WITHDRAWAL OF THE EXEMPTION ON ANNUAL REPORTING OF IRREGULAR, FRUITLESS AND WASTEFUL EXPENSES

Further to the announcement released on SENS on 4 April 2023, noteholders are advised that on 9 June 2023, Eskom received notice of the withdrawal of the partial exemption from certain sections of the Public Finance Management Act (PFMA) and Treasury Regulations from National Treasury (the "Exemption").

The decision to withdraw the Exemption means that Eskom will continue to disclose financial and non-financial information on irregular, fruitless and wasteful expenditure and material losses from criminal conduct as per National Treasury instructions.

Compliance to the PFMA and all applicable legislation remains a priority as Eskom continues to address irregular, fruitless and wasteful expenditure, and Eskom will continuously implement measures to address all the issues that continue to have a negative impact on the company's financial sustainability.
