged in the Transaction Documents;
- 10.3.11 **(other financial accommodation)** grant any guarantee or other assurance whatsoever against financial loss or allow any such guarantee or assurance to be outstanding in connection with any money borrowed or raised by any person other than as part of the Issuer's Business;

- 10.3.12.4 have or acquire any subsidiaries;
- 10.3.12.5 occupy any premises;
- 10.3.13 **(Transaction Documents)**
- 10.3.13.1 cancel or amend any Transaction Documents;
- 10.3.13.2 grant a waiver in respect of any Transaction Document;
- 10.3.13.3 discharge or release any person from their obligations under any Transaction Document if that person has not performed its obligations in full;
- 10.3.13.4 novate or assign any Transaction Document;
- 10.3.13.5 cede any of its rights or delegate any of its obligations under any Transaction Document; or
- 10.3.14 **(other transactions)** enter into any document, agreement or arrangement other than in terms of the Transaction Documents.
- 10.4 In giving any consent to the foregoing, the Security SPV may require the Issuer to make such modifications or additions to the Terms and Conditions and/or to the provisions of any of the Transaction Documents (subject to Condition 18) or may impose such other conditions or requirements as the Security SPV may deem expedient (in its absolute discretion) in the interests of the Secured Creditors, including the Noteholders; provided that the Rating Agency is furnished with at least 5 Business Days prior written notice of the proposed action and has not notified the Issuer in writing that the proposed action may cause it to downgrade or withdraw its respective current Ratings of the Notes in issue.
11. **Events of Default**
- 11.1 **An Event of Default will occur should:**
- 11.1.1 the Issuer fail to pay an amount of interest due and payable to the Controlling Class Noteholders within 3 Business Days of the Interest Payment Date or principal due and payable to the Controlling Class Noteholders

within 3 Business Days of the Final Maturity Date, in each case irrespective of whether or not there are available funds for that purpose in terms of the Priority of Payments; or

- 11.1.2 the Issuer fail to pay any amount, whether in respect of interest, principal or otherwise, due and payable in respect of any other Class of Notes within 10 Business Days of the due date for the payment in question, to the extent permitted by available funds for that purpose in terms of the Priority of Payments; or
- 11.1.3 the Issuer fail duly to perform or observe any other obligation binding on it under the Terms and Conditions or any of the other Transaction Documents, which breach is not remedied within the cure period permitted therefor in the relevant Transaction Document or, if no such cure period is provided (and an immediate default is not triggered under such Transaction Document), within 30 days after receiving written notice from either the Security SPV or a party to the relevant Transaction Document requiring such breach to be remedied; or
- 11.1.4 the Issuer cease to be wholly owned by the Owner Trust without the prior written consent of the Security SPV; or
- 11.1.5 the Issuer be wound-up, liquidated, subject to an offer of compromise in terms of section 155 of the Companies Act, (other than one the terms of which have been approved by the Security SPV or by an Extraordinary Resolution of the Noteholders and where the Issuer is solvent), deregistered or placed under judicial management or supervision by a business rescue practitioner, in any such event whether provisionally or finally and whether voluntarily or compulsorily, or pass a resolution providing for any such event; or
- 11.1.6 the Issuer have any judgment or similar award ("**judgment**") awarded against it and fail to satisfy such judgment within 30 days after becoming aware thereof; or
- 11.1.7 if such judgment is appealable, fail to appeal against such judgment within the time limits prescribed by law or fail to diligently prosecute such appeal thereafter or ultimately fail in such appeal and then fail to satisfy such judgment within 10 days; and/or
- 11.1.8 if such judgment is a default judgment, fail to apply for the rescission thereof within the time limits prescribed by law or fail to diligently prosecute such application thereafter or ultimately fail in such application and then fail to satisfy such judgment within 10 days; and/or
- 11.1.9 if such judgment is reviewable, fail to initiate proceedings for the review thereof within the time limits prescribed by law or fail to diligently prosecute such proceedings thereafter or ultimately fail in such proceedings and then fail to satisfy such judgment within 10 days; or
- 11.1.10 the Issuer be or become insolvent or commit any act which is or, if it were a natural person, would be an act of insolvency as defined in the Insolvency Act, 1936 (except a deferral provided for in the Transaction Documents as a result of a lack of funds available for that purpose in terms of the Priority of Payments); or
- 11.1.11 the Issuer be deemed to be unable to pay its debts in terms of the Companies Act (except a deferral provided for in the Transaction Documents as a result of a lack of funds available for that purpose in terms of the Priority of Payments); or
- 11.1.12 the Issuer compromise or attempt to compromise with, or defer or attempt to defer payment of debts owing by it to, its creditors generally or any significant class of creditors (except a deferral provided for in the Transaction Documents as a result of a lack of funds available for that purpose in terms of the Priority of Payments); or
- 11.1.13 any procedural step be taken by the Issuer (including application, proposal or convening a meeting) with a view to a compromise or arrangement with any creditors generally or any significant class of creditors; or
- 11.1.14 the Security Interests in favour of the Security SPV pursuant to any of the Security Agreements become unenforceable for any reason whatsoever (or be reasonably claimed by the Security SPV not to be in full force

and effect) or should the grant to the Security SPV of a first priority Security Interest in respect of the assets cease; or

- 11.1.15 it be or become unlawful for the Issuer to perform any of its obligations under the Transaction Documents and the Security SPV has certified to the Issuer that such event is, in its opinion, materially prejudicial to the interests of the Noteholders; or
- 11.1.16 any consent, licence, permit or authorisation required by the Issuer for the conduct of its business be revoked, withdrawn, materially altered or not renewed and such situation not be remedied within 14 days after the Issuer and/or the Manager have been given written notice requiring the applicable consent, licence, permit or authorisation to be obtained; or
- 11.1.17 the Issuer alienate or encumber any of its assets (other than as provided for in terms of the Transaction Documents) without the prior written consent of the Security SPV; or
- 11.1.18 the Issuer cease to carry on its business in a normal and regular manner or materially change the nature of its business, or through an official act of the board of directors of the Issuer, threaten to cease to carry on business.
- 11.2 If an Event of Default occurs:
- 11.2.1 the Manager will forthwith inform the Security SPV and the Rating Agency;
- 11.2.2 the Security SPV will, as soon as such Event of Default comes to its notice (whether as a result of having been informed by the Manager thereof pursuant to Condition 11.2.1 or otherwise), forthwith call a meeting of the Controlling Class Noteholders;
- 11.2.3 all the Notes will become immediately due and payable:
- 11.2.3.1 if, at such meeting, the Controlling Class Noteholders so decide, by Extraordinary Resolution; or
- 11.2.3.2 if the Security SPV in its discretion so decides.
- 11.3 If the Controlling Class Noteholders decide that the Notes will become immediately due and payable as contemplated in Condition 11.2.3.1, the Controlling Class Noteholders will notify the Issuer and the Security SPV accordingly.
- 11.4 If the Controlling Class Noteholders decide that the Notes will become immediately due and payable as contemplated in Condition 11.2.3.1 or if the Security SPV decides that the Notes will become immediately due and payable as contemplated in Condition 11.2.3.2, as the case may be, the Security SPV will, by written notice to the Issuer (an **"Enforcement Notice"**), declare the Notes and any amounts owing under any other Transaction Document, to be immediately due and payable, and require the Outstanding Principal Amount of the Notes, together with any accrued interest thereon, and the amounts owing under any other Transaction Document, to be forthwith paid or repaid, to the extent permitted by and in accordance with the Post-Enforcement Priority of Payments. The Issuer shall forthwith do this, failing which the Security SPV may take all necessary steps, including legal proceedings, to enforce the rights of the Noteholders and other Secured Creditors set out in, and the security given therefor in terms of, these Terms and Conditions and the other Transaction Documents, subject always to the provisions of the Post-Enforcement Priority of Payments. Should the Security SPV fail to deliver the Enforcement Notice within 10 Business Days of being called upon to do so by the Controlling Class Noteholders, the notification by the Controlling Class Noteholders to the Issuer in accordance with Condition 11.3 shall constitute delivery of the Enforcement Notice.
- 11.5 The Security SPV will not be required to take any steps to ascertain whether any Event of Default has occurred or to monitor or supervise the observance and performance by the Issuer of its obligations under the Terms and Conditions and the other Transaction Documents and until the Security SPV has actual knowledge or has been served with express notice thereof it will be entitled to assume that no such Event of Default has taken place.

11.6 If the Notes become immediately due and payable following delivery of an Enforcement Notice, they will be redeemed and paid strictly in accordance with the Post-Enforcement Priority of Payments. If the Issuer has insufficient available funds to redeem all the Notes in full, the Notes will be redeemed, in reducing order of rank in the Post-Enforcement Priority of Payments, in each case *pro rata* to their Outstanding Principal Amount.

12. Enforcement, subordination and non-petition

12.1 Each Noteholder agrees that its claims against the Issuer and the Security SPV are subordinated for the benefit of other Secured Creditors in accordance with the Priority of Payments. The Issuer will not be obliged to make payment of, and Noteholders will not be entitled to receive payment of, any amount due and payable by the Issuer under the Notes, except in accordance with the Priority of Payments, unless and until all amounts required to be paid or provided for in terms of the Priority of Payments in priority thereto have been paid, provided for or discharged in full, and then only to the extent that there are available funds in the Priority of Payments for that purpose. Should the Issuer fail to pay all or part of any amount then due and payable by it to the Noteholders on any date, as a result of lack of available funds for that purpose in terms of the Priority of Payments:

12.1.1 the Issuer will not be in default of its obligations under the Notes (other than a failure to pay amounts due and payable to the Controlling Class Noteholders, which shall constitute an Event of Default in accordance with Condition 11.1.1);

12.1.2 the unpaid amount will not bear penalty interest; and

12.1.3 payment of the unpaid amount will be deferred to the following date upon which there are available funds to make such payment in terms of the Priority of Payments applicable on such date. Upon any deferral of the payment of interest due and payable under any Notes, such interest shall not be added to the Outstanding Principal Amount in relation to such Notes.

12.2 Notwithstanding any other provision of any Transaction Document, the obligation of the Issuer to make payment to the Noteholders is limited to the lesser of:

12.2.1 the amounts owing to the Noteholders; and

12.2.2 the aggregate of the actual amount recovered and available for distribution from the assets to such Noteholders, and the payment of such amount that is available for distribution to the Noteholders in accordance with the Priority of Payments will constitute fulfilment of the Issuer's obligations to make payment to the Noteholders. Once all the assets of the Issuer have been extinguished, each Noteholder abandons all claims it may have against the Issuer in respect of amounts still owing to it but unpaid, and the Issuer's liability to the Noteholders shall be completely discharged.

12.3 It is recorded that as security for the due, proper and timeous fulfilment by the Issuer of all its obligations under the Notes, the Security SPV has executed the Security SPV Guarantee in favour of the Secured Creditors (including the Noteholders). Each Noteholder expressly accepts the benefits of the Security SPV Guarantee and acknowledges the limitations on its rights of recourse in terms of such Security SPV Guarantee.

12.4 Subject to the provisions of Condition 12.6, each Noteholder agrees that only the Security SPV may enforce the security created in favour of the Security SPV by the Security Agreements in accordance with the provisions of the Security Agreements and the Transaction Documents.

12.5 The rights of Noteholders against the Issuer will be limited to the extent that the Noteholders will not be entitled to take any action or proceedings against the Issuer to recover any amounts payable by the Issuer to them under or in connection with the Notes (including not levying or enforcing any attachment or execution upon the assets of the Issuer), and all rights of enforcement will be exercised in accordance with the provisions of the Security SPV Guarantee, provided that:

- 12.5.1 if the Security SPV is entitled and obliged to enforce its claim against the Issuer pursuant to the Issuer Indemnity but fails to do so within 60 Business Days of being called upon to do so by any Secured Creditor (other than a Noteholder) or by an Extraordinary Resolution of the Controlling Class Noteholders; or
- 12.5.2 if the Security SPV is wound-up, liquidated, de-registered or placed under judicial management or supervision by a business rescue practitioner (in each case whether voluntarily or compulsorily, provisionally or finally) or if the Security SPV Guarantee and/or Issuer Indemnity are not enforceable (as finally determined by a judgment of a court of competent jurisdiction after all rights of appeal and review have been exhausted or as agreed by the Security SPV, the Noteholders (by way of Extraordinary Resolution of the Controlling Class Noteholders) and other Secured Creditors),
- then Noteholders will be entitled to take action themselves to enforce their claims directly against the Issuer if an Event of Default occurs.
- 12.6 The Noteholders will not, until 2 years following the payment of all amounts outstanding and owing by the Issuer under the Notes and all the other Transaction Documents, institute, or join with any person in instituting or vote in favour of, any steps or legal proceedings for the winding-up, liquidation, de-registration, business rescue proceedings, judicial management of, or any scheme of compromise or scheme of arrangement or related relief in respect of:
- 12.6.1 the Issuer or for the appointment of a liquidator, judicial administrator, business rescue practitioner or similar officer of the Issuer, provided that nothing in this clause will limit the Security SPV from taking such action, in the event that the Security SPV is unable (whether due to practical or legal impediments which in the reasonable opinion of the Security SPV are not of a temporary nature) to enforce the Security Agreements; or
- 12.6.2 the Security SPV or for the appointment of a liquidator, judicial administrator, business rescue practitioner or similar officer of the Security SPV.
- 12.7 Without prejudice to the foregoing provisions of this Condition, each Noteholder undertakes to the Issuer and the Security SPV that if any payment is received by it other than in accordance with the Priority of Payments in respect of amounts due to it by the Issuer and/or the Security SPV, the amount so paid will be received and held by such Noteholder as agent for the Issuer and/or the Security SPV, as the case may be, and will be paid to the Issuer and/or the Security SPV, as the case may be, immediately on demand.
- 12.8 The Security SPV has acknowledged in the Common Terms Agreement that it holds the security created pursuant to the Security Agreements to be distributed, on enforcement of the Security Agreements, in accordance with the provisions of the Priority of Payments.
- 12.9 Each Noteholder undertakes that it will not set off or claim to set off any amounts owed by it to the Issuer or the Security SPV against any amount owed to it by the Issuer or the Security SPV.
- 12.10 Notwithstanding the provisions of the preceding sub-Conditions, in the event of a liquidation or a winding-up of the Issuer or the Security SPV or of the Issuer or the Security SPV being placed under judicial management or supervision by a business rescue practitioner, Secured Creditors ranking prior to others in the Priority of Payments will be entitled to receive payment in full from the assets of the Issuer of amounts due and payable to them, before other Secured Creditors that rank after them in the Priority of Payments receive any payment of amounts owing to them.
- 12.11 In order to ensure the fulfilment of the provisions of the Priority of Payments in the event of a liquidation or a winding-up of the Issuer or the Issuer being placed under judicial management or supervision by a business rescue practitioner, each Noteholder agrees that in the event of a liquidation or winding-up of the Issuer or of the Issuer being placed under judicial management or supervision by a business rescue practitioner, it will recover all amounts due and payable by the Issuer to such Noteholder in accordance with the provisions of the Security SPV Guarantee. The Security SPV will, in turn, make a claim in the winding-up, liquidation, business rescue or judicial management proceedings of the Issuer pursuant to the Issuer Indemnity and, out of any amount recovered in such proceedings, pay the Secured Creditors in accordance with the Post-Enforcement Priority of Payments.

- 12.12 In the event that the Security SPV fails, for whatever reason, to make a claim in the liquidation, winding-up, business rescue or judicial management proceedings of the Issuer pursuant to the Issuer Indemnity or should the liquidator, business rescue practitioner or judicial administrator not accept a claim tendered for proof by the Security SPV pursuant to the Issuer Indemnity, then each Noteholder will be entitled to lodge such claims itself but each Noteholder agrees that:
- 12.12.1 any claim made or proved by a Noteholder in the liquidation, winding-up, business rescue or judicial management proceedings in respect of amounts owing to it by the Issuer will be subject to the condition that no amount will be paid in respect thereof to the extent that the effect of such payment would be that the amount payable to the Secured Creditors that rank prior to it in terms of the Post-Enforcement Priority of Payments would be reduced; and
- 12.12.2 if the liquidator, business rescue practitioner or judicial administrator does not accept claims proved subject to the condition contained in Condition 12.13.1 then each Secured Creditor will be entitled to prove its claims against the Issuer in full, on the basis that any liquidation dividend payable to it is paid to the Security SPV for distribution in accordance with the Post-Enforcement Priority of Payments.
- 12.13 Nothing in the Terms and Conditions limits:
- 12.13.1 the exercise of any right or power by the Security SPV under the Security Agreements and/or the Issuer Indemnity;
- 12.13.2 the entitlement of the Security SPV to levy or enforce any attachment or execution upon the assets of the Issuer;
- 12.13.3 any Secured Creditor from obtaining or taking any proceedings to obtain an interdict, mandamus or other order to restrain any breach of any Transaction Document by any party;
- 12.13.4 any Secured Creditor from obtaining or taking any proceedings to obtain declaratory relief in relation to any provision of any Transaction Document in relation to any party; or
- 12.13.5 the exercise by any Derivative Counterparty under a Derivative Contract of rights of netting or set-off, where such rights are explicitly provided for in accordance with the terms of the relevant Transaction Document.

13. Benefits

- 13.1 The Terms and Conditions, insofar as they confer benefits on any Secured Creditor (other than a Noteholder), comprise a stipulation for the benefit of such Secured Creditor and will be deemed to be accepted by each such Secured Creditor upon execution of the Common Terms Agreement by each such Secured Creditor.
- 13.2 Each Noteholder, upon its subscription for Notes and the issue of Notes to it, or upon the transfer of Notes to it, as the case may be, accepts the benefits of those provisions of the Common Terms Agreement which confer benefits on the Noteholders.
- 13.3 It is recorded that the Security SPV, upon signing the Security SPV Guarantee, is deemed to have notice of the Terms and Conditions, and the Security SPV shall be bound by those provisions of the Terms and Conditions which confer rights and/or impose obligations on the Security SPV.

14. Replacement of Notes

14.1 Costs

Certificates shall be provided (whether by way of issue or delivery) by the Issuer without charge, save as otherwise provided in these Terms and Conditions. The costs and expenses of delivery of Certificates by a method other than

ordinary post (if any) and, if the Issuer shall so require, taxes or governmental charges or insurance charges that may be imposed in relation to such mode of delivery, shall be borne by the Noteholder.

14.2 **Replacement**

If any Certificate is mutilated, defaced, stolen, destroyed or lost it may be replaced at the office of the Transfer Agent on payment by the claimant of such costs and expenses as may be incurred in connection therewith and against the furnishing of such indemnity as the Transfer Agent may reasonably require. Mutilated or defaced Certificates must be surrendered before replacements will be issued.

14.3 **Death and sequestration or liquidation of Noteholder**

Any person becoming entitled to Notes in consequence of the death, sequestration or liquidation of the relevant Noteholder may, upon producing evidence to the satisfaction of the Issuer that he holds the position in respect of which he proposes to act under this paragraph or of his title, require the Transfer Agent to register such person as the holder of such Notes or, subject to the requirements of this Condition, to transfer such Notes to such person

14.4 **Exchange of Beneficial Interests**

14.4.1 The holder of a Beneficial Interest in Notes may, in terms of the Applicable Procedures and subject to section 35 of the Financial Markets Act, by written notice to the holder's nominated Participant (or, if such holder is a Participant, the Central Securities Depository), request that such Beneficial Interest be exchanged for Notes in definitive form represented by a Certificate (the "**Exchange Notice**"). The Exchange Notice shall specify the name, address and bank account details of the holder of the Beneficial Interest.

14.4.2 The holder's nominated Participant will, following receipt of the Exchange Notice, through the Central Securities Depository, notify the Transfer Agent that it is required to exchange such Beneficial Interest for Notes represented by an Individual Certificate. The Transfer Agent will, as soon as is practicable but within 14 days after receiving such notice, in accordance with the Applicable Procedures, procure that an Individual Certificate is prepared, authenticated and made available for delivery, on a Business Day falling within the aforementioned 14 day period, to the holder of the Beneficial Interest at the Specified Office of the Transfer Agent; provided that joint holders of a Beneficial Interest shall be entitled to receive only one Certificate in respect of that joint holding, and delivery to one of those joint holders shall be delivery to all of them.

14.4.3 In the case of the exchange of a Beneficial Interest in Notes issued in uncertificated form:

14.4.3.1.1 the Central Securities Depository will surrender (through the Central Securities Depository system) such uncertificated Notes to the Transfer Agent at its Specified Office;

14.4.3.1.2 the Transfer Agent will obtain the release of such uncertificated Notes from the Central Securities Depository in accordance with the Applicable Procedures.

14.4.4 A Certificate shall, in relation to a Beneficial Interest in any number of Notes issued in uncertificated form of a particular aggregate Principal Amount standing to the account of the holder thereof, represent that number of Notes of that aggregate Principal Amount, and shall otherwise be in such form as may be agreed between the Issuer and the Transfer Agent; provided that if such aggregate Principal Amount is equivalent to a fraction of R1 000 000 (or the equivalent thereof in the Specified Currency if the Specified Currency is not Rand) or a fraction of any multiple thereof, such Certificate shall be issued in accordance with, and be governed by, the Applicable Procedures.

15. **Transfer of Notes**

15.1 Beneficial Interests in the Notes may be transferred in terms of the Applicable Procedures through the Central Securities Depository.

- 15.2 The Central Securities Depository maintains accounts only for its Participants. Beneficial Interests which are held by Participants (which are also Settlement Agents) may be held directly through the Central Securities Depository. Participants are in turn required to maintain securities accounts for their clients. Beneficial Interests which are not held by Participants may be held by clients of Participants indirectly through such Participants.
- 15.3 Transfers of Beneficial Interests to and from clients of Participants occur, in terms of existing law and practice, by way of electronic book entry in the securities accounts maintained by the Participants for their clients. Transfers of Beneficial Interests among Participants occur through electronic book entry in the central securities accounts maintained by the Central Securities Depository for the Participants. Such transfers will be recorded in accordance with the Applicable Procedures. Beneficial Interests may be transferred only in accordance with these Terms and Conditions, and the Applicable Procedures.
- 15.4 In order for any transfer of Notes represented by an Individual Certificate to be recorded in the Register, and for such transfer to be recognised by the Issuer:
- 15.4.1 the transfer of such Notes must be embodied in the Transfer Form;
- 15.4.2 the Transfer Form must be signed by the registered Noteholder and the transferee, or any authorised representative of that registered Noteholder and/or transferee; and
- 15.4.3 the Transfer Form must be delivered to the Transfer Agent at its Specified Office together with the relevant Individual Certificate for cancellation.
- 15.5 Transfers of Notes represented by an Individual Certificate will only be in a denomination of R1 000 000 or more. Notes represented by a Certificate may be transferred in whole or in part (in amounts of not less than R1 000 000).
- 15.6 Subject to the preceding provisions of this Condition 15, the Transfer Agent will, within 3 Business Days of receipt by it of a valid Transfer Form (or such longer period as may be required to comply with any applicable fiscal or other laws or regulations), record the transfer of Notes represented by an Individual Certificate in the Register, and authenticate and deliver to the transferee at the Transfer Agent's Specified Office or, at the risk of the transferee, send by mail to such address as the transferee may request, a new Individual Certificate in respect of such Notes reflecting the same Outstanding Principal Amount as the Notes transferred. Where a Noteholder has transferred part only of his holding of Notes represented by an Individual Certificate, the Transfer Agent will authenticate and deliver to such Noteholder at the Transfer Agent's Specified Office or, at the risk of such Noteholder, send by mail to such address as such Noteholder may request, a new Individual Certificate in respect of the balance of the Notes held by such Noteholder.
- 15.7 The transferor of any Notes represented by an Individual Certificate will be deemed to remain the owner thereof until the transferee is registered in the Register as the holder thereof.
- 15.8 Before any transfer of any Notes represented by an Individual Certificate is registered, all relevant transfer taxes (if any) must have been paid by the transferor and/or the transferee and such evidence must be furnished as the Transfer Agent reasonably requires as to the identity and title of the transferor and the transferee.
- 15.9 No transfer of any Notes represented by an Individual Certificate will be registered while the Register is closed as contemplated in Condition 16.
- 15.10 If a transfer of any Notes represented by an Individual Certificate is registered, the Transfer Form and cancelled Individual Certificate will be retained by the Transfer Agent.
16. **Register**
- 16.1 The Register will be kept at the Specified Office of the Transfer Agent. The Register will contain the name, address and bank account details of the registered Noteholders. The Register will set out the Principal Amount of the Notes issued to any Noteholder and will show the date of such issue and the date upon which the Noteholder became registered as

such. The Register will show the serial numbers of the Certificates issued. The Register will be open for inspection during the normal business hours of the Transfer Agent to any Noteholder or any person of proven identity authorised in writing by any Noteholder. The Issuer and the Transfer Agent will not be bound to enter any trust into the Register or to take any notice of or to accede to the execution of any trust (express, implied or constructive) to which any Note may be subject.

16.2 In terms of section 50 of the Companies Act, read with the Financial Markets Act and the rules of the Central Securities Depository, the Issuer will (i) record in the Register, the total number, and where applicable, the nominal value of the Notes issued by it in uncertificated form, and (ii) the Central Securities Depository Participants will administer and maintain the company's Uncertificated Securities Register, which will form part of the Register.

16.3 The Register will, in respect of a Tranche of Notes, be closed during the 5 days preceding each Interest Payment Date and Redemption Date, as the case may be, from 17h00 (South Africa time) on the Last Day to Register or such other Books Closed Period as is specified in the Applicable Pricing Supplement. All periods referred to for the closure of the Register may be shortened by the Issuer from time to time, upon notice thereof to the Noteholders in accordance with Condition 17.

16.4 The Transfer Agent will alter the Register in respect of any change of name, address or bank account number of any of the Noteholders of which it is notified in accordance with Condition 17.

17. Notices

17.1 Subject to Condition 17.2, all notices (including all demands or requests under the Terms and Conditions) to the Noteholders will be valid if mailed by registered post or delivered by hand to their addresses appearing in the Register or published in a leading English language daily newspaper of general circulation in South Africa. Each such notice will be deemed to have been given on the day of first publication or delivery by hand or on the 14th day after the day on which it is mailed, as the case may be.

17.2 For so long as the Notes are held in their entirety by the Central Securities Depository, there may be substituted for publication as contemplated in clause 17.1. the delivery of the relevant notice to the Central Securities Depository, the Participants and the JSE for communication by them to the holders of Beneficial Interests in the Notes, in accordance with the Applicable Procedures (including on the JSE Stock Exchange News Service).

17.3 Where any provision of the Terms and Conditions requires notice to be given to the Noteholders of any matter other than a meeting of Noteholders, such notice will be given *mutatis mutandis* as set out in Condition 17.1 and Condition 17.2, subject to compliance with any other time periods prescribed in the provision concerned.

17.4 All notices (including all communications, demands and/or requests under the Terms and Conditions) to be given by any Noteholder to the Issuer, the Security SPV or the Transfer Agent, as the case may be, will be in writing and given by delivering the notice, by hand or by registered post, together with a certified copy of the relevant Certificate, to the Specified Office of the Issuer, the Specified Office of the Security SPV or the Specified Office of the Transfer Agent, as the case may be, and marked for the attention of the chief executive officer, with a copy sent by hand or by registered post to the Specified Office of the Manager and marked for the attention of the chief executive officer. Any notice to the Issuer, the Security SPV or the Transfer Agent, as the case may be, will be deemed to have been received by the Issuer, the Security SPV or the Transfer Agent, as the case may be, on the second Business Day after being delivered by hand to the Specified Office of the Issuer, the Security SPV or the Transfer Agent, as the case may be, or on the 14th day after the day on which it is mailed by registered post to the Specified Office of the Issuer, the Security SPV or the Transfer Agent, as the case may be.

17.5 Whilst any of the Notes are held in uncertificated form, notices to be given by any holder of a Beneficial Interest to the Issuer shall be given by such holder through such holder's relevant Participant in accordance with the Applicable Procedures.

18. Amendment of the Terms and Conditions and the Priority of Payments

- 18.1 Subject to Condition 18.6 the Issuer and the Security SPV may effect, without the consent of any Noteholder, any amendment to the Terms and Conditions, the Priority of Payments, the Guarantee SPV Guarantee, the Security SPV Guarantee and/or the Transaction Documents relating to the Security, the security structure or credit enhancement which is of a technical nature or is made to correct a manifest error or to comply with mandatory provisions of the law of South Africa. Any such amendment will be binding on Noteholders and such amendment will be notified to Noteholders in accordance with Condition 17 and to the JSE as soon as practicable thereafter.
- 18.2 The Issuer and the Security SPV may amend the Terms and Conditions, the Priority of Payments, the Guarantee SPV Guarantee, the Security SPV Guarantee and/or the Transaction Documents relating to the Security, the security structure or credit enhancement, by written agreement, subject to the following provisions of this Condition 18.
- 18.3 Subject to Condition 18.1, any amendment to the Terms and Conditions of (i) all of the Noteholders or (ii) a particular Class (or Classes) of Noteholders, as the case may be, may be made only with (i) prior formal approval from the JSE and (ii) the prior authorisation of an Extraordinary Resolution of all of the Noteholders or an Extraordinary Resolution of that Class (or those Classes) of Noteholders, as the case may be.
- 18.4 Accordingly, subject to Condition 18.1, if there is any proposed amendment to the Terms and Conditions of (i) all of the Noteholders or (ii) a particular Class (or Classes) of Noteholders, as the case may be, the Security SPV will call a meeting of all the Noteholders or a meeting of that Class of Noteholders or separate meetings of each of those Classes of Noteholders, as the case may be, once the formal approval of the JSE for such amendment has been obtained. Such meeting or meetings will be regulated by the provisions set out in Condition 22 and no proposed amendment will be made to the Terms and Conditions until such amendment has been approved formally by the JSE first and then by Extraordinary Resolution at such meeting or meetings.
- 18.5 No amendment to the Priority of Payments which amends the rights and/or obligations of a Secured Creditor (other than a Noteholder) may be made without the prior written consent of such Secured Creditor.
- 18.6 No amendment to the Terms and Conditions and/or any of the other Transaction Documents may be made unless (i) the Security SPV grants its prior written approval for such amendment (provided that where Conditions 18.3 and 18.4 are applicable and such consents have been obtained, the prior written approval of the Security SPV shall not be required) and (ii) the JSE grants its approval for such amendment (only in the case of an amendment to the Terms and Conditions, and then only if the amendment is not an amendment contemplated in Condition 18.1 or an amendment to the Security SPV Guarantee) and (iii) the Rating Agency is furnished with at least 5 Business Days prior written notice of the proposed amendment and does not notify the Issuer in writing that the proposed amendment may cause it to downgrade or withdraw its respective current Ratings of Tranches of Notes in issue.
- 18.7 The Eligibility Criteria shall not be amended without the consent of the Noteholders in accordance with paragraph 7.26 of the Debt Listings Requirements (or such provision as may replace paragraph 7.26 of the Debt Listings Requirements from time to time).

19. Consent of the Security SPV

- 19.1 Where in any Transaction Document provision is made for the consent to be given by the Security SPV, unless expressly stated otherwise, such consent:
- 19.1.1 may be given (conditionally or unconditionally) or withheld in the discretion of the Security SPV; provided that, in exercising such discretion, the Security SPV shall act in what it reasonably believes to be in the best interests of Secured Creditors and, if (in giving or withholding the consent) the interests of any one category of Secured Creditors conflict with those of another category of Secured Creditors, the Security SPV shall act in what it reasonably believes to be in the interests of the Controlling Class Noteholders (or failing any Noteholders, in the best interests of the category of Secured Creditors ranking highest in the Priority of Payments); and

- 19.1.2 shall be given or withheld within a reasonable period of time and, if not given or withheld within such reasonable period of time, shall be deemed to have been withheld.
- 19.2 Where in any Transaction Document it is provided that the Issuer and/or the Security SPV is required to act, form an opinion, give consent, or exercise a right or discretion "reasonably" or to not act "unreasonably" (collectively "**acted**"), or is constrained by words to similar effect, and any other party disputes that the Issuer or the Security SPV, as the case may be, has acted reasonably or asserts that it has acted unreasonably, then, pending a final resolution of such dispute, all parties (including the party which raised the dispute) shall nevertheless in all respects continue to perform their obligations under the relevant Transaction Document, and/or to give effect to its provisions, including provisions relating to the termination thereof, as if the Issuer or the Security SPV, as the case may be, had acted reasonably or had not acted unreasonably, as the case may be.
- 19.3 Without derogating from any express provision in any Transaction Document and without limiting any of the rights, powers and/or discretions of the Security SPV, the Security SPV will not be required to exercise any right, power or discretion in terms of the Transaction Documents without the specific written instructions of an Extraordinary Resolution of the Controlling Class Noteholders or, if there are no Noteholders, then without the specific written instructions of the Secured Creditors ranking highest in the Priority of Payments at that time.
20. **No voting rights on Notes held by Issuer**
- The Issuer will not have any voting rights on any Notes held by it.
21. **Prescription**
- Any claim for payment of principal and/or interest in respect of the Notes will prescribe 3 years after the date on which such payment first becomes due and payable in accordance with the Priority of Payments.
22. **Meetings of Noteholders**
- 22.1 **Directions of Noteholders**
- 22.1.1 The provisions with regard to meetings of Noteholders are set out in this Condition 22. The provisions of this Condition 22 will apply, *mutatis mutandis*, to each separate meeting of each Class of Noteholders.
- 22.1.2 Every director, the secretary of and the attorney to the Issuer, the Security SPV and every other person authorised in writing by the Issuer or the Security SPV, may attend and speak at a meeting of Noteholders, but will not be entitled to vote, other than as a Noteholder or proxy or duly authorised representative of a Noteholder.
- 22.1.3 Subject to Condition 22.1.5, a meeting of Noteholders will have power, in addition to all powers specifically conferred elsewhere in the Terms and Conditions:
- 22.1.3.1 by Ordinary Resolution of the Controlling Class Noteholders to give instructions to the Security SPV or the Issuer in respect of any matter not covered by the Terms and Conditions or the other Transaction Documents (but without derogating from the powers or discretions expressly conferred upon the Issuer or the Security SPV by the Terms and Conditions or the other Transaction Documents or imposing obligations on the Issuer or the Security SPV not imposed or contemplated by the Terms and Conditions or the other Transaction Documents or otherwise conflicting with or inconsistent with the provisions of the Terms and Conditions and the other Transaction Documents);
- 22.1.3.2 by Extraordinary Resolution:
- 22.1.3.2.1 of the Controlling Class Noteholders to bind all of the Noteholders to any compromise or arrangement; and

- 22.1.3.2.2 of a particular Class of Noteholders to agree to any variation or modification of any of the rights of that Class of Noteholders.
- 22.1.4 Unless otherwise specified, resolutions of Noteholders or any Class of Noteholders will require an Ordinary Resolution to be passed. Subject to Condition 18, if there is any conflict between the resolutions passed by any Class of Noteholders, the resolutions passed by the Controlling Class Noteholders will prevail.
- 22.1.5 The Security SPV will be entitled, before carrying out the directions of Noteholders in terms of this Condition, to require that it be indemnified against all expenses and liability which may be incurred and that it be provided from time to time, so far as the Security SPV may reasonably require, with sufficient monies to enable it to meet the expense of giving effect to such directions.
- 22.2 **Convening of meetings**
- 22.2.1 The Security SPV or the Issuer, as the case may be, may at any time convene a meeting of Noteholders or separate meetings of any Class of Noteholders (a "meeting" or the "meeting").
- 22.2.2 The Issuer will convene (i) a meeting of Noteholders upon the requisition in writing of Noteholders holding not less than 10% of the aggregate Outstanding Principal Amount of all of the Notes or (ii) a separate meeting of any Class of Noteholders upon the requisition in writing of the Noteholders in that Class holding not less than 10% of the aggregate Outstanding Principal Amount of the Notes held by that Class, as the case may be (a "requisition notice").
- 22.2.2.1 Upon receipt of such a requisition, the Issuer shall immediately
- 22.2.2.1.1 inform the JSE in writing and describe the purpose of the meeting; and
- 22.2.2.1.2 release an announcement through SENS that the Issuer has received a demand to call a meeting from Noteholders or Noteholders of a Class of Notes, as the case may be, pursuant to the provisions of the JSE Debt Listings Requirements and specifying the date and time of the meeting.
- 22.2.2.2 The Issuer shall issue a notice of meeting (meeting in person or via conference call facilities) within five Business Days from the date of receipt of the request to call a meeting of Noteholders or Noteholders of a Class of Notes, as the case may be.
- 22.2.2.3 The date of the meeting shall be specified as a date not exceeding seven Business Days from the date that the notice of meeting is issued.
- 22.2.2.4 The notice of meeting shall allow for a pre-meeting of the Noteholders or Noteholders of a Class of Notes, as the case may be (without the presence of the Issuer) on the same day/venue and at least two hours before the scheduled meeting of Noteholders or Noteholders of a Class of Notes, as the case may be.
- 22.2.2.5 The Issuer shall release an announcement on SENS within two Business Days after the meeting of Noteholders or Noteholders of a Class of Notes, as the case may be, regarding the outcomes of the meeting.
- 22.2.2.6 In the event of the liquidation, business rescue or curatorship of the Issuer, the inability of the Issuer to pay its debts as they fall due or the Issuer becoming financially distressed as contemplated in the Companies Act, the reference to five Business Days in 22.2.2.2 shall be reduced to two Business Days and seven Business Days in 22.2.2.3 shall be reduced to five Business Days.

- 22.2.2.7 At the meeting, Noteholders or Noteholders of a Class of Notes will exercise their voting through polling and not by the show of hands. The meeting will elect a chair as voted by holders of debt securities.
- 22.2.2.8 The Noteholders or Noteholders of a Class of Notes, as the case may be, who demanded the meeting may, prior to the meeting, withdraw the demand by notice in writing to the Issuer. A copy must be submitted to the JSE. Further, the Issuer may cancel the meeting if as a result of one or more of the demands being withdrawn, the requisition fails to meet the required percentage in 22.2.1 to call a meeting.
- 22.2.2.9 The meeting will elect a chair as voted by the holders of debt securities.
- 22.2.3 Whenever the Issuer wishes to convene a meeting, it will forthwith give notice in writing to the Noteholders and the Security SPV in the manner prescribed in Condition 17 of the place, day and hour of the meeting, the nature of the business to be transacted at the meeting and the resolutions to be proposed and considered at the meeting.
- 22.2.4 Whenever the Security SPV wishes or is obliged to convene a meeting it will forthwith give notice in writing to the Noteholders and the Issuer in the manner prescribed in Condition 17, of the place, day and hour of the meeting, the nature of the business to be transacted at the meeting and the resolutions to be proposed and considered at the meeting.
- 22.2.5 All meetings of Noteholders will be held in Johannesburg.

22.3 **Requisition**

- 22.3.1 A requisition notice will state the nature of the business for which the meeting is to be held and the resolutions to be proposed and considered at the meeting and will be deposited at the Specified Office of the Issuer.
- 22.3.2 A requisition notice may consist of several documents in like form, each signed by one or more requisitionists.

22.4 **Convening of meetings by requisitionists**

If the Issuer or the Security SPV, as the case may be, does not convene a meeting to be held within 30 days of the deposit of a requisition notice, the requisitionists may themselves convene the meeting, but the meeting so convened will be held within 90 days from the date of such deposit and will be convened as nearly as possible in the same manner as that in which meetings may be convened by the Security SPV. Whenever the requisitionists are about to so convene any such meeting, requisitionists shall forthwith give notice of the meeting to the Issuer and the Security SPV.

22.5 **Notice of meeting**

- 22.5.1 Unless every Noteholder or Noteholders in a Class of Notes who is entitled to exercise voting rights in respect of any item on the meeting agenda is present at the meeting and votes to waive the minimum required notice period, at least 15 Business Days' written notice (exclusive of the day on which the notice is given and the day on which the meeting is held), specifying the place, day and time of the meeting pursuant to which the Issuer has selected to determine which Noteholders recorded in the Register will receive notice of the meeting, the general nature of the business for which the meeting is to be held and the resolutions to be proposed and considered at the meeting, will be given to each Noteholder and to the Issuer or the Security SPV, as the case may be prior to any meeting of such Noteholders in the manner provided by Condition 17. Such notice shall include a statement to the effect that a Noteholder entitled to attend and vote at a meeting is entitled to appoint a proxy to attend, participate in and vote at the meeting in place of the Noteholder.
- 22.5.2 The accidental omission to give such notice to any Noteholder or the Security SPV or the Issuer, as the case may be, or the non-receipt of any such notice, will not invalidate the proceedings at a meeting.

22.6 Quorum

22.6.1 A quorum at a meeting shall:

22.6.1.1 for the purposes of considering an Ordinary Resolution, consist of Noteholders present in person or by proxy and holding in the aggregate not less than 50% of the aggregate Outstanding Principal Amount of the Notes or Class of Notes, as the case may be;

22.6.1.2 for the purposes of considering an Extraordinary Resolution, consist of Noteholders present in person or by proxy and holding in the aggregate not less than 66.67% of the aggregate Outstanding Principal Amount of the Notes or Class of Notes, as the case may be.

22.6.2 No business will be transacted at a meeting of the Noteholders unless a quorum is present at the time when the meeting proceeds to business.

22.6.3 If, within 15 minutes from the time appointed for the meeting, a quorum is not present, the meeting will, if it was convened on the requisition of Noteholders, be dissolved. In every other case the meeting will stand adjourned to the same day in the third week thereafter, at the same time and place, or if that day is not a Business Day, the next succeeding Business Day. If at such adjourned meeting a quorum is not present the Noteholders present in person or by proxy will constitute a quorum for the purpose of considering any resolution, including an Extraordinary Resolution.

22.7 Chairman

Subject to the provisions of condition 22.2.2.9 above, the Security SPV or its representative will preside as chairman at a meeting. If the Security SPV or its representative is not present within 10 minutes of the time appointed for the holding of the meeting, the Noteholders then present will choose one of their own number to preside as chairman.

22.8 Adjournment

22.8.1 Subject to the provisions of this Condition 22, the chairman may, with the consent of, and will on the direction of, the meeting adjourn the meeting from time to time and from place to place.

22.8.2 No business will be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

22.8.3 At least 14 days' written notice of the place, day and time of an adjourned meeting will be given by the Security SPV to each Noteholder and the Issuer. In the case of a meeting adjourned in terms of Condition 22.6.3, the notice will state that the Noteholders present in person or by proxy at the adjourned meeting will constitute a quorum.

22.9 How questions are decided

22.9.1 At a meeting, a resolution put to the vote will be decided on a poll.

22.9.2 In the case of an equality of votes, the chairman will not be entitled to a casting vote in addition to the vote, if any, to which he is entitled.

22.10 Votes

Voting shall only take place on a poll and not on a show of hands. On a poll every Noteholder, present in person or by proxy, will be entitled to that proportion of the total votes which the aggregate Outstanding Principal Amount of the Notes held by such Noteholder bears to the aggregate Outstanding Principal Amount of all of the Notes or Class of Notes, as the case may be held by the Noteholders present in person or by proxy at the meeting. In relation to joint

Noteholders, the vote may be exercised only by that Noteholder whose name appears first on the Register in the event that more than one of such Noteholders is present, in person or by proxy, at the meeting.

22.11 Proxies and representatives

22.11.1 Noteholders present either in person or by proxy may vote on a poll. A Noteholder may by an instrument in writing (a “**proxy form**”) signed by the Noteholder (or his duly authorised agent) or, in the case of a juristic person, signed on its behalf by a duly authorised officer of the juristic person, appoint any person (a “**proxy**” or “**proxies**”) to act on his or its behalf in connection with any meeting or proposed meeting.

22.11.2 A person appointed to act as proxy need not be a Noteholder.

22.11.3 The proxy form will be deposited at the Specified Office of the Issuer or at the Specified Office of the Transfer Agent, as the case may be, at any time before the proxy exercises the rights of the Noteholder at the meeting or adjourned meeting at which the person named in such proxy proposes to vote.

22.11.4 No proxy form will be valid after the expiration of 6 months from the date named in it as the date of its execution.

22.11.5 Notwithstanding Condition 22.11.4, a proxy form will be valid for any adjourned meeting, unless the contrary is stated thereon.

22.11.6 A vote given in accordance with the terms of a proxy form will be valid notwithstanding the previous death or incapacity of the principal or revocation or amendment of the proxy form or of any of the Noteholder’s instructions pursuant to which the proxy form was executed or of the authority under which the proxy form was executed or the transfer of Notes in respect of which the proxy was given, provided that no intimation in writing of such death, incapacity, revocation or amendment shall have been received by the Issuer at its Specified Office or the Transfer Agent at its Specified Office, as the case may be, more than, and that the transfer has been given effect to less than, 12 hours before the commencement of the meeting or adjourned meeting at which the proxy is to be used.

22.11.7 Any Noteholder which is a juristic person may authorise any person to act as its representative in connection with any meeting or proposed meeting of Noteholders by resolution of the directors or other governing body of the juristic person. Any reference in the Terms and Conditions to a Noteholder present in person includes the duly authorised representative of a Noteholder which is a juristic person.

22.12 Minutes

22.12.1 The Security SPV will cause minutes of all resolutions and proceedings of meetings to be duly entered in books to be provided by the Issuer for that purpose.

22.12.2 Any such minutes as aforesaid, if purporting to be signed by the chairman of the meeting at which such resolutions were passed or proceedings held or by the chairman of the next succeeding meeting, will be receivable in evidence without any further proof, and until the contrary is proved, a meeting of Noteholders or Class of Noteholders, as the case may be, in respect of the proceedings of which minutes have been so made will be deemed to have been duly held and convened and all resolutions passed thereat, or proceedings held, to have been duly passed and held.

22.13 Written Resolutions

A resolution in writing signed by the requisite majority of Noteholders or Class of Noteholders, as the case may be, shall be as valid and effective as if it had been passed at a meeting duly convened and constituted and shall be deemed (unless a statement to the contrary is made in that resolution) to have been passed on the last day on which that resolution is signed by any one or more of the Noteholders, as the case may be. That resolution may consist of two or more documents in the same form each of which is signed by one or more of the Noteholders, as the case may be.

24. Governing law

The Notes and the Terms and Conditions are governed by, and will be construed in accordance with, the laws of South Africa.

25. Multiple roles

The Noteholders acknowledge and agree that Absa acts in a number of different capacities in relation to the transactions envisaged in the Transaction Documents. Notwithstanding such different roles:

25.1 Absa and any of its officers, directors and employees may become the owner of, or acquire any interest in, any Notes with the same rights that it or he would have had if it or he had not been a party to a Transaction Document, and may engage or be interested in any financial or other transaction with the Issuer, provided it is a transaction disclosed in any Transaction Document, and may act on, or as depository for, any committee or body of Noteholders in connection with any other obligation of the Issuer as freely as if it or he had not so been a party to any Transaction Document;

25.2 information, knowledge or notification obtained by Absa in any one such capacity shall not be attributed to it, whether constructively or otherwise, in any other capacity; and

25.3 any payments made by the Issuer in accordance with the Transaction Documents to Absa in one capacity shall be construed as a payment to Absa only in such capacity and not in any other capacity.

26. Rating Agency

26.1 It is agreed and acknowledged that a credit rating is an assessment of credit and does not address other matters that may be of relevance to the Noteholders, including, without limitation, in the case of a rating confirmation, whether an event or amendment (i) is permitted by the terms of the relevant Transaction Document or (ii) is in the best interests of, or prejudicial to, some or all of the Noteholders. In being entitled to have regard to the fact that the Rating Agency, upon written request by the Issuer, has confirmed that the respective current Ratings of the Notes in issue would not be adversely affected, it is expressly agreed and acknowledged by each of the Security SPV, the Noteholders and the other Secured Creditors that the above does not impose or extend any actual or contingent liability for the Rating Agency to the Security SPV, the Noteholders, the other Secured Creditors or any other person or create any legal relations between the Rating Agency and the Security SPV, the Noteholders, the other Secured Creditors or any other person whether by way of contract or otherwise.

26.2 Such confirmation may or may not be given at the sole discretion of the Rating Agency. Depending on the timing of delivery of the request and any information needed to be provided as part of any such request, it may be the case that the Rating Agency cannot provide rating confirmation in the time available or at all, and would not be responsible for the consequences thereof. Confirmation, if given, will be given on the basis of the facts and circumstances prevailing at the relevant time, and in the context of cumulative changes to the transaction of which the securities form part since the issuance closing date. A rating confirmation represents only a restatement of the opinions given, and cannot be construed as advice for the benefit of any parties to the transaction.

USE OF PROCEEDS

1. The Issuer shall use the net proceeds of the Notes as operating capital primarily to:
 - 1.1 pay the consideration for the Home Loans acquired from time to time in terms of the Home Loan Sale Agreement;
 - 1.2 redeem outstanding Notes and repay Subordinated Loans; and
 - 1.3 as may otherwise be described in the Applicable Pricing Supplement.

SECURITY

1. The Notes will be obligations of the Issuer only.
2. The Management Agreement sets out the Pre-Enforcement Priority of Payments applicable during the Revolving Period in accordance with which creditors of the Issuer (including the Noteholders and other Secured Creditors) will be paid during the Revolving Period and prior to the delivery of an Enforcement Notice and the Pre-Enforcement Priority of Payments applicable during the Amortisation Period in accordance with which creditors of the Issuer (including the Noteholders and other Secured Creditors) will be paid during the Amortisation Period and prior to the delivery of an Enforcement Notice. The Management Agreement also sets out the Post-Enforcement Priority of Payments applicable on and after the delivery of an Enforcement Notice. Amounts payable at any time to any Secured Creditor that ranks after other creditors (including Secured Creditors) in the Priority of Payments, will only be paid to the extent that there are available funds at such time after payment has been made in full to those creditors (including Secured Creditors) that rank higher in the Priority of Payments.
3. Nqaba Finance 1 Security SPV (RF) (Proprietary) Limited (a company with limited liability registered and incorporated in accordance with the laws of South Africa under registration number 2005/036141/07) (the "**Security SPV**") has executed the Security SPV Guarantee in favour of each Secured Creditor. In terms of the Security SPV Guarantee, with effect from the signature date of the Security SPV (being 13 April 2006), the Security SPV undertakes in favour of each Secured Creditor to pay to each Secured Creditor, subject to the Security SPV Guarantee, the full amount then due and payable to each Secured Creditor by the Issuer in terms of the relevant Transaction Document, if an Event of Default should occur under the Notes or under the respective Transaction Documents. The Security SPV Guarantee is unconditional. Payment to Secured Creditors by the Security SPV in accordance with the provisions of the Security SPV Guarantee, is not subject to receipt by the Security SPV of a written request by the Secured Creditors, but is subject to the Guarantee Conditions (as defined in the Security SPV Guarantee) and the occurrence of a Guarantee Event (as defined in the Security SPV Guarantee). The Security SPV is not entitled to revoke the Security SPV Guarantee before the obligations of the Issuer to the Secured Creditors in terms of the Transaction Documents have been finally, unconditionally and irrevocably extinguished.
5. The liability of the Security SPV pursuant to the Security SPV Guarantee is, however, limited in the aggregate to the net amount recovered by the Security SPV from the Issuer pursuant to the Issuer Indemnity and from the property realised pursuant to the other Security Agreements.

8. The Issuer indemnifies the Security SPV, in terms of the Issuer Indemnity, in respect of claims made against it arising out of the Security SPV Guarantee. The obligations of the Issuer in terms of the Issuer Indemnity are, in terms of the Security Cessions, secured by a cession and pledge of the assets of the Issuer in favour of the Security SPV. In addition, in terms of the Owner Trust Suretyship, the Owner Trustee has bound itself as surety in favour of the Security SPV for the obligations of the Issuer in terms of the Issuer Indemnity, limited to the realised value of the issued Ordinary Shares in the Issuer. The Owner Trustee's obligations under the Owner Trust Suretyship are, in terms of the Pledge, secured by a cession and pledge, in favour of the Security SPV, of all of the issued Ordinary Shares in the Issuer.

9. Each Class of Notes will share the same security but in the event of the delivery of an Enforcement Notice the Notes will rank in reducing order of rank, determined by the respective Classes of such Notes, as set out in the Post-Enforcement Priority of Payments.
10. The Security SPV has not taken or obtained any independent legal or other advice or opinions in relation to the Issuer or any other persons or any of the Transaction Documents (including the Security Agreements) or any other document and the Security SPV has not taken or obtained any independent legal or other advice or opinions in relation to any of the transactions contemplated by any of the Transaction Documents or any other document.

SOUTH AFRICAN TAXATION

The comments below are intended as a general guide to the current position under the laws of South Africa. The contents of this section headed "South African Taxation" do not constitute tax advice and persons should consult their professional advisers.

Residents

A natural person is a resident of South Africa for tax purposes if (i) he is ordinarily resident in South Africa, or (ii) he is not ordinarily resident in South Africa but is physically present in South Africa for certain periods specified in the Income Tax Act, 1962. A juristic person is a resident of South Africa for tax purposes if it is incorporated, established or formed in South Africa or if it has its place of effective management in South Africa.

South African tax residents are subject to South Africa Tax on their worldwide income. A non-resident is subject to South Africa Tax only in respect of income derived from a South African source.

1. Securities Transfer Tax

No securities transfer tax will be payable, in terms of the South African Securities Transfer Tax Act, 2007, in respect of either the issue of the Notes or on the subsequent transfer of the Notes on the basis that the Notes will not comprise a "security" as defined in section 1 of the Securities Transfer Tax Act, 2007.

2. Withholding Tax

Section 50B of the Income Tax Act, 1962 ("the Income Tax Act") imposes a withholding tax on interest payments to persons who are not tax resident in South Africa for tax purposes, where the interest is sourced in South Africa. The withholding tax is levied at a rate of 15%, but could be reduced by relevant double taxation treaties. Withholding tax on interest in respect of certain debt instruments (which include any Notes issued under this Programme) may be applicable to persons who are regarded as non-residents for tax purposes in South Africa.

There are exemptions, which include interest paid in respect of debt listed on a recognised exchange. The JSE Limited would qualify as such an exchange. Should this exemption be repealed, non-resident Noteholders may rely on the relief afforded in terms of relevant double taxation agreements. In the event that such withholding or deduction is required by law, the Issuer will not be obliged to pay additional amounts in relation thereto.

Under current taxation law in South Africa, all payments made under the Notes to resident Noteholders will be made free of withholding or deduction for or on account of any taxes, duties, assessments or governmental charges.

3. Income Tax

3.1 Nature of any original issue discount or premium

Any original issue at a discount to the face value of the Notes will be treated as interest for tax purposes and will be deemed to accrue to the Noteholder on a day-to-day basis until maturity or until such time as such Noteholder disposes of its beneficial interest in the Note. The amount to be included in the Noteholder's gross income is normally calculated on a yield to maturity basis.

Any original issue premium will be added to the face value of the Notes to determine the initial amount that will be used to determine the interest that is deemed, under Section 24J of the Income Tax Act to have been incurred or to have accrued in respect of the Notes.

3.2 Position in respect of the current tax year

Under current taxation law in South Africa:

- (a) a person ordinarily resident in South Africa will, subject to available exemptions and deductions, be taxed on their worldwide income; and
- (b) a person not ordinarily resident in South Africa will be exempt from income tax in South Africa on any interest received or accrued on the Notes, unless that person:
 - (i) was a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate in the tax year; or
 - (j) at any time during this tax year carried on business through a permanent establishment in South Africa and the debt from which the interest arises is effectively connected to the permanent establishment..

Interest received by Noteholders who are tax resident in South Africa will be included in gross income on a yield-to-maturity basis in accordance with the terms of section 24J of the Income Tax Act.

Interest is deemed to be from a source in South Africa where the interest incurred is attributable to an amount incurred by a person that is tax resident in South Africa. Such interest is included in gross income of the recipient and may or may not be subject to exemption.

4. **Capital gains**

Any disposal of the Notes by a Noteholder who is resident in South Africa prior to their redemption may be subject to Capital Gains Tax, where applicable.

Capital gains are taxable at normal tax rates, but in the case of a natural person only 40% of the gain is taxable, and in the case of companies and trusts, 80% of the capital gain is taxable.

Noteholders who are not tax resident in South Africa will generally not be subject to capital gains tax (if any) on the disposal of the Notes unless the Notes are assets of a permanent establishment of such non-resident located in South Africa or in respect of immovable property or an interest or right of whatever nature in or to immovable property situated in South Africa. In the event that the Notes comprise an interest in immovable property, any purchaser of a Note from a person who is regarded as a non-resident for tax purposes, may be subject to a withholding obligation in respect of the purchase consideration payable by the seller in terms of section 35A of the Income Tax Act. The amount to be withheld is determined with reference to a percentage depending on the juristic nature of the seller and may be subject to certain exemptions.

EXCHANGE CONTROL

The comments below are intended as a general guide to the current position under the Exchange Control Regulations, 1961 as promulgated under the Currency and Exchanges Act, 1933 (the "Regulations") and are not a comprehensive statement of the Regulations. The information below is not intended as advice and it does not purport to describe all of the considerations that may be relevant to a prospective subscriber for, or purchaser of any Notes. Prospective subscribers for, or purchasers of any Notes who are non-South African residents or who are emigrants from the Common Monetary Area are urged to seek further professional advice in regard to the subscription for, or purchase of any Notes.

Non-South African Resident Noteholders and Emigrants from the Common Monetary Area

Dealings in the Notes, the performance by the Issuer of its obligations under the Notes and the performance by the Security SPV of its obligations under the Security SPV Guarantee, may be subject to the Regulations.

Emigrant Capital Accounts

Funds in an Emigrant's Capital Account may be used for the subscription for or purchase of Notes. Any amounts payable by the Issuer in respect of the Notes subscribed for or purchased with funds from an Emigrant's Capital Account may not, in terms of the Regulations, be remitted out of South Africa or paid into any non-South African account. **Emigrants from the Common Monetary Area**

Any individual Certificates issued to Noteholders who are emigrants from the Common Monetary Area will be endorsed "emigrant non-resident". Such restrictively endorsed individual Certificates will be deposited with an authorised foreign exchange dealer controlling such emigrant's remaining South African assets to which Financial Surveillance Department restrictions have been applied.

In the event that a Beneficial Interest in Notes is held by an emigrant from the Common Monetary Area through the Central Securities Depository and its relevant Participants, the securities account of such emigrant will be credited and designated as an "Emigrant Capital Account".

Any payments of principal due to a Noteholder who is an emigrant from the Common Monetary Area will be deposited into such emigrant Noteholder's capital account, as maintained by an authorised foreign exchange dealer. The amounts are not freely transferable from the Common Monetary Area and may only be dealt with in terms of the Regulations.

Any payments of interest due to a Noteholder who is an emigrant from the Common Monetary Area will be deposited into such emigrant Noteholder's "non-resident" Rand account, as maintained by an authorised foreign exchange dealer. The amount represents income which is freely transferable from the Common Monetary Area.

Non-residents of the Common Monetary Area

Any individual Certificates issued to Noteholders who are not resident in the Common Monetary Area will be endorsed "non-resident". In the event that a Beneficial Interest in Notes is held by a non-resident of the Common Monetary Area through the Central Securities Depository and its relevant Participants, the securities account of such Noteholder will be credited and designated as a "non-resident" account.

It will be incumbent on any such non-resident to instruct the non-resident's nominated or authorised dealer in foreign exchange as to how any funds due to such non-resident in respect of Notes are to be dealt with. Such funds may, in terms of the Regulations, be remitted outside the Common Monetary Area only if the relevant Notes are acquired with foreign currency introduced into South Africa and provided that the relevant Certificate or securities account is designated "non-resident".

For the purposes of these paragraphs, the Common Monetary Area comprises South Africa, the Republic of Namibia, the Kingdom of Lesotho and the Kingdom of Eswatini .

ACCOUNTANTS' REPORT

The following is the text of the letter by the Auditors of the Issuer confirming that each issue of Notes under the Programme as detailed in the Programme Memorandum complies in all respects with the provisions of the Securitisation Regulations promulgated in Government Notice 2 (Government Gazette No. 30682, 1 January 2008) pursuant to the provisions of the Banks Act, 1990.

"REPORT OF THE INDEPENDENT AUDITORS OF NQABA FINANCE 1 (RF) LIMITED ON COMPLIANCE OF THE ISSUE BY NQABA FINANCE 1 (RF) LIMITED OF SECURED NOTES PURSUANT TO THE ASSET BACKED NOTE PROGRAMME AS DESCRIBED IN THE PROGRAMME MEMORANDUM DATED 06 JULY 2020 WITH THE RELEVANT PROVISIONS OF THE SECURITISATION REGULATIONS (GOVERNMENT NOTICE 2, GOVERNMENT GAZETTE 30628 OF 1 January 2008) ISSUED BY THE REGISTRAR OF BANKS, AS REQUIRED BY PARAGRAPHS 15(1)(a)(ii) AND 16(2)(a)(vii) OF THE SAID NOTICE.

1. Introduction

As required by Paragraph 15(1)(a)(ii) and 16(2)(a)(vii) of the Securitisation Regulations (Government Notice 2, Government Gazette 30628 of 1 January 2008) issued by the Registrar of Banks (the "**Securitisation Regulations**"), we have reviewed whether or not the issue of limited recourse secured registered Notes by Nqaba Finance 1 (RF) Limited (the "**Issuer**") with an aggregate Principal Amount of up to R5 000 000 000 (the "**Notes**") pursuant to the Asset Backed Note Programme (the "**Programme**"), as documented in the Programme Memorandum dated 06 July 2020 (the "**Programme Memorandum**"), will be compliant with the relevant provisions of the Securitisation Regulations. We conducted our review in accordance with the statement of South African Auditing Standards applicable to review engagements.

Compliance with the relevant provisions of the Securitisation Regulations is the responsibility of the Issuer. We report on such compliance.

2. Scope

Our review was generally limited to an examination of the Programme Memorandum, with regard to compliance with the relevant provisions of the Securitisation Regulations.

It should be recognised that our review did not constitute an audit and may not necessarily have revealed all material facts.

3. Findings

Our review revealed nothing which caused us to believe that the Issuer will not be in compliance with the relevant provisions of the Securitisation Regulations with regard to the issue of the Notes, pursuant to the Programme and with regard to the conduct of the scheme, as described in the Programme Memorandum.

Yours faithfully
